

EXPOSURE AND IMPRISONMENT

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

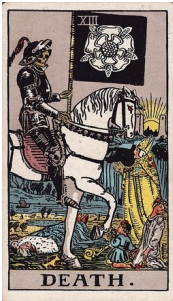

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **265** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Death

endings transformation

We have the card coming out first.

02

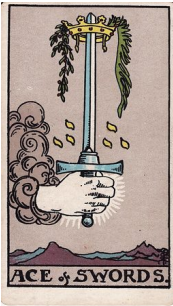

Judgement

reckoning awakening

Okay. So I mean, it is a new beginning here, but someone has to be under the card. They have to go through the card for whatever this binding or it looks like some kind of toxic energy or something like that. Like somebody has to go through the card for whatever they've done. That's what I see. And it kind of connects to the other three readings I've done today. I don't even want to talk about those readings.

03

Ace of Swords

clarity truth

Well, it looked like some of these demons is getting exposed out here. That's really what it looked like. It looked like some of these demons being completely exposed out here.

04

Queen of Wands

confidence warmth

I saw the card just now, you know, I ain't trying to say nothing, but what's this energy? We have Capricorn. What is this energy here? We have the full card. The card might not see everything clearly. Who is this queen? Like something's hidden about the card. Or maybe this king of pinnacles is trying to balance something with this hidden figure which looks like the card. We have the night of wands energy.

05

The Devil

bondage attachment

I don't know, but the first card is the card, Judgement, and the ace of sword. The truth is being exposed about some demons. Like it's being exposed like the trumpet is sounding like it's time for it to be known. I don't know what it is, but it's time for it to be known. And then the full card is a new beginning. Now, I'm not necessarily getting the only negative thing I'm getting is like, let's say the card, but the card itself is not negative.

06

Queen of Cups

compassion empathy

I'm just saying, we have the card energy, so we got the full. We got the card coming out. It's like somebody, okay, I feel like the card can't do anything. But I just feel like whoever the card is in this reading, they're not going to be able to save this The Devil energy. They're not going to be able to do that. What is this energy here? I'm assuming that's the card.

07

Nine of Pentacles

abundance independence

We have the card, so the queen of cups is probably going to be on their own, which is nine of pinnacles. Like they'll have the card. They'll have their results. They'll have the fruits of their labor. They'll have their financial freedom, right?

08

The Moon

hidden influence illusion

They already got their own or something like that and then the card, let me get one more. And then we got the queen of ones and then the card. So it could have been a hidden relationship. You know, I'm just saying everything is coming out. Everything is coming out for whoever this is that got away with this for this long period of time. Like, it's just all hitting. Like, that's, I can't believe I'm still in shock.

09

Two of Swords

stalemate indecision

But I feel like The Moon energy and then the card shows me there's something they can't go through. They can't pierce through this energy. They can't see through this energy. They can't change. They can't break some type of, my god, it really is talking about even the first reading.

10

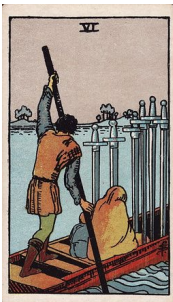

The Empress

nurturing abundance

Like the card was trying to help the king of ones not to have to experience the karma or not to have to fall in the traps that they set for themselves, right? But they're not going to really be able to but they changed.

11

Six of Swords

transition moving on

transition and **moving on**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

12

Ace of Pentacles

opportunity prosperity

opportunity and **prosperity**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

13

The Magician

willpower manifestation

Definitely planting new seeds and manifesting new things. That's where somebody's headed.

14

Eight of Cups

walking away seeking

We have the five of ones. The Hierophon.

15

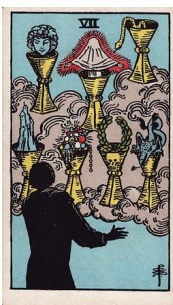

The High Priestess

intuition the unseen

Wow, The Magician, the Hierophon and the card in the same line. And it's something about fighting with these people, fighting with official people, fighting with these people with some type of title or they're part of some type of system. It's like they know the secret to something. They know the secrets or they know what somebody's trying to manifest.

16

Seven of Cups

choices illusion

choices and **illusion**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

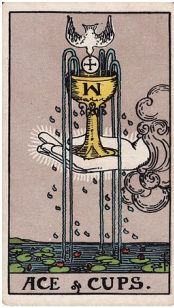

Five of Cups

grief loss

grief and **loss**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

18

Ace of Cups

new love feeling

We have the card that is about healing.

19

Three of Wands

expansion foresight

We have the card energy and moving forward. Page of pinnacles planting new seeds. Yep. Every reading I've been saying like somebody did a lot when they were asleep. Somebody did a lot when they didn't know no better. Somebody did a lot when they thought this was the way. And then something miraculously changed. And this person, this person I've been talking about in every reading literally today. This person woke up.

20

King of Cups

emotional mastery calm

Something that was going on for the card or with the card. You know, they want to connect or something.

21

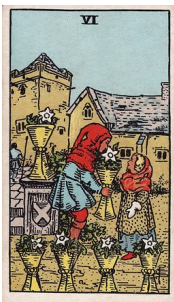

Two of Cups

partnership union

Something that was going on for a long time could have been some type of relationship. And then it's the card. So whoever this is, a person was connected to for a long period of time.

22

Six of Cups

nostalgia innocence

We have the night of cups energy. See, this is like I said, I'm going to say this in another reading. And here it is again. Like, they're going, I swear to God. I swear, man, they're going towards the deepest relationship. Or they're going towards the love. They understand the connection. They're connecting the dots. It's like this is scorio.

23

The Sun

clarity joy

This is the card and scorpio energy with the six of cups. It's deeply something that is resonating for this person that has been doing these toxic things. Or they've been having power over others and they've been amusing others. It's something that is shifted.
