

It's Ending So You Can Fulfill Your Purpose

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **684** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

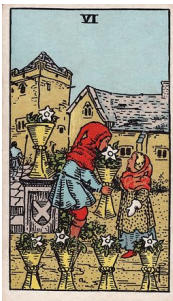

Judgement

reckoning awakening

We have the card out here first. I mean it seems like it's a deep connection, but is this a positive thing cuz the card was first? And it's the card. It's very serious, so I don't think I guess it's not good. But it's the card here. Damn, I got the card again right here. Cuz the card is very serious. Like that's like waking up out the grave. Like you can't sit in there. Like once, you know, once you hear the calling, it's time to go.

02

Six of Cups

nostalgia innocence

I mean the card is good though. No, it's something about a deep relationship that is a truth, but it hurts. It's something really deep. It's something that cuts really deep.

03

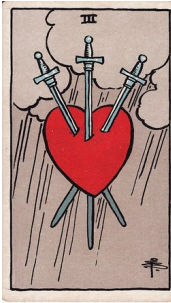

King of Swords

authority truth

So it looks like the card is really went through when it comes to a relationship or deep connection. It's like they can't escape something. I don't know if it's good. Maybe the card is uniting with somebody or the card is no. I guess this is not about freedom for the card. What is this energy with the card? What is the card going through? It's something new for the card. It is.

04

Three of Swords

heartbreak sorrow

I thought it was a bad thing cuz I saw that the card.

05

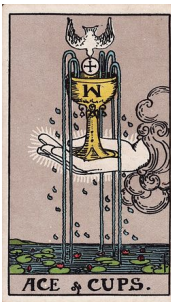

The World

completion cycle closing

So looks like there is a cycle closing. And it's finished. It's done. And maybe this is not what they wanted. Maybe they didn't want the cycle to close. They didn't want this truth. They didn't want it to be true. Something about a deep connection or a close connection or a connection from the past. We already saw the card. That cycle is going to close. Okay, let's say it's going to go from Capricorn energy to Aquarius energy.

06

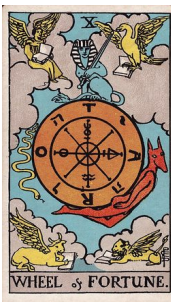

Ace of Cups

new love feeling

Let me get something here. So.

07

Wheel of Fortune

cycles turning point

Well, I guess it does mean someone can go be with somebody else. Or they can go try again with somebody else. Or they can get a new chance. If I ask about the King of Swords and the Ace of Cups and the card come out, this is a good reading for the King of Swords. But, the Ace of Cups is there and the card. So, this is a lucky it's a painful but lucky period.

08

Seven of Wands

defense courage

Wait, that's two cards.

09

Three of Cups

friendship celebration

friendship and **celebration**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

10

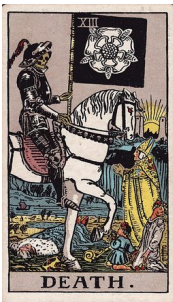

The Lovers

union a choice

And then it's the card. So Gemini energy here. But it just look like somebody able to fight for some type of friendships or some type of community. It looks like someone's focus is going to shift, perhaps. And maybe that's a good thing. Like, maybe that's a good thing. Not maybe. I think that's a good thing. If someone can face the truth and move forward because I see other relationships here with this Three of Cups and the card. I see that.

11

Death

endings transformation

We got the card at the bottom. What is this energy here? And I don't know in what kind of way I'm just remembering that I saw the card. I don't know in what kind of way somebody you lose somebody, but it is just important for your own life. If you don't God. It sounds so terrible, but what the hell can I do? It's like if whatever this is, whatever it is, if it doesn't happen, you will not move on to your purpose.

12

The Devil

bondage attachment

What's going on here? It's something where the card energy, that's over.

13

Eight of Swords

restriction fear

Damn, that must be the truth that somebody is going to find out.

14

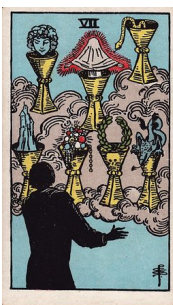

Two of Cups

partnership union

And then it's the card.

15

Seven of Cups

choices illusion

So, The Devil, the Eight of Swords, the card, and then the Two of Cups? That's not good. That sounds terrible for like a relationship or whatever this is that's being left behind. There may be some things that you really did not know about this person. What is this energy? Or they were hiding things.

16

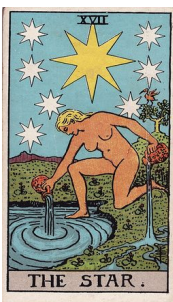

Seven of Pentacles

patience investment

patience and **investment**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

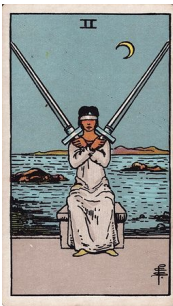

The Star

hope renewal

And we have the card Aquarius energy. It is about your elevation, your ascension, but I don't think it's going to be with whoever this is in the past. Not this one. It look like somebody's going to focus on their investments. They're going to focus on themselves. They're going to focus on building what they got to build. It has something to do with the 11th house.

18

Two of Swords

stalemate indecision

Cuz the card came out and that's usually like when someone is confused about something.

19

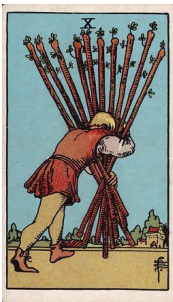

The Fool

new beginnings leap of faith

Or I wouldn't even say this is about a choice cuz the card is there. The card is a new beginning. There's nothing you can do about when God says you about to have a new beginning in your life. There's nothing you can do about it when God says your karma is clear. You did what you had to do. This is your new life. There is nothing you can do about it. You just accept it and you smile and you be thankful. But there's it's just weird how something happens.

20

Ten of Wands

burden responsibility

That's putting all your energy into something.

21

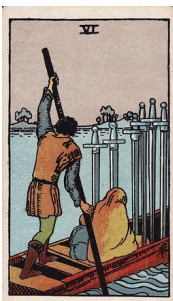

Queen of Pentacles

nurturing practical

Okay, wait a minute. The cards is flipping. Where did. Okay. So the card knows the way. The card knows they have to shift energy or they have to How can I say? They have to go from one place to another. They know the right way. It's just there was a blockage and the blockage was there because there was an illusion there. King of Swords or the card may not have even known that was a binding force. May not have even known that.

22

Six of Swords

transition moving on

transition and moving on. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

23

Nine of Wands

resilience persistence

It's like I feel like this is bittersweet. It's like I don't want to say it like that, but I'm sorry. It feels like losing a loved one. It feels like losing a loved one so that you can finally. But that sounds so sad, y'all, but that happens. It's like losing a loved one so that you can do what you couldn't do with them.
