

GAINING THIS BACK STOLEN LONG AGO

The whole reading, written out. Each card appears in the order it was pulled, with the reader's own words spoken over it. Read it top to bottom and you have watched the video.

22 card moments · up to 10 on screen at once · in reading order

HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

Four of Wands, Queen of Cups

Four of Wands: **celebration** · **home**

Queen of Cups: **compassion** · **empathy**

We have the four of wands, the ace of pinnacles, and then the queen of cups here. So, queen of cups is starting something and this is an achievement that they're able to start this. It's a right of passage that they're even able to start it. Even able to, it could be something they're receiving. Could be a house or something like that. Maybe they're buying a house. Okay, wait a minute. What is this? Do I want, okay, I want to know about the queen of cups. How is the queen of cups? What's going on with this queen of cups?

02

Justice

Justice: **truth** · **accountability**

Justice. The queen of cups is getting this. They're receiving this. This is, this was the goal and this is what's being achieved. Like, they're being given and everything is, it's like, how can I say the ace of

pinnacles is facing the queen of cups and the queen of cups is facing the ace of pinnacles. It's facing each other. And I clarify queen of cups and justices out there, they're receiving something that they're supposed to receive and they know what to do with it because they wouldn't want it that bad if they didn't know what to do with it. It's something that they're receiving that they know they're meant to receive or they're planting this seed. They know, they know they're meant to plant this because this is a right of passage. They have to do this. They know they have to, and it's

03

The Emperor

The Emperor: **authority** · **structure**

the emperor at the bottom. They know they got to. And that's opposite signs. Right. Justice is Libra and the emperor's aries. So what's this energy here with this?

04

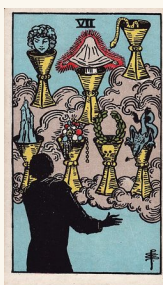

King of Wands, The High Priestess

King of Wands: **vision** · **leadership**

The High Priestess: **intuition** · **the unseen**

We have the king of wands energy, fire sign energy. We have the high priestess. We have the emperor again. Where is this energy? Or knowing the right person can help you. We have

05

Seven of Cups, Nine of Wands

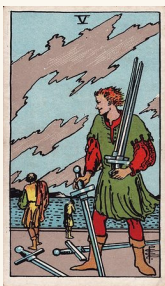

Seven of Cups: **choices** · **illusion**

Nine of Wands: **resilience** · **persistence**

the seven of cups energy. And then the nine of wands. Now somebody could have their, their energy could be standing up because of many options or it could be because something is not seen clearly. What is this? Seven of cups. Because the emperor seems to be upright. The high priestess is here. So what is this? I noticed this is not in reverse. This tennis sword is in reverse. That's a good thing though. Something could be brought back or regenerated or something that was lost is coming back. Like this emperor is able to reverse something. Maybe this queen of cups was worried about that or

worried. Are they going to be able to create this justice because justice is a real thing. It's about making things fair or balanced or the way that it should have been. And I did not like expect a tennis sword to come out in reverse. I don't remember putting any cards in this deck in the reverse. That's like what is that about? That's the only card that came out in reverse. That's the only card that's in reverse in this whole deck. And it just came out. And it came out to clarify the seven of cups which represents something that is not easily seen. It's something where it's hard to uncover or it's hard to see. It's hard to, it's very concealed or it was. And now it's like something is able to be reversed. Something is coming back. If let's say if it was a house, maybe this queen of cups lost their house and the emperor recovered it. Maybe the queen of cups was worried was it's going to be a possibility. No, something was reversed. It's very significant that this tennis sword came out in reverse because I don't even do reversals like that. But I can read them. But wow. That was just meant for this reading clearly. So something did not, something was not final. Some things really do come

06

Five of Swords

Five of Swords: **conflict** · **defeat**

back. What is this energy? We have the five of swords. So perhaps somebody might have a problem

07

Three of Cups

Three of Cups: **friendship** · **celebration**

with it. We have the three of cups energy. So it affects some other party. Some third party it affects them. But who cares. What is this energy here? I guess they're losing it because you're gaining it or you're getting it back or it was taken from this queen of cups and they're getting it back because that is justice. Like for some reason, I really do see this as a house. I don't know why I see it as like a house. Okay, because we all know that, you know, they really systematically took a lot of things from people. I mean, but I'm, you know, it could be many things, but I'm kind of seeing this as a house. So, you know, really between the lines, but I'm seeing it like as a house that was taken and I guess these other people or this other family may not have known it was stolen. You know, that's even worse. But if they did know, I mean, oh, well, if they did know, but if they didn't, it's still going to be really bad. It's going to be even worse if they didn't know. They really are, well, they're going to be

informed because it was five of sort, three of cups and then the ace of sort, they're going to be informed. They're going to know the truth because of the ace of sort. So it's okay to have a problem. But if you know the truth, then you know, how can you argue with it? What is this energy here? I cannot believe that tennis or came out in reverse like that. That's crazy. We have the

08

The Devil

The Devil: **bondage** · **attachment**

double card. Yeah, they knew. They knew they knew they knew ace of sort into the devil. They knew

09

Queen of Cups

Queen of Cups: **compassion** · **empathy**

what somebody had did. They knew they knew this belonged to the queen of cups or belonged to their bloodline. They knew even the high priestesses there right there with the ace of sort. It's just

10

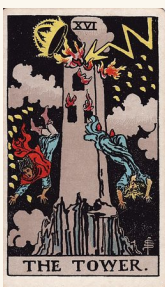

The World

The World: **completion** · **cycle closing**

somebody to say something. They didn't tell everybody we got the world card. Well, clearly, that's over

11

The Tower

The Tower: **sudden upheaval** · **collapse**

because you know, the world car closes it out. Something is seriously being reversed. We got the tower. They said, oh my god, they said, this is impossible that this queen of cups could get this land back or get this house back and it actually happened. They thought that this was going to be final. I don't care if it happened a hundred fucking years ago. They thought that shit was going to be final. And when I tell you the tower tore down that lie like a damn tornado tears down a house. What is this energy here? They thought that shit was not going to get reversed. What's this energy? We have the nine of pinnacles. When I tell you this queen of cups and she's the one that's getting the ace of pinnacles. So for the nine of pinnacles to come out, something is going all the way. It's being it's really being given back to this queen of cups or that bloodline or whatever the case. You can have to read between the lines. I cannot believe it. Reverse like that. Like the 10 of sort. The 10 of sort is when like somebody puts the 10 swords in your bag right or wrong. It doesn't matter. It's the 10 swords in your back and it is destroyed. And there have been people that are good people that have been destroyed and bad people have been destroyed. That's why I say the 10 of sort is the 10 of sort. But when the 10 of sort is in reverse, that's like the 10 swords being taken out of your back and you are revived. That is some unexpected as shit right there. Well, even if somebody were to have faked paperwork, because you know that's plenty. There's plenty of that shit. People fake paperwork. I'm telling you something happened something happened. And now the truth is out and I'm telling you is coming to this queen of cups. I can't see this shit no other way. I really can't see it no other way. And it's the full card at the bottom. So I mean case closed pretty much like this is going to be a

12

Ten of Cups

Ten of Cups: **harmony** · **family**

new beginning for this queen of cups and 10 of cups. 10 of cups underneath the full card. Like really you're not going to get all that every time. 10 of cups ultimate happiness. Like this queen of cups. I can't even believe it. These people can't believe it. Nobody can believe it. Everybody's going to be in shock. What is this energy here? I don't know how I'll put that card in reverse, but there it is. I think that's the first time it came out today. And it's in reverse. We have the three pinnacles. That's the second time. So some type of goal is going to be met. It's going to be finished. It's going to be gained or everybody working together made this happen dream team with this energy here.

13

Three of Wands, The Sun

Three of Wands: expansion · foresight

The Sun: clarity · joy

We have the sun card success. What is this energy and happiness? We have the three of wands like three of pinnacles three of wands and then the sun is right in the middle. It's like just a brand new day. It just feels like a beautiful day a brand new day. A day where you can finally build or you can finally make the plans or you can finally make something just uh and we

14

The Chariot

The Chariot: willpower · drive

got the chariot. It's like oh it's a day this queen of cups never thought they would see. They probably never imagined it. Like the way that things happen sometimes is just crazy. When it's time to happen it happens, but it's just crazy when it happens the way that it does sometimes. What is this queen of damn cups? Queen of cups. Water sign energy right here with the chariot which is like cancer. I cannot cancer astrological sign cancer. What's this energy here with this? We have the five of pinnacles. Not the five of pinnacles. We got the five of sore. Oh my goodness,

15

Three of Cups

Three of Cups: friendship · celebration

that must be the people over there that three of cups because they got the five of sore last time. They're the ones going to be in the five of pinnacles. Not the queen of cups. Queen of cups

16

The Empress

The Empress: nurturing · abundance

going to be good in the nine of pinnacles. We got the Empress out here. What is this energy?

17

Five of Cups

Five of Cups: grief · loss

Damn, we got the five of cups. Some Empress is going to be like really sad. I've said they're going to be broken. They're going to be going through it. They got all the fives. Five of pinnacle, five of sore, five of cups. Only thing that's not here is the five of ones. I don't even think they need that. This is just sad because it's not even a fight. It's not a competition. That's why it's not here. This is just something that's true and they need to figure out what they're going to do

18

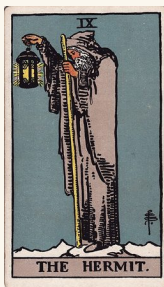

Queen of Cups

Queen of Cups: compassion · empathy

because something was stolen from this queen of cups or the queen of cups family or the bloodline

19

The Hermit

The Hermit: solitude · inner wisdom

something. What's this energy here? We got the hermit. Yep, somebody went looking and digging and looked. They found that tennis sword. The one that came out like this, they found this and they

realized this was wrong. I'm telling you, the hermit checked. The hermit checked. You see that flash they uncovered a truth. They do. They find it. Whether it's in the inside or the outside, they find it and they knew that was wrong. You see and hear the five of ones is you see so they started this shit. Whoever this is, it don't even matter who did it. People got to pay. I'm sorry. The queen of cups is the one at the end of the day. It don't matter what's going on with anybody around that energy. The queen of cups that has to be made right. When that's made right, then everything can get back in its place. But until that's made right, it don't even matter. What is this energy here? What is going on? We have the will of fortune. Yes, the will of fortune and the eight of pinnacles. The tables are turning all the way around. The tables are turning all the way around. There is nothing that can be done to stop this. Literally, whoever was wrong, they're going to have to figure out what the hell they're going to do. And they don't even matter. They're going to they shouldn't have did what they did. They're going to have to figure out what they're going to do. That's therefore I don't care how far it goes back. They're going to have to figure out what they're going to do. It may seem unfair, but then y'all need to if it was something. Look, if it's if it's the way that I'm saying it, because I know this is just an example and people got to read between the lines and take a hat, resonate. But if this is truly like a house or some land and like the family feels like we don't have nothing to do with this and we shouldn't have to move and we shouldn't have to say all that when you move. You know what I'm saying? That's how much it's not going to matter. Like I'm so so so so sorry, but like you really got to look at whoever this is and be mad at them. Whether they 100 years back, 50 years back, 20 years back, I don't care. Really somebody, you know, people got to take accountability. But I know the queen of

20

Justice

Justice: truth · accountability

cups is going to have what is theirs. That's going to be justice. That's going to be made right. And then everything can be made right. Then people can do what they got to do. But it's not going to be at the cost of somebody it wasn't supposed they shouldn't have been accountable for. Look, that's going to be made right. I don't know how to say it. That's it. That's going to be made right. It's going to be made right period. What's this energy here? We have the seven of pinnacles. We have the ace of cups energy. What is this energy here? I know somebody's getting healing after a long time.

21

Page of Cups, The Moon

Page of Cups: intuition · messages

The Moon: hidden influence · illusion

And we have the moon card. What is with this moon? We just won. We have the page of cups energy. Now I got to get something with the page of cups because I'm like, why is this page of cups in the moon energy like they're hiding something or they're shadowing something? What is this? And we have

22

Judgement

Judgement: reckoning · awakening

the judgment. Damn, it is somebody younger feeling like this is on them or this is like why is this falling on them? Like it does feel like that. Yeah, three of sort to a sword energy here. It's like somebody's being punished for another person, whatever they did. I really do feel like that. I don't know how that's an element in this reading. But I do feel like it's coming back to bite somebody in the ass. It is. All I know is that this queen of cups, they're going to have what is theirs. And whatever happened in the past, whether they knew it or not, it is judgment. It is like going into the woods, not knowing, you know, there's lions and tigers and shit in there. Judgment is in there too. You know, just because you can't see, I am so sorry to say like that, but it's really, it's, you know, it's giving you need to be mad at your ancestor. You need to be mad at whoever this is that fucked up in the past and did what they weren't supposed to do. And now other people got to pay for it. That's what it's giving. It's not giving me mad at the people that want that shit made right. That's, that's never what it's giving. It can't ever give that. You can't be mad at the people that want the shit to be right. Because if it was somebody else in that situation, you get what I'm saying? No, they won't have to make that shit right. And whoever got to figure out what they got to do, they got to figure out what they got to do and be mad and you know, direct your anger accordingly. Not at the people that want justice for something because everybody wants justice, everybody wants peace. Shit, what's this energy here? Let me get an angel message and we got the six of ones at the bottom. So it will be success. It will be, look at this, it will be six of ones four ones energy here. It will be, what is this energy? It says take charge in action. And then it says ease and grace. Yes, it does. Ease and grace. It's going to happen because justice is a real force, but I'm going to leave it right here. If you liked what it already, please like, share and subscribe. Thank you so much for your likes, shares and subscribe. I truly appreciate it

because it is how we get the messages out in order to elevate the collective. I love you guys and I'll be back with another reading. Later on by you.
