01

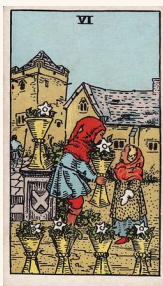

Judgement

Judgement: **reckoning** · **awakening**

>> We have judgement out here first.

02

Six of Cups

Six of Cups: **nostalgia** · **innocence**

We have the six of cups energy.

03

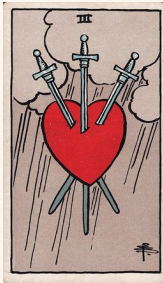

King of Swords

King of Swords: authority · truth

And then we have the king of swords. So it looks like this king of sword is really went through when it comes to a relationship or deep connection. It's like they can't escape something. I don't know if it's good. I mean it seems like it's a deep connection, but is this a positive thing cuz judgement was first? I mean the six of cups is good though. Maybe the the king of sword is uniting with somebody or the king of sword is

04

Three of Swords

Three of Swords: heartbreak · sorrow

Oh, no. We got the three of sword. And I was clarifying the six of cups. No, it's something about a deep relationship that is a truth, but it hurts. It hurts. It's something really deep. It's something that cuts really deep. And it's judgement. It's very serious, so I don't think I guess it's not good. I guess this is not about freedom for

05

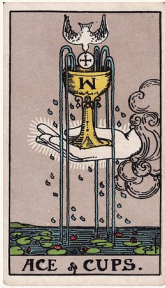

The World

The World: completion · cycle closing

this king of sword. We have the world card here. So looks like there is a cycle closing. And it's finished. It's done. And maybe this is not what they wanted. Maybe they didn't want the cycle to close. They didn't want this truth. They didn't want it to be true. Something about a deep connection or a close connection or a connection from the past. But it's judgment here. Oh damn, I got judgment again right here. After the world. What is this energy with the King of Swords? What is the King of Swords going through?

06

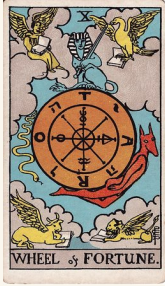

Ace of Cups

Ace of Cups: new love · feeling

The Ace of Cups. Let me get something here. So

07

Wheel of Fortune

Wheel of Fortune: cycles · turning point

What is this? And then the Wheel of Fortune. Well, I guess it does mean someone can go be with somebody else. Or they can go try again with somebody else. Or they can get a new chance. It's something new for the King of Swords. It is. I mean, whatever it is um that happened in the past or that relationship, that joint is gone. Look, confirmation. That joint finished. It's okay. What that's closing out, it's not a bad thing. It's a good thing. I thought it was a bad thing cuz I saw that three of Swords. But maybe it's not bad for the King of Swords. Maybe it's just a bad situation. You know, maybe it's just a situation they can't control. And you know, you got to move on. Got to wake up to the truth. Cuz this judgment is very serious. Like that's like waking up out the grave. Like you can't sit in there. Like once, you know, once you hear the calling, it's time to go. Let me get something here.

08

Seven of Wands

Seven of Wands: defense · courage

We have the Seven of Wands. Wait, that's two cards.

09

Three of Cups

Three of Cups: friendship · celebration

We have the three of Cups.

10

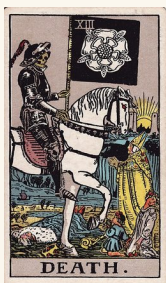

The Lovers

The Lovers: union · a choice

And then it's the Lovers. So Gemini energy here. But it just look like somebody able to to fight for some type of friendships or some type of community. It looks like someone's focus is going to shift, perhaps. And maybe that's a good thing. Like, maybe that's a good thing. Not maybe. I think that's a good thing. If I ask about the King of Swords and the Ace of Cups and the Wheel of Fortune come out, this is a good reading for the King of Swords. It may be a little painful what has to be left behind or who has to be left behind, but the King of Swords has to make this decision. You know, King of Swords, they understand it is what it is. Like, they got to do what they got to do, take the feelings out of it. That's how it is with this King of Swords. King of Swords could be really going through a lot. Really could be perhaps feeling numb about something. But, the Ace of Cups is there and the Wheel of Fortune. So, this is a lucky Uh, it's a painful but lucky period. If someone can face the truth and move forward because I see other relationships here with this Three of Cups and the Lovers. I see that.

11

Death

Death: endings · transformation

Oh, [h__h] We got the Death card at the bottom. What is this energy here?

15

Seven of Cups

Seven of Cups: **choices** · **illusion**

Seven of Cups, and then the Two of Cups? That's not good. That sounds terrible for like a relationship or whatever this is that's being left behind. There may be some things that you really did not know about this person. What is this energy? Or they were hiding things. We have the eight of swords energy here.

16

Seven of Pentacles

Seven of Pentacles: **patience** · **investment**

We have the seven of pentacles.

17

The Star

The Star: **hope** · **renewal**

And we have the star Aquarius energy. It is about your elevation, your ascension, but I don't think it's going to be with whoever this is in the past. Not this one. It look like somebody's going to focus on their investments. They're going to focus on themselves. They're going to focus on building what they got to build. It has something to do with the 11th house. I'm telling you it's like community, groups, uh the collective, um being out and about with like I'm telling you. It's something where this devil energy, that's over.

18

The World

The World: **completion** · **cycle closing**

We already saw the world card. That cycle is going to close. And it's going to be time for Okay, let's say it's going to go from Capricorn energy to Aquarius energy. Like it's going to go from like lockdown energy, structured, you know, things got to be rigid, and you know, they got to be whatever. And the star breaks all that free. So, whatever it is that a person needs to break free from, it's necessary because there's something that you're meant to do with the star energy. There's something that you're meant to do. It's bigger than this relationship. The relationship is attached perhaps to the old you. What is this energy?

19

Two of Swords

Two of Swords: **stalemate** · **indecision**

We have the two of sword.

20

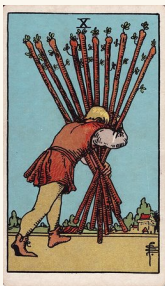

The Fool

The Fool: **new beginnings** · **leap of faith**

We have the fool card. It's like somebody may not understand why this new beginning is happening like this. Cuz the two of swords came out and that's usually like when someone is confused about something. Or I wouldn't even say this is about a choice cuz the fool card is there. The fool card is a new beginning. There's nothing you can do about when God says you about to have a new beginning in your life. There's nothing you can do about it when God says your karma is clear. You did what you had to do. This is your new life. There is nothing you can do about it. You just accept it and you smile and you be thankful. But there's it's just weird how something happens. That's all I'm saying. It's just weird how something happens or how somebody has to wake up to the truth. But it's just going to cause someone to focus on themselves which is what needs to happen. That's what needs to happen. What is this energy? It's something about Aquarius energy. It may be very significant in your chart.

21

Ten of Wands

Ten of Wands: **burden** · **responsibility**

We have the ten of wands. That's putting all your energy into something. Then we

22

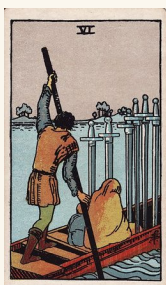

Queen of Pentacles

Queen of Pentacles: **nurturing** · **practical**

have the queen of pentacles here. Okay, wait a minute. The cards is flipping. Where did Okay. What is this?

23

Six of Swords

Six of Swords: **transition** · **moving on**

And then we have the six of swords energy. So queen of pentacles knows the way. Queen of pentacles knows they have to shift energy or they have to How can I say? They have to go from one place to another. They know the right way. It's just there was a blockage and the blockage was there because there was an illusion there.

24

Nine of Wands

Nine of Wands: **resilience** · **persistence**

And then we have the nine of wands energy. So it looks to me like somebody's absolutely aware of what they are creating, what they're manifesting and they just couldn't manifest it with this devil energy, whoever that is. Whatever that is. It's like I feel like this is bittersweet. It's like I don't want to say it like that, but I'm sorry. It feels like losing a loved one. It feels like losing a loved one so that you can finally But that sounds so sad, y'all, but that [h__h] happens. But it is. It's like losing a loved one so that you can do what you couldn't do with them. And I don't know in what kind of way I'm just remembering that I saw the death card. I don't know in what kind of way somebody you lose somebody, but it is just important for your own life. If you don't Oh, God. It sounds so terrible, but what the hell can I do? It's like if whatever this is, whatever it is, if it doesn't happen, you will not move on to your purpose. You will not fulfill your purpose, because whatever this is will not let you. So, it's like a bittersweet kind of thing, because sometimes when we don't know the truth, like let's

say you're And I just say This is just an example, like please people don't trip. Let's say you're with somebody that's a cheater. And you don't know they're a cheater. You're sitting here being loyal to this person. You're doing everything, everything, everything, and at the same time it's holding you back from your own purpose. Something might happen. Okay? Something might happen, and you might not even know that this person was doing you wrong the whole time, but this [h__h] still happens anyway. And it might not even be that situation. I'm just giving a scenario, but it is giving like

25

King of Swords

King of Swords: authority · truth

this King of Swords might not understand, but they know what they got to do. They might not understand why certain things happen the way that they happen, but they know what they got to do. Like they might not even have known that this was a binding force. They may not have even know like who I'm talking about is the King of Swords. King of Swords or the Queen of Pentacles may not have even known that that was a binding force. May not have even known that. May not have even known the contract that was there. But when the [h__h] is up, it's up. And crazy thing is, like I said, the King of Swords or this Queen of Pentacles, they know exactly what to do. You know because it's almost like if you weren't in that situation, what would you do? If you weren't with that person, what would you do? That's what I'm talking about. That's the thing I'm talking about. That is being held back. And I don't know what's going It just it just feel like some [h__h] is coming. It just feel like some [h__h] is coming. That's all I'm saying. It just feel like it's coming. I don't know. What is this energy? Matter of fact, let me get a angel message because that is the energy. It says inner child healing. So, it could be something about family. I didn't even consider that. And it says sacred plan. And they both look like they're holding the Well, this one is definitely holding the child, but this one look like it's holding something. You know what I mean? Like I don't know. Something being there and then not. I don't know. That's why I'm saying I'm I don't want to say certain things. I'm going to leave this one right here. If you liked what you heard, please like, share, and subscribe. Thank you so much for your likes, shares, and subscribes.
