HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

Death

Death: **endings** · **transformation**

We have the death card coming out first.

02

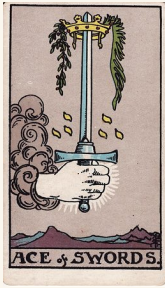

Judgement

Judgement: **reckoning** · **awakening**

We have judgment. Okay.

03

Ace of Swords

Ace of Swords: clarity · truth

And then we have the ace of swords. Well, it looked like some of these demons is getting exposed out here. That's really what it looked like. It looked like some of these demons being completely exposed out here.

04

Queen of Wands

Queen of Wands: confidence · warmth

I saw the Queen of Wands just now, you know, I ain't trying to say nothing, but what's this energy? We have Capricorn. What is this energy here? We have the full card. So I mean, it is a new beginning here, but someone has to be under judgment. They have to go through judgment for whatever this binding or it looks like some kind of toxic energy or something like that. Like somebody has to go through judgment for whatever they've done. That's what I see. And it kind of connects to the other three readings I've done today. I don't even want to talk about those readings. This same really the same characters, but it's along the lines of the same energy, like paying for what you've done or whoever it is.

05

The Devil

The Devil: bondage · attachment

I don't know, but the first card is the devil, judgment, and the ace of sword. The truth is being exposed about some demons. Like it's being exposed like the trumpet is sounding like it's time for it to be known. I mean, I don't know who it is. I don't know what it is, but it's time for it to be known. And then the full card is a new beginning. Now, I'm not necessarily getting the only negative thing I'm getting is like, let's say the devil card, but the devil card itself is not negative. Let me clarify the devil. Because I take it as negative because that's toxic forces right there. That's destructive forces. That's

binding forces. So of course, I take it as negative, but what is this energy? If this is about business or it's about a contract, the devil card is actually a good thing because contract it is binding, but it also helps you. It helps the other person. And as long as two people keep there a part of it, it goes away. Or you know, it closes, but because it's devil and then the judgment card, it really does sound like it's something that a person is being judged for that is not healthy. What is this? We have the tenor pinnacles, the tenor pinnacles with the devil. That absolutely sounds like a lot of money went into or a lot of money was gained from whatever this binding force, toxic force, tempting force. I mean, they are of materialism. That's the devil card. That's a card of materialism. It's a card of the 3D and being bound to things and being bound to the 3D. So, let me get something else with this devil card. We have the Ada sword. Like it looked like a glass ceiling. It looked like somebody truly is bound or will be going to jail for a long time because of maybe a lot of money was taken or a lot of money was gained from something that it wasn't supposed to be like that. I'm speaking lightly, I think, but I think it's all about to come out. The tenor pinnacles is about to be known how much somebody either stole or how much somebody gained from what they did behind the scenes, which could have been illegal, it could have been toxic. It's just not a good thing. That's what I'm seeing. Even though somebody gained a lot of money, money is not everything and it's not worth all it is. Whatever the hell, I know you fucking lie. The devil card is right here. I didn't even know the devil card was at the bottom and then it says full. They are about to be on a new beginning though, whoever it says, they're about to be exposed and they're about to be on a new beginning. I don't know what that new beginning is going to look like, but it ain't going to be the tenor pinnacles. The eightor sword is even about imprisonment.

06

Queen of Cups

Queen of Cups: compassion · empathy

I'm just saying, we have the queen of cups energy, so we got the full. We got the queen of cups coming out.

07

Nine of Pentacles

Nine of Pentacles: abundance · independence

We have the nine of pentacles, so the queen of cups is probably going to be on their own, which is nine of pinnacles.

08

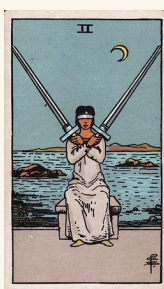

The Moon

The Moon: hidden influence · illusion

They already got their own or something like that and then the moon card, let me get one more.

09

Two of Swords

Two of Swords: stalemate · indecision

And then we got the two of sword. It's like somebody, okay, I feel like this queen of cups can't do anything. Like they'll have the nine of pentacles. They'll have their results. They'll have the fruits of their labor. They'll have their financial freedom, right? But I feel like the moon energy and then the two of swords shows me there's something they can't go through. They can't pierce through this energy. They can't see through this energy. They can't change. They can't break some type of, oh my god, it really is talking about even the first reading.

10

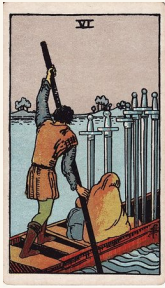

The Empress

The Empress: nurturing · abundance

Like the Empress was trying to help the king of ones not to have to experience the karma or not to have to fall in the traps that they set for themselves, right? But they're not going to really be able to but they changed. The king of ones changed because of the judgment and everything and whatever. But I just feel like whoever this queen of cups is in this reading, they're not going to be able to save this devil energy. They're not going to be able to do that. What is this energy here? Because they're under judgment. That's something to buy.

11

Six of Swords

Six of Swords: transition · moving on

We have the six of swords energy.

12

Ace of Pentacles

Ace of Pentacles: opportunity · prosperity

We have the ace of pentacles.

13

The Magician

The Magician: willpower · manifestation

We have the magician. Definitely planting new seeds and manifesting new things. That's where somebody's headed. I'm assuming that's the queen of cups.

14

Eight of Cups

Eight of Cups: walking away · seeking

We have the eight of cups energy. We have the five of ones. The Hierophon.

15

The High Priestess

The High Priestess: intuition · the unseen

And then the high priestess. Wow, the magician, the Hierophon and the high priestess in the same line. And it's something about fighting with these people, fighting with official people, fighting with these people with some type of title or they're part of some type of system. It's like they know the secret to something. They know the secrets or they know what somebody's trying to manifest.

16

The Devil

The Devil: bondage · attachment

It's like there are there's forces that's getting this devil energy together. There's forces that this devil energy cannot escape.

17

Judgement

Judgement: reckoning · awakening

You know, one being judgment. But I feel like there's also officials. Like, you know, police, you know, things like that may have something to do or they may come into play because the five of ones is no joke either. The five of ones is that chaos. That's when shit is out of control. They need some order. So I don't know. I feel like they see what the devil energy may be trying to do or whoever's playing as devil energy in this reading. It's seeing what that devil energy is doing and they're going to stop it. They're going to block it because it's a sort of energy. Ten of pinnacles ain't a sort. They're going to block whatever that money, whatever those resources, whatever it is. And this devil energy is under judgment. And his queen of pinnacles going to at least be able to walk away with nine of pinnacles energy. So I don't care what that, you know, what it is, but it's going to be resources and they're not going to be without, you know, and they're the queen of pinnacles. So hopefully they had nothing to do with, you know, whatever it is, other devil energy, hopefully it had nothing to do with that. But they

damn sure will not be able to help this person either. I'm just being honest. That's literally how it has come out in all these readings today. I can't believe how connected they all are because yeah, they're not always like that at all. Like all four of them like that. Okay, what's this energy? What is going on here? We have the two of pinnacles. We have the king of pinnacles. Yes, something is in the process. King of pinnacles is trying to balance something. They're working on something here. What is this energy? They're really working on this. I don't know. I mean, okay, how can I say this? Because I say this every time. They cannot escape judgment. They cannot escape karma. You cannot escape when you got to wake up. You cannot escape that. But it's something they're trying to do. Also, like they're trying to balance some energy out. You know, you can do the best that you can do. You know, what's this energy?

18

Seven of Cups

Seven of Cups: choices · illusion

We have the seven of cups energy.

19

Queen of Wands

Queen of Wands: confidence · warmth

We have the queen of wands energy. This queen of wands might not see everything clearly. Who is this queen? What is this going on? Like something's hidden about this queen of wands. Or maybe this king of pinnacles is trying to balance something with this hidden figure which looks like the queen of wands. We have the night of wands energy.

20

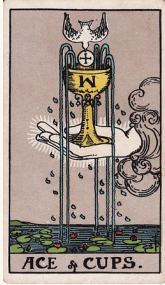

Five of Cups

Five of Cups: grief · loss

We have the five of cups. So it's something that's going to disappoint this queen of wands. Something this king of pinnacles might say because they got a balance. Some type of energy out. It looks like she's somebody could have no choice but to close certain cycles here with this judgment energy because it's hitting somebody. And the truth is coming out like all the truth. Every truth that needs to come out is coming out about each and every person that got this energy on them. They've been doing stuff they're not supposed to do. Even though they've been getting away with it, they think it's okay. Spiritually it's not. And they're being shown that. So look like some people are trying to balance it. What is this energy here?

21

Ace of Cups

Ace of Cups: new love · feeling

We have the ace of cups that is about healing.

22

Three of Wands

Three of Wands: expansion · foresight

We have the three of wands energy and moving forward. Page of pinnacles planting new seeds. Yep. Every reading I've been saying like somebody did a lot when they were asleep. Somebody did a lot when they didn't know no better. Somebody did a lot when they thought this was the way. And then something miraculously changed. And this person, this person I've been talking about in every reading literally today. This person woke up. But they still got to pay for what they've been doing. Like everything is coming out. But it's a cleansing. It's uncomfortable. But it's a true cleansing. It's not like somebody just being thrown down to hell. It's not that it's where you got to pay and you get cleansing. You get renewed. But this is the one, whoever this is today. This is some deep shit. This is deep, deep. Everything that's coming out about whoever this is. This is not no little stuff. This is deep, deep. What's this energy? We have the seven of chemicals.

23

24

Two of Cups

Two of Cups: partnership · union

We got the two of cups energy here. Something that was going on for a long time could have been some type of relationship. I mean, it is a king of cups. You know, they want to connect or something. And then it's the two of cups. So whoever this is, a person was connected to for a long period of time.

25

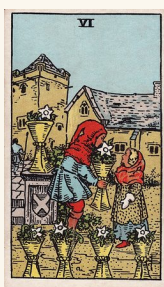

The Moon

The Moon: hidden influence · illusion

And then we got the queen of ones and then the moon. So it could have been a hidden relationship. You know, I'm just saying everything is coming out. Everything is coming out for whoever this is that got away with this for this long period of time. Like, it's just all hitting. Like, that's, I can't believe I'm still in shock. Like how this is coming out in every reading like that.

26

Six of Cups

Six of Cups: nostalgia · innocence

And then we have the six of cups energy here. We have the night of cups energy. See, this is like I said, I think I'm going to say this in another reading. And here it is again. Like, they're going, I swear to God. I swear, man, they're going towards the deepest relationship. Or they're going towards the love. They understand the connection. They're connecting the dots. It's like this is scorpio.

27

The Sun

The Sun: clarity · joy

This is sun and scorpio energy with the six of cups. It's deeply something that is resonating for this person that has been doing these toxic things. Or they've been having power over others and they've been amusing others. It's something that is shifted.

28

Judgement

Judgement: reckoning · awakening

And they're going through judgment. But I feel like whoever these particular characters were today are going through a cleansing with it. Because they understand they're not going to abuse. They're going to do the right thing. They're going to do what they got to do. Or, or else, let's just say that or else. Because that's true. They can act like they don't know what they need to do. Or they can do what they got to do. So it's their choice. People got to make a choice. It says blessings and abundance. Look like somebody got to let some shit go to get anything. And then it says expect miracles. I'm going to leave this one right here. If you liked what it is, please like, share, and subscribe. Thank you so much for your like, shares, and subscribes.
