What in the world? Now I'm wondering why this devil is here behind this Queen of Cups. Like what is this? A person is willing to accept a contract or they're willing to accept some type of help where maybe a person is going to have power because they just feel like they can't do it on their own. They're about to give their power away. Or they're about to take opportunity where Oh my goodness. What Okay. Like okay, and then we got the 10 of

12

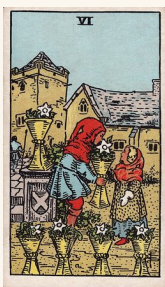

Ten of Pentacles

Ten of Pentacles: legacy · wealth

Pentacles at the bottom. Let's say if this was family. This is the kind of energy where like a person really doesn't want to do this. They really don't want to go live with somebody. Oh my goodness, my ear is ringing. They really don't want to go live with somebody, but it's like they feel like they don't really have a choice or something like that. And this is the kind of person where it's like you live in their house, you got to deal with them and their energy, and it's like uh That's what it's giving me. Like someone feels like they can't do something on their own. They've been trying to do it on their own and they just really can't and they're about to go somewhere with the chariot. They're about to move or they're about to travel somewhere perhaps. You know, but it is about movement here. The only two major arcana so far that's here is the chariot and the devil. So, I'm just saying if the chariot is a car and the devil is the devil, I don't know. Okay, I don't think I want to be driving over there. What is this energy here with this? I don't know if somebody got choices.

swords energy. And then we have the world card. Somebody just want to get through this. Oh my god, I'm I know the pain right now. I'm just looking at it. Somebody wants to get through this. And I feel like it's the older one. I feel like the king of wands is the one that's going to the page of wands. And the page of wands got that energy. Got that like, "Oh, this is my house." Lord, Lord, Lord, Lord, Lord. All I know is somebody can't wait for some [h__h] to be over or whatever got to be over, whatever they got to do. They just got to do that because when it's somebody else's rules, I mean somebody else's house, somebody else's rules, for real, for real. You can't come up I mean, I did That's true. I don't care how old you are. You can't come up where somebody paying their bills and and hey, it is what it is. And there's rules and [h__h] I'm not saying that somebody going to be abused or nothing like that, but if somebody even don't need help, and there is going to be, you know, I don't know how to say. I just know it's not going to be somebody rules. That's all I'm going to say. It's going to be whoever has the power in this situation. And for me, it looks like it's going to be this page of wands that got the power. The king of wands don't even want to go there. It first came out like a knight of pentacles, but the king of the king of wands don't even want to go there. I feel like it's the king of wands that's going to be really going through it. They're the ones that's going to have the like their mentals are going to be going crazy. That's the ones I'm That's the one I'm I'm seeing. What is this energy here? Oh, that's too many. 22

The Star

The Star: **hope** · **renewal**

got the star here. I mean, the star is, you know, the wish come true. You know, so somebody could just have to go through whatever this is. That may be the doorway. I know that's not what somebody want to hear, but you know, life be life-ing sometimes and sometimes you got to go through. Sometimes you look I'll be sitting here lying if I would say you don't got to go through [h__h] sometime or you ain't got to sacrifice sometime or you ain't got to crawl in the [h__h] mud sometime. I'd be sitting here lying and this is what it look like. I don't like it, but that's what it look like. It look like somebody need somebody help. And the person that need the help, they already know that it's going to be some [h__h] Now, why? I don't know. It could be karmic. It could be karmic. I am just saying cuz it really looks like this is the way and that's why I'm like I really feel like somebody does have to go this way. They like have to go this way. Like that's the only way. It's the only way. If something is not working on your own and you see the way forward is through

23

The Devil

The Devil: **bondage** · **attachment**

whatever it is devil energy. Like maybe it's somebody that did not want to take out a loan. They don't want to sign a contract. They didn't want to have to, you know, get somebody's help that they really don't want their help, but this the only person that's going to help. Sometimes it be like that. Sometimes it be like that. I'm not telling nobody what to do, but I do feel like sometimes this is the way. If that's the only way that somebody's going to get that help, you got to do what you got to do cuz it's about survival. Ain't nobody going to lay down, you know, you know what I'm saying? Ain't nobody going to do that. So, you got to do what you got to do. And if that's the only way, that's the only way. I'm not saying that somebody's going to abuse their power. I'm not necessarily saying that, but I do feel like there are going to be things that maybe this King of Wands don't like cuz a King of Wands like to have their own. They like to run their own. They like to be the top of this and the top of that. And with the Page of Wands, if the Page of Wands is the one that's in control, that is what it is. It doesn't matter what the King of Wands don't agree with. And this could be male, female, it don't even matter. But it's something here. It be like that sometimes. It really do be like that sometimes. And it literally gets to the point where some [h__\h] will corner you. It will corner you. To the point where that's the only person you can ask. That's what it look like. I hate to say it, but that's what it look like. That's what it look like. Sometimes you got to return. Sometimes you got to face that I don't want to call it a demon, but [h__\h] Sometimes you got to face that demon. I don't know if it's a person. [h__\h] Sometimes you got to face that I really feel like I'm so sorry for somebody. But I do feel like yeah, you got to turn around. You got to um Yeah, you got to look this person in the face. Okay, and just hold it together cuz it ain't going to be forever. Let me get an angel message cuz this is This is come on now. What is this energy here? What does it say? It says joy and contentment. It says guardian angel here. Okay, and spiritual growth. So, somebody angel is guiding them where they supposed to go. The [h__\h] ain't working for a reason. It's like a person got to turn to whoever this is. I'm going to leave this one right here. >> Chiron in >> If you like the way that I read, please like, share, and subscribe.
