Justice

Justice: **truth** · **accountability**

We have justice. Oh my goodness Libra energy. It feels like Just like the last reading where I'm saying somebody but that okay in the last reading it was a very small part Where I said someone feels like they are being held off of their path. They're being blocked off of their path and They're looking at you and your path is open and you have love and even if it's connection I'm not talking about intimate love You just have the connections or the love that this person feels like they don't

have they feel rejected from that they feel like they feel like they're being punished Now I don't know if this person will go as far as to say that they did anything wrong Okay, like let's take a moment for that because I know a lot of people know what I'm saying I Don't think they're gonna go that far because if they actually go that far Then that's like some type of acknowledgement and then that acknowledgement is going to bring a change in them that I don't think I Don't think they you know, I don't know I don't know To be fair, I guess there's gonna be a few people that be like yeah, I fucked up And I know why I'm going through what I'm going through to be fair. There's gonna be a few people But not everybody a few of them gonna be confused as To why they feel blocked, but it's justice Okay, it's labor energy. It's it's balance.
