

BINDING SPELL, AWARENESS FIRST STEP

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

21 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

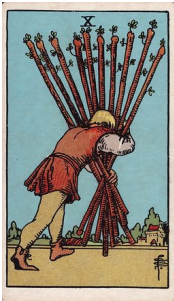

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **423** spoken beats. The same 21 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Ten of Wands

burden responsibility

But it's the biggest thing here is that the card. Because the card was the first card in this reading.

02

Six of Pentacles

generosity giving

generosity and **giving**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

03

King of Cups

emotional mastery calm

It looks like somebody is trying their damndest, their hardest to do what's right or to give what is supposed to be given. So, this is someone that's giving everything. It's almost to the point where it is a burden or it is somebody's responsibility to repay something. I feel like this is about repayment. What is going on with the card? Is there anything else with the card? I'm a hope, I'm a hope and pray that the card is doing it for themselves.

04

Nine of Wands

resilience persistence

That's the same the card. And the king of cups also has the card. So it's a fight. When I clarify the king of cups, it goes the card, ace of pinnacles. The card, ace of pinnacles. Drop two cards on the floor. Night of cubs, ace of pinnacles. Like somebody is going to get whatever that blessing is, whatever that seed is, whatever it is that's going to multiply. Because that's what the ace of pinnacles does. But you got to work to get that to multiply.

05

King of Wands

vision leadership

So, the card can do it. They can do it, but it is not easy. So this is like a water fire sign I'm talking about. Now I see because it's just the card doing everything they possibly can. They're doing everything they can. That's crazy. And you know what? If this is not a competitor, the card is doing everything they possibly can to get some type of outcome. You got to take a hat resonate.

06

Ace of Pentacles

opportunity prosperity

Yeah, it's like they have to give something here until it is complete or until something is paid off or renewed. What is this energy? I don't know if they're doing this for somebody else or they're doing this for themselves. I hope they're doing this for themselves because that's a lot of energy to put in for somebody else. I'm just saying. Because the card is a blessing. It's a blessing from God.

07

Five of Wands

conflict competition

It must be unless this king of wands is a competitor because it came the card, king of wands. What is this energy?

08

Strength

inner strength controlled force

We have the card, Leo Energy. It's starting to sound like a competitor. Just a little bit. They got to pull that the card from another part of the damn body and bring it into your heart. I don't know. You got to take a hat resonate. But they got to do something here.

09

Seven of Wands

defense courage

Y'all, this is a lot of fire. Like I know it's hot outside, but this is a lot of fire right here. The whole line, five of wands, king of wands, Strength card, nine of wands, the card.

10

Judgement

reckoning awakening

Yeah, they need to stop. And guess where the card is right there with the king of wands. That is so crazy. What is this energy? It's this king of wands that's going to have the card. But you got to win. The fight is not over. You got to win. And then it's going to be a new energy. Because I'm dropping cards. What are these two cards? We have the night of cubs and we have the ace of pinnacles here. Let me just, yeah, let me make sure.

11

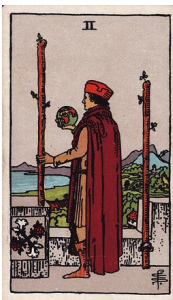

Ace of Wands

spark inspiration

We have the king of pinnacles. We have the nine of cubs. That sound like that's the king of cubs up there. And it's even lined up with the king of cubs. And then we got the three of cubs. They're not going to stop these king of cubs. I know that they're trying everything. And the king of cubs has to understand the fire element. The king of cubs is the king of the water element. That's good.

12

Two of Wands

planning decisions

They didn't want them to go through a doorway. Like they didn't want this king of cubs to go through any type of doorway. So they did something to block or they did something where this king of cubs has to try extra hard to get where they're trying to go. But well. You know what I'm saying? King of cubs is going to have to do extra hard. Okay, extra. Ten of cubs again, look. I'm going to get another deck.

13

Justice

truth accountability

The card is going to balance the scales though. Leave her energy. What's going on here?

14

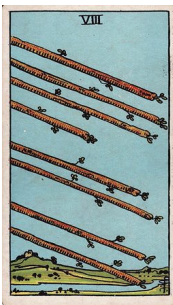

Two of Cups

partnership union

My gosh. They're my goodness. And you know it's so crazy.

15

Eight of Wands

speed movement

It's the card and the seven of wands. Look, they are fighting it.

16

The Lovers

union a choice

Okay. They know they deserve better. What is this energy? My god.

17

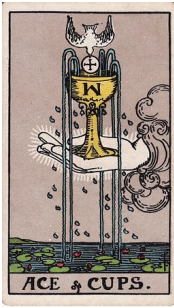

Ten of Swords

ending release

It's okay. I know that's not anything new being shut down.

18

Ace of Cups

new love feeling

The card is a new love. It's a renewal. Okay. What is this energy here? My god. And it's connected to the card. It's a new love. Or you never know what somebody did until like you try to leave. Or you try to get in a relationship. And then you start seeing the blockages. You start seeing different things happening. Yeah.

19

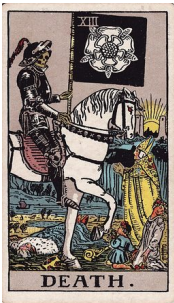

Nine of Swords

anxiety worry

Because even the nine, the card is here too.

20

Death

endings transformation

And it says the card. Scorpio energy. So it's something here that's going to transform. It's not going to be held back. The card is going to happen. They're not going to hold the card back.

21

Six of Wands

victory recognition

Somebody's going to be the winner. Look, I'm going to leave this one right here. If you liked the way that I read, please like share and subscribe.
