

They're Blocked From Coming Towards You

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

33 cards · up to **10** on screen at once · **reading order**

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **792** spoken beats. The same 33 cards, taught one screen at a time, are gathered here so you can study them after the read.

We have the card energy after the Death card.

13

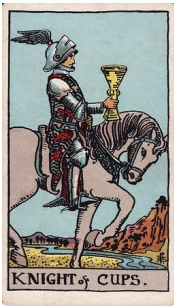

Ten of Wands

burden responsibility

Damn, and it could be something that goes way back. Something happened where that broke.

14

Knight of Cups

romance the offer

It's like I feel like a person may have to look at the truth of the matter. They may have to see that something was sacrificed. They may have to just, you know, admit the truth here, or surrender to the circumstances. Like, sometimes you can't do nothing. Sometimes people don't even want your apology. Sometimes they don't want to connect. Sometimes they don't want to be around you. They don't want to talk to you. They don't want a relationship with you.

15

24

Page of Wands

discovery eagerness

And I was like, "this a new beginning for the card." the card is free. The card taking risks. They're not scared. Yeah, they're going after their true happiness, true love. That's the where they're going. So, anybody knocking on the door with that fake ass love, they don't live there. And you don't live there no more. You do not live there no more. You don't live on that energy. You don't live on that frequency. You are not the same person.

25

The Fool

new beginnings leap of faith

Page of Wands, they go on the adventure and the card is just new energy, new beginning, new story, new everything. So I don't know. I don't think that they're going to have any access anyway. bondage attachment

Like, something is getting canceled. I don't know. They may try to come towards you and then something happen. Like, I feel like they're going to break rules. They're going to try to push beyond some type of boundary that they know they're not going to push beyond, and when some happen, if they survive, they're going to know why it happened.
