

The Empress Is Giving Her Blessing

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

22 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **210** spoken beats. The same 22 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Four of Wands

celebration home

It's not gonna resonate with everyone, but if it does take a goes and please leave what does not we have the card The Empress and The two of cups It looked like somebody's home like with The Empress The two of cups is a very close relationship. I don't want to assume that it's intimate. I Don't want to assume that. There were problems because the first card was the card. So whatever this was this is over. It's over.

02

The Empress

nurturing abundance

But the four wands is a goal that has been met with the card like the goal it seems to be was the connection or to be home with them or to be closer to them or to Is something that has been like earned like now it could be Intimacy it could be it doesn't have to be. But whatever it was earned.

03

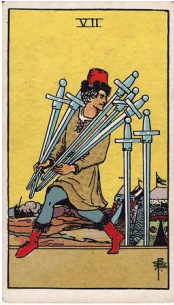

Two of Cups

partnership union

partnership and **union**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

04

Seven of Swords

deception strategy

We have the card the six of Pentacles The high were five the nine of sword Why did I not a sword like that and then the nine of wands? Nice look like somebody was worried about a marriage like I don't know why that just came through like that. But it really looks like somebody was worried about a marriage or worried about some type of bond coming together or worried about the marriage of energies.

05

Six of Pentacles

generosity giving

And then it's right to the card right after that seven to sword like I don't feel like the seven of sword the seven Sort is anything negative. I feel like it's a matter of not giving up and Thinking outside the box in order to get and it's not lying It is someone thinking outside the box.

06

Nine of Swords

anxiety worry

anxiety and **worry**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

resilience and **persistence**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

08

The Lovers

union a choice

You know about the thodeys cards We got the card at the bottom like I said either This is someone that is getting with The Empress because they earned it or The Empress is blessing somebody's relationship I don't know which one it is but It really looks like somebody is going to show their power or their strength or gonna they're gonna show Their persistence.

09

Ten of Cups

harmony family

Because the first three car and look it's the card the first three cars is just very positive That seven of sword had to be someone that says. Like okay, I got it like it's something different.

10

Six of Wands

victory recognition

It's rare but Sometimes and right I'm not gonna say like somebody's a genius, but maybe somebody's a genius when it comes to this The Empress Maybe somebody's a genius when it, you know as far as this The Empress is concerned We have the card energy.

11

Four of Cups

apathy reflection

We have the card energy my goodness.

12

Seven of Cups

choices illusion

I forgot to put the card Back upright I had a reading yesterday and the card came out in reverse Or it fell on the floor and it came out in reverse and I put it on a table and I forgot to put it back. But now it's back out here in reverse again. So that's a good thing The seven I need to turn this back around.

13

The High Priestess

intuition the unseen

But the seven of cups in reverse in this reading shows that a person can see through the illusion a person is not confused or It's like they can see through the illusion or they can see through something pertaining to this The Empress or It's like I feel like it's borderline the card energy It's borderline because of that seven is borderline the card energy.

14

Two of Pentacles

balance juggling

We have the card and we have the hangman energy so maybe it's something about like a person changing their mind and You know things change when connections are made Should just start happening. I don't know how to explain it. But when connections are made I Don't know.

15

Justice

truth accountability

I mean I guess I already said I can't go I can't even say beyond that like shit just our habit the card. I'm just come on just throw the cards the card at the bottom of the deck the energy is balanced Whatever it is this The Empress is good The Empress is not settling The Empress is not sacrificing anything The Empress sees that somebody has lived up to what the like I Don't know how to say. It's man.

16

Queen of Cups

compassion empathy

So the card didn't have a problem.

17

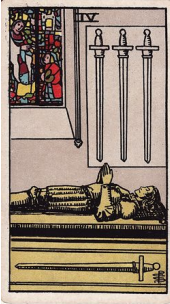

The World

Four of Swords

rest recovery

rest and **recovery**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

19

Five of Wands

conflict competition

Yeah, it just it is coming out here.

20

The Magician

willpower manifestation

What is this and we have the card Virgo Gemini. What is this energy?

21

Page of Wands

discovery eagerness

Okay This looks like somebody that's manifesting something They're moving forward with something. What is this that they moving forward? Is that an emotional thing right there? That's somebody going higher emotionally That's somebody walking away from some old shit. And they're going higher. They're climbing the mountain. And they're because you see the water going away. So it's something here that ain't you know.

22

Eight of Cups

walking away seeking

Because that's what the card really is about it is about being disillusioned. But it's about going deeper sometimes You got to walk away from people to go deeper and sometimes You walk towards people to go deeper. But you're the you know whoever did you know you got to have your own discernment because you have to know which way it is and the way it looks like somebody's walking towards a person. And going deeper into the energy.
