

FEARLESS

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **262** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

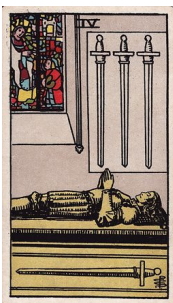

Judgement

reckoning awakening

It's giving me dreams but the card is a very serious card though. What is this energy? So it is like someone's new beginning is concealed, the card is good for them. It's almost like nobody knows. Like they're chilling like that where they not worried at all and what their hiding is a new beginning or maybe this is what you hiding maybe this is what you got to hide. What is this energy? Is somebody minding a business? We got the will of fortune here. Yes.

02

Four of Swords

rest recovery

We have the card and we have the seven of cups. Now it's weird, the card makes me feel like somebody is laying down sleep and the seven of cups giving me like, is giving me dreams for some reason. Spirit is not playing with somebody but I got to figure out what the card for sword is a calm energy.

03

Seven of Cups

choices illusion

Like somebody's chilling, let me get something with the card. I think that's where it's at because what's the card? That's usually like something that is concealed. What is this energy?

04

Justice

truth accountability

That's interesting, I have to clarify Judgement and it says the card. Like somebody's going to have a new beginning. Somebody's going to have the blessings. They're going to have the opportunity. And they're going to manifest like it's not, it's not a question. What is this energy? We have the two of pinnacles. And then we have the card for the second time. It's this is okay. And then we have the king of pinnacles. Okay.

05

The Fool

new beginnings leap of faith

And it says the card. I didn't even know the card was here at the bottom. This is a big day for somebody or a big moment.

06

The Magician

willpower manifestation

What is this energy here?

07

Page of Cups

intuition messages

They've been working towards a dream or what is the card energy? I mean, it looks like they achieved it because it went from the seven of pinnacles. What is this energy with the card? That could be an offer coming from them. It could be somebody going to think about it. I guess we have the nine or one's energy.

08

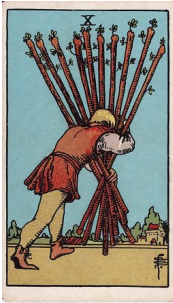

King of Wands

vision leadership

We have the seven of pinnacles. Could be the card.

09

Ten of Wands

burden responsibility

And then the nine of pinnacles. It looked like somebody has been working towards a dream here. Then it was the card and then it was a nine of pinnacles. So even though the card is when somebody has to give it their all, and they have to give it, they have to give their energy to a point of exhaustion. It still gets to this nine of pinnacles because that's what somebody willed.

10

Nine of Cups

wishes contentment

It's the card. So it feels like somebody, somebody's being aligned or something, it's something about a person's wishes coming true. I mean, after doing much work to get to that nine of pinnacles, and they clearly deserve the card. So it's like a personal fulfillment here. And somebody is not worried at all. That's all I can see. Someone is not worried. So why would somebody be worried?

11

Five of Wands

conflict competition

And then we have the card, some type of competition. So clearly this is the winner that I'm talking to, the one that's on the board. Clearly, that's the winner. They're the ones that like, they're chilling. Do I really need something with the card? Because I feel like that's just that's the challenge. But even then somebody's still not worried. We have the ten of pinnacles here. Yeah, it's for it could be for a lot of money.

12

Nine of Wands

resilience persistence

And somebody's very serious about producing the results.

13

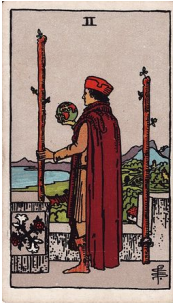

The Star

hope renewal

Aquarius. It's the nine of wands here and the card. That's a lot of energy. That's a lot of energy to step into the room. But the only one that's moving forward is the card. And that's why the card is not worried. Because they know they did the work. They know they're prepared. They know they worked their ass off here. Like that's what I'm seeing. And people are competing for 10 of pinnacles. That's a lot of money. I'm going to win. Period.

14

Two of Wands

planning decisions

Let me get two more.

15

Four of Cups

apathy reflection

apathy and reflection. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

16

The World

completion cycle closing

Somebody is like, that's how the cookie is going crumple right there. That's how it's going crumple. And there's going to be a graduation at that. We got Justice and we got the card like closing up the cycle and the will of fortune and the food. Somebody's meant to be like a well known person in the card. Look at all these people rejoicing and happy and in front of the high refund. That's a lot of love right there. Like you're supposed to be known.

17

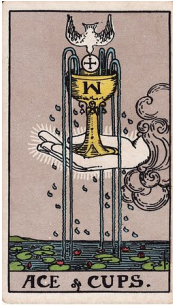

The High Priestess

intuition the unseen

We got the card about the protocols. This is really somebody's opportunity out here. And you know it's your opportunity. You know sometimes opportunities come and they fit you like perfectly like a fucking glove. And you know that shit was meant for you. You know you got to show up. You know you got to do something. What is this energy?

18

Ace of Cups

new love feeling

We have the three of pinnacles. Loving the beginning of a new venture or just building something just going on that adventure to build something that's going to grow even more. Like this is a big step for somebody. It's huge. It's everything. This could be somebody's crossing over. You know into a new energy and to a new life. You know that's what I mean. But really that's a big deal right there. And then for somebody to just know that this is it.

19

Ten of Cups

harmony family

The high refund the card.

20

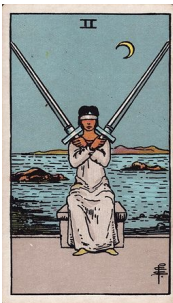

The Sun

clarity joy

The card really is being on stage. It is a really like being seen. It's even exposure. It's happiness. It's your truth. Your authenticity. Okay, even your uniqueness. It's what shines within us. It's the thing that people feel and what they see when someone is doing them. It's a beautiful thing. Now I understand it really is somebody's time and somebody's moment.

21

Two of Swords

stalemate indecision

We have the two of chemicals, 22.

22

The Emperor

authority structure

It looked like somebody's thinking twice about building something with the card or working with the card. They're thinking twice about that. What are on offense about it? What is this energy here? It could be some type of boss or CEOs, some sort.

23

The Devil

bondage attachment

I don't know about that. I'm not liking that energy but people can do what they want to do. But it really looks like, you know, when somebody does what they came to do and they win whatever they're going to do.
