---

03

## Seven of Cups

Seven of Cups: choices · illusion

and we have the seven of cups. Now it's weird, this four of swords makes me feel like somebody is laying down sleep and the seven of cups giving me like, is giving me dreams for some reason. It's giving me dreams but judgment is a very serious card though. What is this energy? What is judgment?

---

04

## Justice

Justice: truth · accountability

That's interesting, I have to clarify judgment and it says justice. Spirit is not playing with somebody but I got to figure out what this four of swords for sword is a calm energy. It's mental peace and that's why I was like it looked like somebody's sleep or laying down or like someone is cool headed like this doesn't look like a bad thing. Like somebody's chilling, let me get something with this seven of cups. I think that's where it's at because what's this seven of cups? That's usually like something that is concealed. What is this energy?

---

05

## The Fool

The Fool: new beginnings · leap of faith

And it says the fool. So it is like someone's new beginning is concealed, judgment is good for them. It's almost like nobody knows. Like they're chilling like that where they not worried at all and what their hiding is a new beginning or maybe this is what you hiding maybe this is what you got to hide. What is this energy? Is somebody minding a business? We got the will of fortune here. Yes. Now, for real for real, it kind of sound like when people win a lottery and they don't say nothing. It kind of sounds just a little bit like that just a little bit like that. Okay.

---

06

## The Magician

The Magician: willpower · manifestation

And then we got the magician. What is this energy here? Like somebody is not worried about judgment. Somebody is not worried. Somebody is very prepared for whatever it's about to take place.

09

## Ten of Wands

Ten of Wands: burden · responsibility

The ten of wands. And then the nine of pinnacles. It looked like somebody has been working towards a dream here. Could be this king of wands. They've been working towards a dream or what is this this page of cups energy? I mean, it looks like they achieved it because it went from the seven of pinnacles. Then it was a ten of wands and then it was a nine of pinnacles. So even though the ten of

wands is when somebody has to give it their all, and they have to give it, they have to give their energy to a point of exhaustion. It still gets to this nine of pinnacles because that's what somebody willed. What is this energy with this page of cups?

---

10

### Nine of Cups

Nine of Cups: wishes · contentment

Oh, it's the nine of cups. So it feels like somebody, somebody's being aligned or something, it's something about a person's wishes coming true.

---

11

### Five of Wands

Five of Wands: conflict · competition

And then we have the five of wands, some type of competition. So clearly this is the winner that I'm talking to, the one that's on the board. Clearly, that's the winner. They're the ones that like, they're chilling. I mean, after doing much work to get to that nine of pinnacles, and they clearly deserve the nine of cups. So it's like a personal fulfillment here. Hmm, and somebody is not worried at all. That's all I can see. Someone is not worried. So why would somebody be worried? But like, what is, what is taking place where a person should have been worried?

---

12

### Judgement

Judgement: reckoning · awakening

And it's not because judgment is a very serious energy like I said, but a person is not worried. They know they did what they were supposed to do.

---

13

Four of Cups: **apathy** · reflection

We have the four of cups. And then we have justice for the second time. It's this is okay. And then we have the king of pinnacles. Okay. Let me just get something here with. Do I really need something with this five of wands? Let me get something with this five of wands. Because I feel like that's just that's the challenge. But even then somebody's still not worried. We have the ten of pinnacles here. Yeah, it's for it could be for a lot of money. It could be for a lot of resources I'm telling you. Somebody is not worried. I was screaming right now on the inside. Because like if this is a competition. Yeah, I'm screaming. Like somebody knows that they're about to win. Okay, I don't know. Like this is some serious confidence. And that's what's up. It's the nine of wands here and the star. That's a lot of energy. That's a lot of energy to step into the room. And then you got the five of wands. After that, yeah, of course it's going to be competition. But the only one that's moving forward is the star. They're moving forward and that is justice. And that's why the star is not worried. Because they know they did the work. They know they're prepared. They know they worked their ass off here. Like that's what I'm seeing. And people are competing for 10 of pinnacles. That's a lot of money. So the star is like now. I'm going to win. Period. That's how that's going to go down. That's what the star is saying.

18

## The World

The World: **completion** · cycle closing

And we got the world card. It really is. Somebody is like, that's how the cookie is going crumple right there. That's how it's going crumple. And there's going to be a graduation at that. So we got judgment. We got justice and we got the world like closing up the cycle and the will of fortune and the food. Like we have a lot of very strong energies and the star. Justice being out here twice. Ten of pinnacles. People competing for 10 of pinnacles. That sounds like a competition to me. That a person is not worried about. I'm just looking at the evidence. And what I see, I see somebody has what it takes. And they know they got what it takes. Period. Like there's nothing wrong with that. If it's a dance competition and you know you are great as dancer and you know you won't come and do some shit that they ain't never seen then you know what you're doing. There ain't nothing wrong with that. But I said shit. This is somebody's opportunity right here. Like let's start playing here.

---

20

We have the ace of cups energy. We have the three of pinnacles. Like and even loving the project or loving who you work with. It's everything. This could be somebody's crossing over. You know into a new energy and to a new life. You know that's what I mean. But really that's a big deal right there. The high refund the 10 of cups. Somebody's meant to be like a well known person in the world. Look at this. Look at all these people rejoicing and happy and in front of the high refund. That's a lot of love right there. Like you're supposed to be known. There's so many people like I don't know how to say it always starts like that. It always starts like for the energy that I'm seeing on this board is literally giving you just have a time in a day. Like when it's your time it's your time but you know what she was meant to do. Like if you are actor or something like that it just just keep doing what you're doing pretty much. Just keep doing what you're doing. If you on the right path and you're happy about the path that you're on keep doing what you're doing and something's going to shift. Your day is going to come. What is this energy here? And it was beautiful for this to come out right now because now I understand this. Now I understand it really is somebody's time and somebody's moment. And you don't have to like I mean it is what it is. You can just know that to yourself because it's the first three cards

---

24

## Four of Swords, Seven of Cups, Judgement

Four of Swords: rest · recovery

Seven of Cups: choices · illusion

Judgement: reckoning · awakening

was judgment, four of sword, and then the seven of cups. Like somebody is at peace mentally but they're also concealing what they need to conceal. And when I clarified that card the full card and the

will of fortune came out. Like somebody knows this is their time. Somebody knows it's their time period. Like we're not even going to play. We're not even going to do that. What is this energy? What is going on here?
