

You Can't Tell Them Nothing, They Want Control Over Your Destiny

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

28 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **456** spoken beats. The same 28 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Three of Pentacles

teamwork skill

The card is something that is I don't know how to say. It's something that's together. It's something that's in one piece. Like, you know, when you cook and you know, you put the food on the plate and it's done and everybody's ready to eat. That's it right there.

Whatever the card, it's not finished, you know, but it does represent that somebody is at least on the path.

02

Temperance

balance patience

Sagittarius. And the card energy, it really represents that a person is on a pathway. So, it's not finished. The card is about, you know, even opposing forces becoming one, like alchemy or not necessarily opposing forces, but sometimes things that don't normally go together, but can be fused in some type of way. What is this energy here with this matter of fact? What is this energy here with the card? The card is a earth angel. We talking about the card.

03

King of Cups

emotional mastery calm

Okay. We have a balanced energy. Minor arcana, major arcana, and court card here. It looks like the card is just completing what they're meant to complete. They put something together here. I don't know if it's a whole team working with them, but whatever this goal is that the card has of completing something, it's there. It's within the first three cards.

04

Ten of Pentacles

legacy wealth

What is this three of pentacles and we got the card? That is all of the abundance. That's all the resources. That's the whole business. That's the whole family. That's the whole inheritance.

05

The Devil

bondage attachment

No, not the card lord. And a confirm not the card. Not the card on top of Temperance, Lord. Something going to have to set. I don't know how to say that's a earth angel. Somebody wants more than whatever the card energy is giving. And usually it's just some controlling or being bound to something or under some type of contract. From the time I saw the card, it's a no.

06

Four of Pentacles

control security

Okay, we got the card, but I kind of want to clarify. What's at the bottom? So the card came out.

07

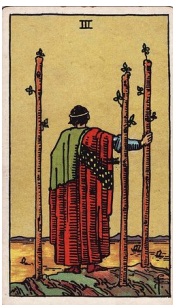

The Fool

new beginnings leap of faith

Yeah, the card. The card is new energy, new life, new karma, new everything. So that demon that's gone. What is this energy here? Yeah, let me take the card out.

08

Three of Wands

expansion foresight

expansion and **foresight**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

09

King of Wands

vision leadership

But the four of pentacles and then moving forward is the card energy, a fire sign or somebody extremely passionate, somebody that's a leader, somebody that is not going to stop, somebody that's driven. Okay. So we already got King of Cups and the card energy, but I feel like it's hidden. It's something here that the card is doing. The card is doing and they got to keep that to themselves. And that's just how it be sometime. Like I'm just being honest.

10

Ace of Pentacles

opportunity prosperity

opportunity and **prosperity**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

The Moon

hidden influence illusion

Now the card puts a veil over all of this in this line. It's like all of this is hidden that something is it's like dependable. What is the card? What is the card? It's almost like somebody's next moves are also concealed. What is the card? I don't think that's a positive energy if it's the card. I mean, if it's being hidden, it's something you can't show. And the card is something that is hidden. It could be unconscious.

12

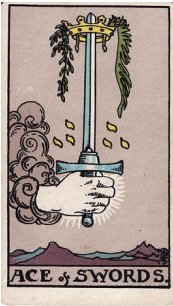

Two of Cups

partnership union

It's the card energy. The card energy is something that somebody that's close that I feel like they would have somebody stuck in an attachment if they knew anything. They would try to have somebody stuck in an attachment. Like imagine if you told your job, "I'm about to quit, you know, in 6 months anyway." And they fire your ass right there because you done revealed some that you weren't supposed to say.

13

Ace of Swords

clarity truth

Yeah, some type of information is concealed. So, there's a person that's not meant to have clarity. They're not meant to have clarity. Whatever that is, there's no reason to disclose because usually the card is like a truth where is or it's an idea, you know, or clarity that just hit you out of nowhere, but it's clarifying The Moon. Yeah, it's the card. I'm telling you, it's something about the card.

14

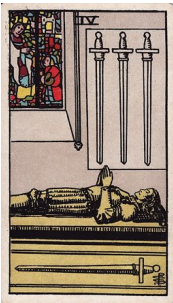

Judgement

reckoning awakening

So, there's a time and a place. Somebody is going to be set free. It's time to wake up. Damn. It looked like there's somebody that's going to come out of like being on the fence about something. Cuz sometimes we don't want to see or we don't want to know, you know, and it's like, no, it's time to know. It's time to rise above the grave and know and never forget and keep it, you know, keep it 100%. You got to look at your reality.

15

Four of Swords

rest recovery

That looks very peaceful.

16

King of Swords

authority truth

We have the card, air sign energy. The king of cups, the king of wands, and the card. We have the hierophant here. That could be somebody going further perhaps in education or going further perhaps in some type of organization or some type of system. Some type of system that you know people have to keep the laws and the rules and the ethics and things like that.

17

The Emperor

authority structure

So, it's starting to almost look like an the card kind of energy. Unless I'm talking about three different people, but it's starting to look like an the card because that's three kings already that's out here.

18

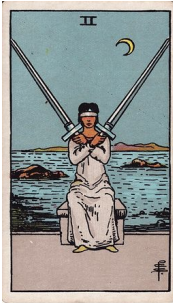

Five of Wands

conflict competition

We have the card could be something very competitive, a very competitive field. We have the hangman energy. What is this energy?

19

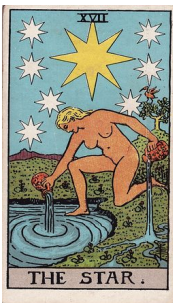

Two of Swords

stalemate indecision

So it's somebody here that they need to surrender to the fact that they're not going to know something. They're going to be left in confusion. They're not going to know. They're not going to get the clarity.

20

The Star

hope renewal

hope and **renewal**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

21

The Lovers

union a choice

union and **a choice**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

22

Queen of Cups

compassion empathy

We have The Lovers here, ace of sword and then The Lovers and then it's the card. The card wants some type of partnership here and that's what's known. The card wants some type of relationship. They want to be close. That is the facts. That is the clarity right there. They want to get close so they can get the facts. And it's like, damn, the only way you can do this is if you don't tell this person cuz it's the card.

23

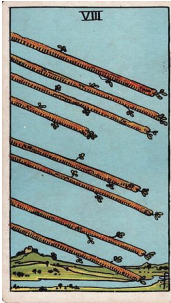

The Magician

willpower manifestation

Yeah. They want to get close so they can get the truth and it's like no. That's what it's like. It's like no. It's really giving queen of cups and then the card. That's really what is given. So somebody need to be careful cuz they not going to show that side. Okay? They not going to show that side. But they'll damn sure do this right here. So I'm just saying what is this energy? What is this energy?

24

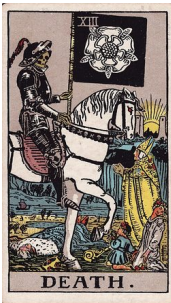

Eight of Wands

speed movement

speed and movement. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

25

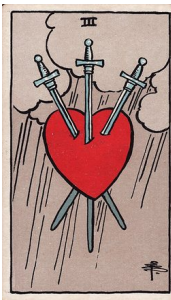

Death

endings transformation

See? No. That's why you can't tell nobody because then they be trying to put a head out on your No. You see what I'm saying? It's the eight of wands and then the card. Somebody focusing on something and then ending something, something getting transformed because somebody put all their energy. They knew exactly where to target and it's like no. That's exactly what it's like. It's like no. What is this energy here? I just can't say nothing else.

26

Three of Swords

heartbreak sorrow

So, it's a truth. It is a truth that somebody's just going to have to face. It is what it is with that. What is this energy?

27

Four of Cups

apathy reflection

I hate to say that, but it shows two of cups and the card. It's someone here that's like close, but I don't know how to say. What about the card?

28

The Chariot

willpower drive

Cancer energy. Damn. They are going to weigh that down. I don't care if it's a business. Don't tell them what you're doing. That is not your friend. You work at this business and you telling them that you about to open this other business. No. I mean, you can do what you want to do, but you just never know who you telling what to. You just never know. But if you know if there's a controlling force over you. That's not mistaken. Okay.
