We got the high priestess. The ace of sword just came out on top of the night of wands and then the high priestess is at the bottom. The high priestess knows a lot more than what they say. They know a lot more than what even what they do say. They know a lot more. Okay. They know what it is. They know how some shit is going down. They know they know what they need to know period. That could be you. What is this energy here? Let me get something with. Let me get something with this judgment.

15

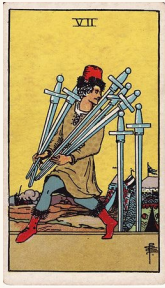

Five of Cups

Five of Cups: grief · loss

We have the five of cups. The seven of pinnacles, the five of sword again. And then it's the night of sword. See, I told you somebody not going to be able to just somebody is going to say something is going to be an argument. They're going to say how they feel. The truth is really, really going to come out about how they feel about some type of relationship and the fact that you're moving forward or you're about to have some type of family or you've got some money is something here. They just don't agree with that. And they're going to come off like a hater. Now, if they are a hater, I don't know, but they're going to come off like one. They're going to come off like one or they're going to come off like they want something like they don't like they don't want you to like what is it matter to them? Who you're with? Like what is it like? What is the truth? That's what I'm saying. Like, what is it? They don't want you to leave. They don't want you to move. They don't want to lose the resources or they just really don't like your partner. Like, what really is it? Because it really is a problem here. Like they feel like maybe they feel like they want to be with you. I don't know what kind of relationship is going on. The Hermit

The Hermit: **solitude** · **inner wisdom**

And then we got the hermit. So I feel like there's a hermit with their walls up against somebody that thinks they're slick. The hermit is shining their lantern. The hermit can see the truth. OK, if they're looking at it close enough, they can find what's hidden. They can find anything that's hidden and that's the seven of sword. That's that manipulation bullshit right there. So the hermit can see that and there's a nine of nine of wands right there. That is somebody that's up on their energy to understand they're alerted to what is really going on because whoever this is, they're not going to have their way. It's not is no question about that. Whatever problem they have, they don't have that problem today. They don't have that problem tomorrow because that's just how it's going to be. This is a different I'm telling you. I said it in another reading. This is a different age and time. They can believe what they want to believe because I know it's a lot of them sucking a teeth right now. OK, but they can believe what they want to believe. But I'm telling you, love is always going to win. The highest love is going to win. OK, that's what's going to win.

Two of Cups

Two of Cups: partnership · union

We have the two of cups. Yeah, that don't sound that. Don't look like a close relationship right there. Whoever it is. I just got this energy like this is so crazy. I just got this energy yesterday where it's like somebody that you're not even close with and they want they want you and you don't even want them. Like come on, wake up. I'm not talking about you. I'm talking about whoever the fuck this is. They need to wake up. Whoever it is, you're moving on with, you're moving on. Y'all are together. Y'all are probably. I hope y'all are in love or whatever the case because there's a whole tin of cups over here and it's a magician like manifesting tin of cups. That's not how can I say you cannot manifest the tin of cups by doing some type of spell. You can I'm a thotties damn cards. I'm a break everything. You cannot manifest the vine love by doing some type of spell. You must do the work on yourself. You must balance yourself. You must do the whatever you got to do for yourself. That's the only magic you can do. The magician is not about candles and incensations. The magician is the fact that we are all creators. OK, we can all bring these things to us. We can manifest what we need to manifest what we need was in our path. What's in our destiny. OK, that's the magic. So you got to do the work on yourself. You can do the work like on somebody that's not going to work like that. What's this energy here? Because they crazy. And I said it in the other reading too. This is craziness that they try to stop some type of relationship. Like you're actually with somebody or you're actually in love. You're actually connected. It's some type of commitment. And here they are clearly there's no connection there. And here they are. What's this energy here? Like they don't they don't want to understand.

21

Four of Pentacles

Four of Pentacles: control · security

22

Seven of Cups

Seven of Cups: choices · illusion

And then we have the seven of cups. Now, what is that? There is an illusion there. There is like an emotional illusion. And it has to do with financial security. So is that all it is? Is that really all it is money? They don't want you with the with this other person because of money. That's it. What is this energy here? That's stupid. But OK, that's their reason. That's the reason that did that's that's why I guess they can't just say it. I don't know. I guess not. Cause you know, the truth is ugly sometimes, you know, people can't just say the truth. You know, just flat out like that, you know. What's this energy here? What is this energy?

23

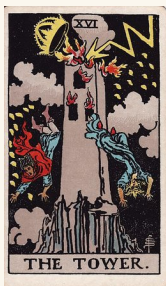

The Chariot

What's this energy here? They don't understand. They are delusion. They think I'm, they probably think I'm wrong and I'm confused. But that's how deep the illusion is for them.

25

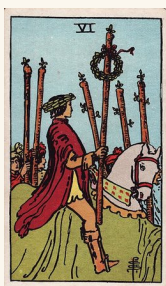

The Emperor

The Emperor: authority · structure

We have the emperor here. What is this energy? We have the four sword. Emperor don't look like they're worried about anything out here. Emperor look like they're good. I know they wish the emperor was laid out like this, but no. Emperor is just resting. That's all. Emperor is chilling. That's all that is. You know, there's a boundary there. OK, for this emperor. What is this energy here?

26

Six of Wands

Six of Wands: victory · recognition

We have the six of wands energy here. OK, that looks like success to me. That looked like somebody different. OK, it do. It looked like somebody's a little different out here. And somebody's winning this battle. Because don't forget about this. I was just about to mention the seven of sword. I was just about to mention it. I didn't even realize it was there. I was just about to mention it because I knew it came out earlier. I was just about to say don't forget about. This seven of sword that they try to do just because and I only said that because I seen this nine of wands. This came out after that first seven of sword and then I seen the six of wands. So I'm like, no, somebody's definitely strong. Somebody's definitely winning this damn battle. Somebody definitely got their power up. Somebody

definitely is not being taken down. Somebody definitely is like it's showing here. OK, so they noted this shit right here. It's not going to work like that. What is this energy? What is going on?

27

Eight of Swords: restriction · fear

We have the eight of swords. Tell me about the eight of sword.

30

Four of Wands

Four of Wands: celebration · home

And then we have the four of wands energy. Somebody is not being held back no more. Or they're not like, how can I say someone's able to speak? Someone is able to think someone's able to see someone's able to move? OK, because it's a graduation. Like somebody may have been in this energy where they were like this and all tied up and stuff, but it's not giving that no more. What is this energy here? Yeah, we have the seven of cups. I guess it's some type of illusion here. It was supposed to be a thick illusion, but it's really not no illusion.

31

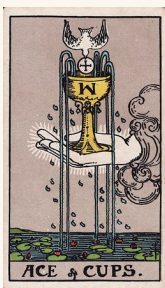

The Lovers

The Lovers: union · a choice

Somebody is moving forward with the lovers energy. It's about ascension. The lovers is the best choice because you ascend when it's true lovers energy you will know because you ascend. And if it's not, you will go down and you will know this is not it. That's what it's supposed to be. OK, it's a choice, but it's not a choice if you know what I'm saying. Like we got choices, but we don't really have choices. We have the illusion of choices. And it has to be aligned. So if you can't see something that's okay that you don't see it, you will. That's the whole point of it. We have to learn. So if you can't see that's okay, you will see. We have to learn. That's the only way. What is this? What is going on here? The lovers. I'm just saying and I'm just I'm sitting here talking about the lovers. Like and a tool cups is here too. So it doesn't matter what partnership to a cups is here.

32

Ace of Cups

Ace of Cups: new love · feeling

Ace of cups is here like I'm not playing. I'm so serious. All these cards are here. It doesn't matter what kind of commitment. If it is not on the ascension and I'm not trying to say. You know, like people can't have problems issues. I'm talking about like everything. Everything can't be going down. Everything. Is going down. From the beginning. It's never a good. Like the lovers energy. Is about ascension. It's a choice, but it's not a choice. It's a choice because you have the choice, but it's a choice in the way that if you can see, then it's not a choice. Like it's like the choice of jumping off a cliff versus not jumping off a cliff. Is it really a choice? Because if I had the choice, I'm not jumping off a cliff. Because that's you know what I'm saying. It's only a choice. It's a choice when you're really aware. I mean, no, no, no, no. It's a choice when you're not aware. But when you're really aware and

you know about the ascension of the lovers energy. It is not it's not a choice. You have to go towards ascension. It just be like that. Let me get an angel message here. So I don't know what this person's talking about. I don't know what they thinking. I don't know what kind of illusions they trying to pull, but it's not giving lovers with them. It's giving four cups with them. And if they got to do shit like this, and I think I even said this in the other reading, if they got to do shit like this, that is not a divine relationship. That is not the lovers.

33

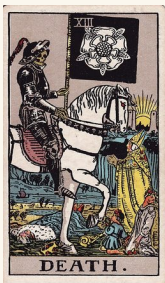

Two of Cups

Two of Cups: **partnership · union**

That is not the two of cups. That is not the ace of cups. That is not none of that. So if they have a problem with you going towards ascension. That ain't got nothing to do with you. That got something to do with God. They better talk to God about that. They better fight with God. Because this ain't it. This will never be it. Never. Somebody need to know the truth. Because that shit clearly don't align. What the fuck they got going on? It just don't. What's this energy here? It says earth and ground. I tell y'all every time this shit make me feel like somebody's going to be in the damn ground. Somebody's going to be in the earth.

34

Death

Death: **endings · transformation**

But I'm not even saying because this reading was not about no death or nothing like that. But I'm just saying it makes me feel like either death or some type of transformation because earth and ground. And then right here it says inner child healing. So it's something here a person got to look within. It does look like a death or some type of deep transformation. But I'm going to leave this one right here. If you liked what it are, please like share and subscribe. Thank you so much for your like, share. I truly appreciate it because it is how we get the messages out in order to elevate the collective.
