HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

The World

The World: **completion** · **cycle closing**

We have the eight of ventacles, the world card, and then the four of cups. Look like somebody is leaving behind a profession. They're leaving behind something they mastered.

02

Four of Cups

Four of Cups: **apathy** · **reflection**

The four of cups shows me that somebody doesn't, doesn't want to do something anymore. They don't want it anymore. What is this four cups? What is this four cups? Somebody doesn't care about it anymore,

03

Nine of Cups

Nine of Cups: wishes · contentment

but we got the nine of cups though. There's something they're moving on to that they actually do care about. Let me get one more with this four cups, and then we got the eight of ventacles. So what is it like a new eight of ventacles or is it, it's almost making me feel like somebody doesn't have a choice but to close it out whether they like it or not. Somebody could really love what they do, but they don't agree with the fact that they have to close it out. Somebody doesn't want, it could be something about retirement. It doesn't have to be. The world card sometimes can represent Saturn returns. You know, I think that's what in your early 30s and then what is it? 50s or something like that, I forget. But it's something along the lines like somebody doesn't, somebody actually is not ready. They're not ready to close the cycle. That's really what I'm getting. It's not that they don't, they're so ready to close this and they don't want to do this no more. It's that they, they really don't want to close it. It's coming too soon. They don't want to close the chapter perhaps. What is this energy? No, no, no. What is this energy here?

04

Seven of Cups, The High Priestess

Seven of Cups: choices · illusion

The High Priestess: intuition · the unseen

We have the seven of cups energy. We have the high priestess. We have the night of wands energy.

05

Nine of Swords, Judgement

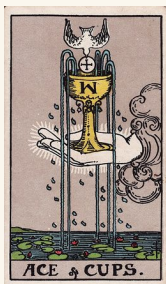

Nine of Swords: anxiety · worry

Judgement: reckoning · awakening

We have the judgment card. And then we have the nine of sword. Damn, it's like the high priestess can see, I don't know if it's some type of games that's being played. I don't know if somebody there can ceiling something. Like I feel like there is some type of foul play here. I don't think this is a retirement at all. I think there's some type of foul play here. And the high priestess can see through

all of these type of illusions. They already saw something coming. It's like, it's he, it even looks like a person is being sent to tell another person that either they've been fired, they've been let go. There's my goodness. It's like no avoiding the ending, no avoiding it.

06

Ace of Cups

Ace of Cups: new love · feeling

We have the ace of cups here though. So that's good news. What is this energy? We have the page of wands. It could be a new, oh no, not the five of pinnacles. I need to get the rest of this line then.

07

King of Wands, King of Cups, The Magician

King of Wands: vision · leadership

King of Cups: emotional mastery · calm

The Magician: willpower · manifestation

We have the king of wands energy. We have the magician, the king of cups. And then it's the nine of wands energy. It almost looks like someone has to start over or they got a, they're going to get

08

Page of Wands

Page of Wands: discovery · eagerness

another chance by a king of wands. Like this, this page of wands is going to have another chance. And it's a king of wands that's going to give them another chance. Like another chance, like how can I say, maybe not a chance at this other, whatever this is closing out, but it's like this king of wands is going to see that this page of wands needs help. They're going to see that. And they're going to be able to do whatever they can. Like as far as with them with this magician, they're going to be able to create a different outcome or help in some type of way, maybe to strengthen this page of wands or give them some type of trade or get something that they're going to be given so they'll always be good. Like as far as financially, because I think that whatever the job is, a person did not want to leave this behind. It was a perfect job for them or they really loved it, but it wasn't. Clearly it wasn't

the moment for that. Clearly, there's something greater. And this page of wands is going to have someone to show them or someone to be there. I don't know if this person is older in age or just older in energy, but this page of wands is going to heal their money, their body, whatever it is, they're

09

The High Priestess

The High Priestess: intuition · the unseen

going to heal. And I do feel like there was some type of foul play here. I feel like the high priestess knows that even though they tried to conceal it is something here that is known, but it is okay because that wasn't your path anyway. It was your path maybe to experience that so you could just have something better. You could know that you deserve something better. But if it was that easy for them to just get rid of somebody like that, I don't know that may not have been your place like that. I'm just saying, there's something better. There's something better. What is this energy here?

10

Two of Cups, The Lovers

Two of Cups: partnership · union

The Lovers: union · a choice

We have the lovers, Gemini energy, also the card of choice. What is this? Two of cups. Wow. That looks like a very close relationship right there. A very close relationship. And you know what the whole time I'm thinking that this is a job or a profession or something because of that eight of pinnacles, it could have been a relationship that closed out because it just had to close out. It could happen and it could be that someone is about to gain a better partner because whatever this is, it just has to end because it's not aligned. Even if somebody didn't want to let it go and it was happy with it, there's something that was concealed that this high priestess, they know, they know what it is. I don't know. This night of wands, it doesn't seem like somebody either was sent in or somebody made a quick decision. That's a possibility with this night of wands. But judgment in the nine of swords is like, that's not going to work. That's not going to work at all. But there is new love, ace of cups. And then the page of wands and then the king of wands could be somebody younger and older, but they're going to help this page of wands. They're going to strengthen this page of wands because they can do that. What is this energy?

11

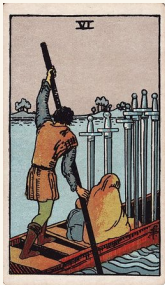

Strength

Strength: inner strength · controlled force

We have this strength card. And I just said they're going to strengthen the pager wands. So pager wands just has a young energy when it comes to something or it could be something new that they haven't done or something, I mean, like something they're just new at or they need guidance or something like that. But they're about to get that. This pager wands or it could be the high priestess, whoever this is, that's ending something that has to end. It's something that just has to end. It sounds so sad, but you're going to get something way better. We have

12

Six of Swords

Six of Swords: transition · moving on

the six of swords. And this is the way forward. This is the will of fortune. You see, it's crazy when

13

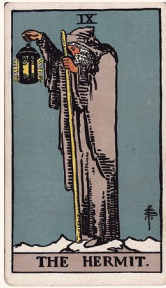

Seven of Cups

Seven of Cups: choices · illusion

how can I say this? It feels like if you knew what was concealed in that seven of cups, it wouldn't feel so bad, why the relationship is ending. That's what I believe in this reading. But because it's concealed, or you may have an idea, but you don't have the facts, you don't have the proof or something like that. Yeah. But I feel like if you knew it wouldn't be so hard or it wouldn't feel like you're losing something, it wouldn't be something you don't want to let go. It's something that just has to be let go. So you can get something better, so you can strengthen, so you can go further. What is this energy? Matter of fact, let me get this other deck. What is this energy? We have the seven of Pinsicle's energy here.

14

The Hermit

The Hermit: solitude · inner wisdom

We have the Hermit Virgo was looking at their investments.

15

The Star

The Star: hope · renewal

Yes, they are. They could be looking and then we got the star, Aquarius energy. What is this energy here? And then we got the eight of Pinnacles. Somebody deserves the eight of Pinnacles. It's just not, that's not the right person. So you deserve the eight of Pinnacles, but it has to close out because they're not being truthful, they're not being real, or they're doing something shady, or they did something shady, but you do deserve the eight of Pinnacles, but it's a star here. It's like your real wish fulfillment, like the real thing, the real thing, no mistake in this kind of energy right here. There's somebody you tried to perfect it with and you may have been perfecting what you got to perfect, but that person was not that person was hiding something. And you're going to get the right relationship with the right person, which are total wish fulfillment, but it's not this person. That's all I can say. It's not this person. Is somebody that can either be older or they have experience in something that you may be trying to get experience in, or it's just something about passion and a growing passion, but this is about strengthening at the end of the day. And that this other person is not strengthening anything. What is going on here? We have the Hangman energy and we have the lovers here. Somebody is definitely looking at a relationship differently or they're going to, they're going to, they're going to hangman in the lovers. I can't even show the lovers card.

16

The World

The World: completion · cycle closing

They ain't got no clothes on. What is this energy here? What's going on? We got the world card. So it's true. It really is a relationship that you got to close out because it's not taking you anywhere.

17

Judgement

Judgement: reckoning · awakening

We got judgment. It's not taking you anywhere. It's not going anywhere. It's not doing anything for you or this person is lying and you just deserve better and it doesn't have to be something terrible. It doesn't have to be something where you just want to hurt somebody. It doesn't have to be. It could just be something that you're at peace with. It could just be something that you just feel that you may not know exactly what it is, but you're like being released or something like that.

18

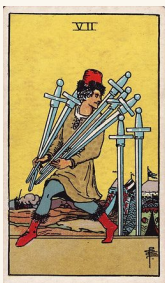

Temperance

Temperance: balance · patience

For a good reason. We have temperance here, Sagittarius. Yeah, on your path. Look at that. On your path. Clearing your path, cleansing your path, balance on your path, creating on this new path. Because of whatever that seven of cups contains, it's like you may not even ever find out, but it doesn't even matter because maybe that just was not your person. Maybe you knew some things which you didn't know everything. What is this energy here? Let me get a few more from this deck.

19

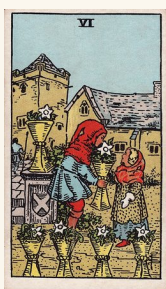

Seven of Swords

Seven of Swords: deception · strategy

We have the seven of swords. What is this energy here? What they line about? We got the queen of swords. So somebody's like a master manipulator kind of thing or they just didn't say everything,

20

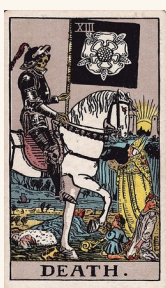

Six of Cups

Six of Cups: **nostalgia** · **innocence**

or they hid information. We have the six of cups energy. We have the page of Wang's energy. So the page of Wang's is the one that's going to a new relationship. It's something in the past. This page of Wang's is very connected to this person that's just lying. They're like a liar manipulator, but the page of Wang's really feels a connection with them because they're a liar. But if this person was honest, if they were truthful, you wouldn't feel that connection with them. That's what I'm saying. They did a good job at hiding something here. We got the strength

21

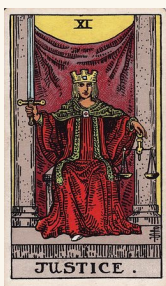

Death

Death: **endings** · **transformation**

card. This is a test and it's about overcoming. It is your strength. We got the death card. This is transformation. It's time to go. It's time to move forward. It really is. It's time to let go. I even want to say let go of an old identity. Yeah, that too. It's time to let go of an old identity. We

22

Justice

Justice: **truth** · **accountability**

got justice and we got to 10 up in the course. Like it's time to claim what's yours. It's time to say it all the way. It's time to go all the way. What is this energy? It says guardian angel. You're definitely being guided and it says opportunity and change. I don't know how it's going to close out but it's going to and it's literally giving let it just let it go and just understand like I don't know what is going to be revealed. But I really do think there like if you knew everything this wouldn't be an issue it wouldn't even be hard to make a decision but there's just things that literally feel like they're going to remain concealed just to protect your energy just to protect your your soul pretty much that's what it feels like but I'm going to leave this one right here. Issue you like what did I re-please like share and
