HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

Four of Wands

Four of Wands: **celebration** · **home**

It's not gonna resonate with everyone, but if it does take a goes and please leave what does not we have the four of wands

02

The Empress

The Empress: **nurturing** · **abundance**

the empress and

03

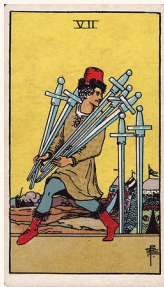

Two of Cups

Two of Cups: **partnership · union**

The two of cups It looked like somebody's home like with the empress The two of cups is a very close relationship. I don't want to assume that it's intimate. I Don't want to assume that But the four wands is a goal that has been met with the empress like the goal it seems to be was the connection or to be home with them or to be closer to them or to Is something that has been like earned like now it could be it could be Intimacy it could be it doesn't have to be But whatever it was it was earned Okay, or it could be like the empress blessing Over a relationship it could be Whatever it is it was earned and there is connection there and there is love and there is abundance and there is a sense of achievement What is this energy? What is this energy?

04

Seven of Swords, Six of Pentacles

Seven of Swords: **deception · strategy**

Six of Pentacles: **generosity · giving**

We have the seven of swords the six of Pentacles

05

Nine of Swords

Nine of Swords: **anxiety · worry**

The high were five the nine of sword

06

Nine of Wands

Nine of Wands: resilience · persistence

Why did I not a sword like that and then the nine of wands? Nice look like somebody was worried about a marriage like I don't know why that just came through like that But it really looks like somebody was worried about a marriage or worried about some type of bond coming together or worried about the marriage of energies Like it looks like they're were how can I say someone found a way? This seven of sword doesn't seem to be something bad. It just seems to be that someone had to Figure out a way to do something they had to figure out a way Like how can I say thinking outside the box exactly somebody had to think outside the box in order? to figure this out Because it's some type of blessing That it feels like a person is getting some type of blessing through this Empress it feels like this Empress has Some type of authority where they can say yes or no and Empress is saying yes because of someone's Ability to think outside the box. This is some crazy shit right here. I don't know who this is but this is like wow

07

The Lovers

The Lovers: union · a choice

Okay, and then we got the lovers at the bottom. You know about the thodeys cards We got the lovers at the bottom like I said either This is someone that is getting with the Empress because they earned it or the Empress is blessing somebody's relationship I don't know which one it is but It really looks like somebody is going to show their power or their strength or gonna they're gonna show Their persistence. They're going to show Something here they're going to show something that the Empress is gonna be like yes I don't know. Yeah, I don't have to really read between the lines with that. Okay, whatever it is The Empress is gonna be like yes, what's this energy here? I Don't know. Maybe somebody do need to think outside the box Maybe that's maybe that's the directions because that's what it looks like to me And then it's right to the six of Pentacles right after that seven to sword like I don't feel like the seven of sword the seven Sort is anything negative. I feel like it's a matter of not giving up and Thinking outside the box in order to get and it's not lying It is someone thinking outside the box. That's what this seven of sword is giving me

08

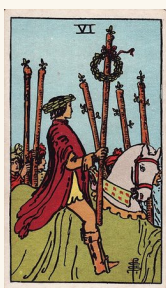

Ten of Cups

Ten of Cups: harmony · family

Because the first three cards and look it's the ten of cups the first three cards is just very positive That seven of sword had to be someone that says Like okay, I got it like it's it's something different. I don't know Or maybe it's a way that somebody can see something or maybe somebody is reading between the lines like maybe somebody's doing that and the Empress is noticing that Maybe it's not more than that Maybe it's just the fact that you understand on a different level the seven of sword is so complex It's more than just manipulation and lies a lot of times. Yes, it is a lot of times it is A lot of times, but this right here. No, this is someone that The seven of sword sometimes For me can depict a genius now. It's rare. It's rare but Sometimes and right I'm not gonna say like somebody's a genius, but maybe somebody's a genius when it comes to this Empress Maybe somebody's a genius when it, you know as far as this Empress is concerned

09

Six of Wands

Six of Wands: victory · recognition

We have the six of wands energy Because at the end of the day the Empress is there and she's right next to this tool cups and she's looking at this tool cups She either is giving a blessing to a relationship or she's accepting a relationship into her life because somebody just gets it On another level. What is this energy?

10

Four of Cups

Four of Cups: apathy · reflection

We have the four of cups energy

11

Seven of Cups

Seven of Cups: choices · illusion

Oh my goodness. I forgot to put the seven of cups Back upright I had a reading yesterday and the seven of cups came out in reverse Or it fell on the floor and it came out in reverse and I put it on a table and I forgot to put it back But now it's back out here in reverse again. So that's a good thing The seven I need to turn this back around But the seven of cups in reverse in this reading shows that a person can see through the illusion a person is not a person is not confused or It's like they can see through the illusion or they can see through something pertaining to this Empress or

12

The High Priestess

The High Priestess: intuition · the unseen

It's like I feel like it's borderline high priestess energy It's borderline because of that seven is borderline high priestess energy Like it ain't you know high priestess energy is about knowing a lot more you know then Is I'm just gonna say a lot more high priestess energy is about knowing a lot more this is like zeroed in on like just this Empress and Understanding or seeing through or it's What is this and I was a confirmation? What is this energy? We have the page of sort page of sort is is someone as watching someone that's looking someone that's taking note Someone has gathering information and they're right next to the seven of cups in reverse. They see That you can see through Whatever it is they see That you understand like I don't know that's a how can I say that's a different feeling in itself Like even to if even to be with somebody that completely understands you or to Get to a position. Let's say what if this emphasis like a mother? And she finally knows that her child gets it or something like that. That's a big-ass deal Do you understand the connection to the universe? I'm just saying That's a big-ass deal For something for the Empress to trust and let someone in their garden like that Hey, they see they see They're looking they see they you understand I Don't know who this reading is for but how about it they got there That's a blessing though. What is this energy?

13

Two of Pentacles

Two of Pentacles: balance · juggling

We have the two of Pentacles and we have the hangman energy so maybe it's something about like a person changing their mind and You know things things change when connections are made Should just start happening. I don't know how to explain it But when connections are made I Don't know. I mean I guess I already said I can't go

14

Justice

Justice: truth · accountability

I can't even say beyond that like shit just our habit justice. I'm just come on just throw the cards Justice at the bottom of the deck the energy is balanced Whatever it is this Empress is good the Empress is not settling The Empress is not sacrificing anything the Empress sees that somebody has lived up to what the like I Don't know how to say It's man. There's so many examples for this But I feel as though this Empress is The centerpiece of something and they are the ones that say yay or nay and they motherfucking saying yay right now They saying yes. Yes. Yes Because of something with this seven of sword and the fact that this seven of cups is in reverse it's something about sevens Seven Okay, seven is very extremely important in this reading Shit, let me see is there any other seven. I don't think I got any no I didn't get no other seven Okay, no What is this energy here No I run in tuition. This is something else, but I'm happy for whoever this is It's like damn like Should I turn this? Seven of cups back around or what because I'm glad to see it But I got to turn it back around unless I forget but yeah, five of a sword energy here. What is this energy?

15

Queen of Cups

Queen of Cups: compassion · empathy

We have the queen of cups energy So the queen of cups didn't have a problem. There was a problem any emotional problem there was but it's been closed out

16

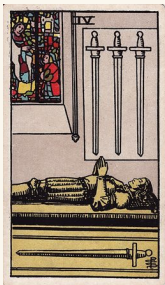

The World

The World: completion · cycle closing

Look at that stop laying with me stop laying the world car closes up the cycles. You see this for a sword at peace somebody resting Somebody's resting somebody can rest They can put the sword down they can chill the four sword is one of the best swords you can get for real like for relaxing your mind and like, you know Ver okay the opposite of this energy will be somebody that is off the wall cannot stop thinking going crazy and fear Running for a life. This is someone as resting. They still got the armor on But they resting though. There is rest and closing out the cycles and

17

Four of Swords

Four of Swords: rest · recovery

Just feeling good about the shit. It went from the five of sword queen of cups to the four of sword world card I'm telling you the problem day. It was an emotional thing a connection thing Could have been like just arguing or just disagreeing about some shit or just being at odds about some shit What is this energy?

18

Five of Wands

Five of Wands: conflict · competition

We have the five of wands. Yeah, it just it is coming out here There were problems because the first card was the four of wands. So whatever this was this is over This is over. It's over

19

The Magician

The Magician: willpower · manifestation

What is this and we have the magician Virgo Gemini. What is this?

20

Page of Wands

Page of Wands: discovery · eagerness

What is this energy? We have the page of wands Okay This looks like somebody that's manifesting something They're moving forward with something. What is this that they moving forward? Oh, is that an emotional thing right there? That's somebody going higher emotionally That's somebody walking away from some old shit And they're going higher. They're climbing the mountain And they're because you see the water going away. So it's something here that ain't you know It is the energy of a person connecting into something deeper

21

Eight of Cups

Eight of Cups: walking away · seeking

Because that's what the eight of cups really is about it is about being disillusioned But it's about going deeper sometimes You got to walk away from people to go deeper and sometimes You walk towards people to go deeper But you're the you know whoever did you know you got to have your own discernment because you have to know which way it is and the way it looks like somebody's walking towards a person And going deeper into the energy. I mean it is Saturn and Pisces So it ain't easy Saturn is not easy Saturn is the teacher Saturn is the one that's saying right now shit It might be time to walk away from some old emotions. It might be time to walk away from an illusion It might be time to walk away from how you felt Or however, whatever it was Because the seven of cups down here that shit is in reverse. That's not whatever was an illusion It is not an illusion. That's why somebody can be In the eight of cups damn there. I want to say that the seven of cups reverse Is the

gateway To this energy the seven of cups in reverse was the gateway for somebody to grow up because this is an energy of growing up emotionally And that's why I say sometimes you grow up and you realize you got to walk away Sometimes you grow up and you realize you have to connect

22

The High Priestess

The High Priestess: intuition · the unseen

And in this reading it is about connecting. I know it's about connecting. We even got the high priestess right here I know it's about connecting to the deeper mystery the deeper secret the deeper understanding of something That's what even this card is about the Saturn and Pisces energy I'm just saying All these mountains in this card This shit ain't easy. What is this energy here with this? Damn, I didn't drop the other handguard. What's this? This is what I can pick up This is learning experience It says surrender These are all the cards I drop And it says vulnerability and freedom That's a beautiful energy And what's at the bottom And it says clear cancel and release This is a whole new energy in this reading like this empress Is connected this empress loves whoever this is or they love you or The connection or their blessing your union their blessing something. This is a different energy. It's not the same no more I'm going to leave this one right here If you liked what I read please like share and subscribe. Thank you so much for your likes share and subscribe I truly appreciate it because it is how we get the messages out in order to elevate the collective Love you guys and I will be back with another reading later.
