

THEY'RE BEING FORCED TO FACE THE DEMON

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

22 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **526** spoken beats. The same 22 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Eight of Swords

restriction fear

restriction and **fear**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

02

Knight of Pentacles

diligence routine

diligence and **routine**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

03

Page of Pentacles

ambition study

Almost like I feel like somebody they feel like they can't do something. They can't plant these seeds.

04

Seven of Pentacles

patience investment

And it's the card. Somebody feel like they were working so long that like what's the point or they just feel like something is not it's not happening, it's not working, it's not planting, it's not building, it's not growing. Like somebody feel like they're just giving their energy to something and it's not getting anywhere. Damn.

05

Two of Swords

stalemate indecision

Yeah, we got the card at the bottom. Somebody feel like they're just building for nothing. Like building on top of quicksand. It's just going to keep going down. What is this energy here?

06

The Chariot

willpower drive

Cancer energy. They've been trying to do it on their own and they just really can't and they're about to go somewhere with the card. They're about to move or they're about to travel somewhere perhaps. You know, but it is about movement here.

compassion and **empathy**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

09

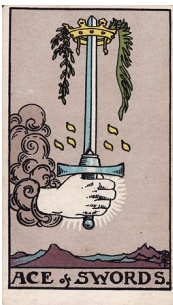

The Devil

bondage attachment

Now I'm wondering why the card is here behind this Queen of Cups. A person is willing to accept a contract or they're willing to accept some type of help where maybe a person is going to have power because they just feel like they can't do it on their own. They're about to give their power away. Or they're about to take opportunity where my goodness. What. Okay. The only two major arcana so far that's here is The Chariot and the card.

legacy wealth

Let's say if this was family. They really don't want to go live with somebody. My goodness, my ear is ringing. They really don't want to go live with somebody, but it's like they feel like they don't really have a choice or something like that. And this is the kind of person where it's like you live in their house, you got to deal with them and their energy, and it's like That's what it's giving me.

13

Six of Cups

nostalgia innocence

nostalgia and **innocence**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

14

Page of Wands

discovery eagerness

And the card got that energy. Got that like, "this is my house." Lord, Lord, Lord, Lord, Lord. All I know is somebody can't wait for some to be over or whatever got to be over, whatever they got to do. They just got to do that because when it's somebody else's rules, I mean somebody else's house, somebody else's rules, for real, for real. You can't come up I mean, I did That's true.

15

King of Wands

vision leadership

We have the card energy, so younger and older. I mean, they're looking at each other. I feel like the card is the one that's going to the page of wands. The card don't even want to go there. It first came out like a knight of pentacles, but the card don't even want to go there. I feel like it's the card that's going to be really going through it. They're the ones that's going to have the like their mental's are going to be going crazy.

16

The Moon

hidden influence illusion

I don't like that. What's. What they got to hide?

17

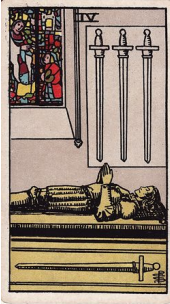

Nine of Swords

anxiety worry

We have the card to secret misery. Secret misery, Lord.

Nine of Pentacles

abundance independence

We have the card and the ten of wands. That's really somebody working hard for money or they're working hard to get something on their own. What is this energy? Like they're doing everything they can to get to do something on their own and I don't think it's working.

21

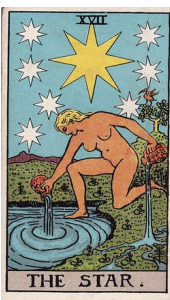

Ten of Wands

burden responsibility

burden and **responsibility**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

22

The Star

hope renewal

I mean, the card is, you know, the wish come true. That may be the doorway. I know that's not what somebody want to hear, but you know, life be life-ing sometimes and sometimes you got to go through Sometimes you look I'll be sitting here lying if I would say you don't got to go through sometime or you ain't got to sacrifice sometime or you ain't got to crawl in the mud sometime. I'd be sitting here lying and this is what it look like.
