

ITS ENDING BC THEY WERE LYING

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **126** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

The World

completion cycle closing

The card sometimes can represent Saturn returns. You know, I think that's what in your early 30s and then what is it? 50s or something like that, I forget. But it's something along the lines like somebody doesn't, somebody actually is not ready. They're not ready to close the cycle. That's really what I'm getting. It's not that they don't, they're so ready to close this and they don't want to do this no more.

02

Four of Cups

apathy reflection

We have the eight of ventacles, The World card, and then the card. Look like somebody is leaving behind a profession. They're leaving behind something they mastered. The card shows me that somebody doesn't, doesn't want to do something anymore. They don't want it anymore. What is this four cups? What is this four cups?

03

Nine of Cups

wishes contentment

Somebody doesn't care about it anymore, but we got the card though. There's something they're moving on to that they actually do care about. Let me get one more with this four cups, and then we got the eight of ventacles. So what is it like a new eight of ventacles or is it, it's almost making me feel like somebody doesn't have a choice but to close it out whether they like it or not.

04

Seven of Cups

choices illusion

It feels like if you knew what was concealed in that the card, it wouldn't feel so bad, why the relationship is ending. That's what I believe in this reading. But because it's concealed, or you may have an idea, but you don't have the facts, you don't have the proof or something like that. Yeah. But I feel like if you knew it wouldn't be so hard or it wouldn't feel like you're losing something, it wouldn't be something you don't want to let go.

05

The High Priestess

intuition the unseen

We have the night of wands energy. Damn, it's like the card can see, I don't know if it's some type of games that's being played. I don't know if somebody there can ceiling something. Like I feel like there is some type of foul play here. I don't think this is a retirement at all. I think there's some type of foul play here. And the card can see through all of these type of illusions. They already saw something coming.

06

Nine of Swords

anxiety worry

But Judgement in the card is like, that's not going to work. That's not going to work at all.

07

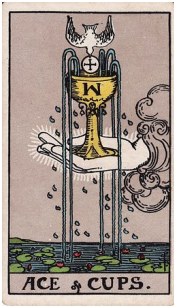

Judgement

reckoning awakening

It's not taking you anywhere. It's not going anywhere. It's not doing anything for you or this person is lying and you just deserve better and it doesn't have to be something terrible. It doesn't have to be something where you just want to hurt somebody. It doesn't have to be. It could just be something that you just feel that you may not know exactly what it is, but you're like being released or something like that. For a good reason.

08

Ace of Cups

new love feeling

So that's good news. What is this energy? But there is new love, the card.

09

King of Wands

vision leadership

It almost looks like someone has to start over or they got a, they're going to get another chance by the card. And it's the card that's going to give them another chance. Like another chance, like how can I say, maybe not a chance at this other, whatever this is closing out, but it's like the card is going to see that this page of wands needs help. They're going to see that. And they're going to be able to do whatever they can.

10

King of Cups

emotional mastery calm

emotional mastery and **calm**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

The Magician

willpower manifestation

Like as far as with them with the card, they're going to be able to create a different outcome or help in some type of way, maybe to strengthen this page of wands or give them some type of trade or get something that they're going to be given so they'll always be good. Like as far as financially, because I think that whatever the job is, a person did not want to leave this behind. It was a perfect job for them or they really loved it, but it wasn't.

12

Page of Wands

discovery eagerness

It could be a new, no, not the five of pinnacles. I need to get the rest of this line then. Like this, the card is going to have another chance. And the card is going to have someone to show them or someone to be there. I don't know if this person is older in age or just older in energy, but the card is going to heal their money, their body, whatever it is, they're going to heal. And I do feel like there was some type of foul play here.

13

Two of Cups

partnership union

Wow. That looks like a very close relationship right there. A very close relationship. And you know what the whole time I'm thinking that this is a job or a profession or something because of that eight of pinnacles, it could have been a relationship that closed out because it just had to close out. It could happen and it could be that someone is about to gain a better partner because whatever this is, it just has to end because it's not aligned.

14

The Lovers

union a choice

We have the card, Gemini energy, also the card of choice. We have the Hangman energy and we have the card here. Somebody is definitely looking at a relationship differently or they're going to, they're going to hangman in the card. I can't even show the card. What is this energy here?

15

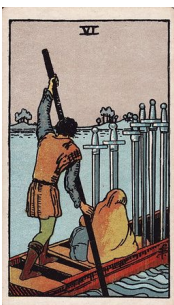

Strength

inner strength controlled force

And I just said they're going to strengthen the pager wands. So pager wands just has a young energy when it comes to something or it could be something new that they haven't done or something, I mean, like something they're just new at or they need guidance or something like that. But they're about to get that. This is a test and it's about overcoming. It is your card.

16

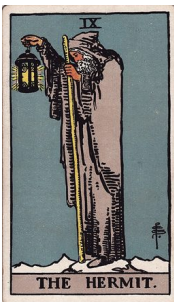

Six of Swords

transition moving on

And this is the way forward. This is the will of fortune.

17

The Hermit

solitude inner wisdom

We have the card Virgo was looking at their investments.

18

The Star

hope renewal

They could be looking and then we got the card, Aquarius energy. What is this energy here? And then we got the eight of Pinnacles. Somebody deserves the eight of Pinnacles. It's just not, that's not the right person.

19

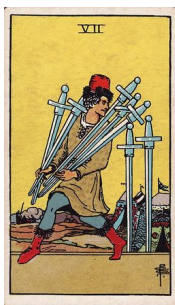

Temperance

balance patience

Yeah, on your path. Look at that. On your path. Clearing your path, cleansing your path, balance on your path, creating on this new path.

20

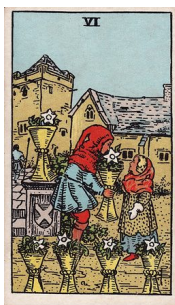

Seven of Swords

deception strategy

What is this energy here? What they line about?

21

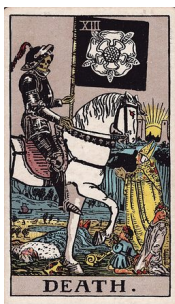

Six of Cups

nostalgia innocence

We have the page of Wang's energy. So the page of Wang's is the one that's going to a new relationship. It's something in the past. This page of Wang's is very connected to this person that's just lying. They're like a liar manipulator, but the page of Wang's really feels a connection with them because they're a liar. But if this person was honest, if they were truthful, you wouldn't feel that connection with them. That's what I'm saying.

22

Death

endings transformation

This is transformation. It's time to go. It's time to move forward. It's time to let go. I even want to say let go of an old identity. Yeah, that too. It's time to let go of an old identity.

23

Justice

truth accountability

We got the card and we got to 10 up in the course. Like it's time to claim what's yours. It's time to say it all the way. It's time to go all the way. What is this energy? It says guardian angel. You're definitely being guided and it says opportunity and change. I don't know how it's going to close out but it's going to and it's literally giving let it just let it go and just understand like I don't know what is going to be revealed.
