02

Temperance

Temperance: **balance** · **patience**

We have temperance. Sagittarius.

03

King of Cups

King of Cups: emotional mastery · calm

And we have the king of cups energy. Okay. We have a balanced energy. Minor arcana, major arcana, and court card here. It looks like this king of cups is just completing what they're meant to complete. They put something together here. I don't know if it's a whole team working with them, but whatever this goal is that the King of Cups has of completing something, it's there. It's within the first three cards. The three of pentacles is something that is I don't know how to say. It's something that's together. It's something that's in one piece. Like, you know, when you cook and you know, you put the food on the plate and it's done and everybody's ready to eat. That's it right there. And the temperance energy, it really represents that a person is on a pathway. So, it's not finished. Whatever this three of pentacles, it's not finished, you know, but it does represent that somebody is at least on the path. It could be about a family or creating a family, you know, having a family, having balance of any type of sort in your life like with family or um how can I say business, but it's the beginning. So, it's something that has to remain balanced. These pieces have to work together. You know what I'm saying? They got to work together. Temperance is about, you know, even opposing forces becoming one, like alchemy or not necessarily opposing forces, but sometimes things that don't normally go together, but can be fused in some type of way. What is this energy here with this matter of fact? Okay, we got the four of pentacles, but I kind of want to clarify. What is this three of pentacles? What is this three of pentacles and we

04

Ten of Pentacles

Ten of Pentacles: legacy · wealth

got the 10 of pentacles? The 10 of pentacles. The 10 of pentacles. So, come on. That is all of the abundance. That's all the resources. That's the whole business. That's the whole family. That's the whole inheritance. It's something here where this king of cups, they're on the right path and they're in the right energy too as a king of cups and emotionally staying balanced emotionally. What is this energy here with this temperance?

05

The Devil

The Devil: **bondage** · **attachment**

Oh no, not the devil lord. And a confirm not the devil. Not the devil on top of temperance, Lord. Oh, something going to have to set. I don't know how to say that's a earth angel. The temperance is a earth angel. They got to be set free from whatever that attachment is. The king of cups, they have the eight of cups. So even the king of cups is walking away from something. They're walking away. They're free. Okay. To walk this path and be disillusioned. Somebody wants more than whatever this devil energy is giving. And usually it's just some controlling or being bound to something or under some type of contract. And it's like, no, a person, this King of Cups, I just want that. See, that's why I'm glad I asked. This King of Cups is walking away from that. They are putting something together on their own. They're walking their own path and they're getting away from these demonic attachments. They're getting away from these toxic ass controlling ass attachments. That's what they're doing. So now, yeah,

06

Four of Pentacles

Four of Pentacles: **control** · **security**

we got the four of pentacles there.

07

The Fool

The Fool: **new beginnings** · **leap of faith**

The Moon

The Moon: hidden influence · illusion

And we have the moon card. Now the moon card puts a veil over all of this in this line. It's like all of this is hidden that something is it's like dependable. This this king of cups whatever they're walking away to do it's growing. It went from three of pentacles four pinnacles is here. I mean we already got the 10. And so we know that it's going all the way up. But the four of pentacles and then moving forward is king of wands energy, a fire sign or somebody extremely passionate, somebody that's a leader, somebody that is not going to stop, somebody that's driven. Okay. So we already got King of

Cups and King of Wands energy, but I feel like it's it's hidden. What is this Moon card? Yeah, let me take the Fool out. What is this Moon card? It's almost like somebody's next moves are also concealed. What is this moon card? We got the ace of sword. Yeah, some type of information is concealed. So, there's a person that's not meant to have clarity. They're not meant to have clarity. It's

12

Two of Cups

Two of Cups: partnership · union

a two of cups energy. I hate to say that, but it shows two of cups and four of cups. It's someone here that's like close, but I don't know how to say. I don't think that's a positive energy if it's the moon. I mean, if it's being hidden, it's something you can't show. The two of cups energy is something that somebody that's close that I feel like they would have somebody stuck in an attachment if they knew anything. They would try to have somebody stuck in an attachment. Like imagine if you told your job, "Oh, I'm about to quit, you know, in 6 months anyway." And they fire your ass right there because you done revealed some that you weren't supposed to say. It's something here that this King of Wands is doing. This King of Wands is doing and they got to keep that to themselves. And that's just how it be sometime. Like I'm just being honest. That's how it be sometime. Even with this two of cups energy, it's something here like you this whoever this uh King of Wands or King of Cups, they got to do that on their own or they got to keep that under wraps. They got to move forward with that. They got to believe in their plan. whatever that is, there's no reason to disclose because usually

13

Ace of Swords

Ace of Swords: clarity · truth

the Ace of Sword is like a truth where is or it's an idea, you know, or clarity that just hit you out of nowhere, but it's clarifying the moon. And the moon is something that is hidden. It could be unconscious. It could be something that it could be out of your control if you let it out. What is this energy?

16

King of Swords

King of Swords: authority · truth

have the king of sword, air sign energy. So, it's starting to almost look like an

17

The Emperor

The Emperor: authority · structure

emperor kind of energy. Unless I'm talking about three different people, but it's starting to look like an emperor because that's three kings already that's out here. The king of cups, the king of wands, and the king of sword. We have the hieropphant here. Oh, that could be somebody going further perhaps in education or going further perhaps in some type of organization or some type of system. Some type of system that you know people have to keep the laws and the rules and the ethics and things like that. But that's what it looks like is that's what it looks like a person is going to or going towards.

18

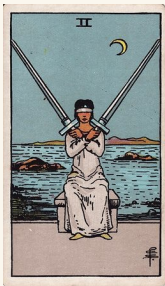

Five of Wands

Five of Wands: **conflict** · **competition**

We have the five of wands could be something very competitive, a very competitive field. We have the hangman energy. What is this energy?

19

Two of Swords

Two of Swords: **stalemate** · **indecision**

And then we have the two of swords. So it's somebody here that they need to surrender to the fact that they're not going to know something. They're going to be they're going to be left in confusion. They're not going to know. They're not going to get the clarity. We

20

The Star

The Star: **hope** · **renewal**

got the star here and the knight of sword. Like somebody could be very clever. Really, somebody could be very clever. And maybe you have to be. Maybe you just have to be. Maybe that's just how it is. Like for real. What is this energy? Like imagine if you told people your plans and how much they could sabotage it. Like you don't just tell people every damn thing. They can't sabotage And that's some they can. Yeah, it's the Ace of Sword. I'm telling you, it's something about this Ace of Sword. Whoever I'm talking to got to keep this to yourself because it is clear. It's facts. Okay? Whatever it is, it's facts today, facts tomorrow. Whatever it is, it's not changing no time soon. This is the clarity that somebody got. Okay? Somebody must know something real good. And you got to remember that, okay? No matter where you go, no matter how you move. What's this energy here? What is going on? Chiron intuition.

21

The Lovers

The Lovers: union · a choice

We have the lovers here, ace of sword and then the lovers

22

Queen of Cups

Queen of Cups: compassion · empathy

and then it's the queen of cups. This queen of cups wants some type of partnership here and that's what's known. Maybe that's I don't know who as far as this king of sword, king of wands, king of cups. This queen of cups wants some type of relationship. They want to be close. That is the facts. That is that is the clarity right there. What is this? Or they want to know what those facts are. They want to get close

23

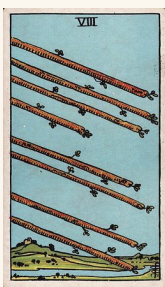

The Magician

The Magician: willpower · manifestation

so they can get the facts. The magician. Yeah. They want to get close so they can get the truth and it's like no. It's like no. That's what it's like. It's like no. What is this energy here with

25

Death

Death: endings · transformation

wands. And then we got the death card. See? No. That's why you can't tell nobody because then they be trying to put a head out on your No. You see what I'm saying? It's the eight of wands and then the death. Somebody focusing on something and then ending something, something getting transformed because somebody put all their energy. They knew exactly where to target and it's like no. That's exactly what it's like. It's like no. What is this energy here? I just can't say nothing else. Like it really the whole thing is a no. The whole thing is a no. From the time I saw

26

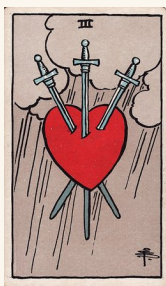

The Devil

The Devil: bondage · attachment

the devil, it's a no. It's a no. In this reading, it's a no cuz we was just talking about somebody being on their path and being free and all that kind of stuff. And it's like, damn, the only way you can do this is if you don't tell this person cuz it's a queen of cups. They going to come off like this. They going to come off like they're all loving and nurturing and stuff like that. But no, it's not really giving that. It's really not giving that. It's really giving queen of cups and then the magician. That's really what is given. So somebody need to be careful cuz they not going to show that side. Okay? They not going to show that side. But they'll damn sure do this right here. So I'm just saying what is this energy? What is this energy? We got the

27

Three of Swords

Three of Swords: heartbreak · sorrow

three of swords. So, it's a truth. It is a truth that somebody's just going to have to face. And it is what it is. It is what it is with that. What is this energy?

28

Four of Cups

Four of Cups: apathy · reflection

We have the four of cups energy. What about this four of cups?

29

Judgement

Judgement: reckoning · awakening

And then we got judgment. Damn. It looked like there's somebody that's going to come out of like being on the fence about something. They're going to stop maybe talking themselves out of something or they're going to maybe stop, you know, how can I say this? Cuz sometimes we don't want to see or we don't want to know, you know, and it's like, no, it's time to know. It's time to really understand this. It's time to rise above the grave and know and never forget and keep it, you know, keep it 100%. You got to look at your reality. You can't just ball your arms up and just, you know, pout it. No, you got to look at this truth. Let that truth wake you up. Whoever this is, I'm telling you, you need to know the truth. You need to wake all the way up cuz whatever this pathway is, it will not go. It's a pathway of balance. We talking about

30

Temperance

Temperance: balance · patience

temperance. It's a pathway of balance. Okay? So, as it means that there are things that may try to throw you off just like this devil energy that clarified the card, the temperance. So that's kind of bad. That's like damn. You have to understand that temperance is not like a walk in the park. It's not like just walking. Okay, it can be like walking in the garden. As long as when you see that lion, you stay just like that. As long as when you see that bear, you stay just like that. As long as you see this devil, you don't tell them Okay, that's what it's giving. It's not giving, you know, be all open and like that. It's like learn your lesson here. That's what it's giving because it's about a path of balance. And I said all

that stuff, all that beautiful stuff at the beginning about how this is somebody's path and they're getting somewhere and it's like a plate of food and it's being served up and all this type of Well, guess what? The devil wants a bite. The devil wants a bite. And if they get a bite, you're not going to be able to bite that no more cuz it's going to be poisoned. Okay? It's going to be nasty after that. It's going to be maggots and all in it. Okay? So, you can't I'm telling you, whatever this is, it is your business and you should not disclose it to somebody coming off like a queen of cups because it's not giving what it's really looking like. It's giving illusion. It's giving a lot of things, but it's not giving anything good. It's giving they will throw you off your path. It's giving they will make harder. And that's the energy of temperance. Like temperance is not just you're going to walk this straight path and oh I'm just going to get there. No, there are booby traps. There are animals and Is the wild. Okay, it's barely a damn trail. I'm just saying. So somebody got to pay attention. Whatever that Ace of Sword is, that is for you to know. That is for you to know. What is this energy here? And the judgment is out here twice at

31

The Chariot

The Chariot: willpower · drive

that. We have the chariot here. Cancer energy. Damn. And then we got the 10 of wands. This is a lot of energy like trying to move forward. This is like making something hard. Like how can I say this is like trying to push a car in quicksand or some like you trying to it's not going to go nowhere. It's going to sink kind of thing. Like somebody's going to weigh your damn thing down. This is a one-seater. This chariot is a one-seater. They are going to weigh that down. Whoever this devil energy is. I don't care if it's a business. Don't tell them what you're doing. That is not your friend. You work at this business and you telling them that you about to open this other business. No. I mean, you can do what you want to do, but you just never know who you telling what to. You just never know. But if you you know if there's a controlling force over you. That's not mistaken. Okay. You know if there's a Well, no. Some people don't really know. Some people don't understand and they think that certain people they friend and then those people wind up destroying your and you don't even know who destroyed your cuz you done trusted everybody with it. And it's like no, I'm trying to tell somebody this is not that. This is where you got to keep balance. This is where like if you was holding let's go back to that plate of food. If you was holding a plate of food and you're walking through a restaurant, let's say you're a waiter, you're holding this plate of food. You know how people like to just act like they don't see you or something like that? You know how people they just get up out their seat or people pass you by and they don't see that you holding this whole tray. You know what I'm saying? You got to move around them. You got to move the trick so you don't knock the over. That's temperance. It's the balance. But you got to keep it balanced. That's the trick. It's not just the balancing. It's the balancing act. And this devil energy will does not want somebody to win. So

anything they know, they will use that against you. So you got to watch. You got to watch anything they know. You got to watch that You got to watch it 100%. You got to watch it. Anything they know. What is this energy here with this? Matter of fact, no. Let me get an angel message here. And then it says, "Expect miracles." Yes, as long as you know. And it says joy and contentment. But I'm going to leave this one right here. If you like the way that I read, please like, share, and subscribe. Thank you so much for your like, shares, and subscribes. I truly appreciate it because it is how we get the messages out in order to elevate the collective. I love you guys and I'll be back with another reading later. Bye.
