01

Justice

Justice: **truth** · **accountability**

Then justice, you know the first thing that came to mind is all of them going to jail That's the first thing that came to mind Three of Cups ate a sword and then justice all of them going to jail. I don't know what they're going to do I don't think they get not at that Okay, that's the first thing I Thought it was gonna be something positive, but no this look like they're being okay if it's not jail

02

Three of Cups

this three of cups they're being blocked from something and that's justice The three of cups is stuck and that's justice Okay, they're stuck in something old They're stuck in something behind There is something by the old mindset or blind spots or imprisonment But it's multiple people with the same thing so they're either they're all going to jail or they all mentally imprisoned They're all ignorant to

something where they just don't understand something, but it's justice whatever it is wherever they stuck at I'm sorry to say but that's justice Okay, then actually it was somebody's intention.
