

GAINING THIS BACK STOLEN LONG AGO

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **159** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Four of Wands

celebration home

We have the card, the ace of pinnacles, and then the queen of cups here. It's a right of passage that they're even able to start it. Even able to, it could be something they're receiving. Could be a house or something like that. Maybe they're buying a house. Okay, wait a minute.

02

Queen of Cups

compassion empathy

Do I want, okay, I want to know about the card. What's going on with the card? Like, they're being given and everything is, it's like, how can I say the ace of pinnacles is facing the card and the card is facing the ace of pinnacles. It's facing each other.

03

Justice

truth accountability

This is, this was the goal and this is what's being achieved. Are they going to be able to create the card because the card is a real thing. And I did not like expect a tennis sword to come out in reverse. I don't remember putting any cards in this deck in the reverse. That's like what is that about? That's the only card that came out in reverse. That's the only card that's in reverse in this whole deck. And it just came out.

04

The Emperor

authority structure

They know they have to, and it's the card at the bottom. They know they got to. And that's opposite signs. Right. Justice is Libra and the card's aries. Where is this energy? Or knowing the right person can help you. Because the card seems to be upright. Like the card is able to reverse something. If let's say if it was a house, maybe this queen of cups lost their house and the card recovered it.

05

King of Wands

vision leadership

We have the card energy, fire sign energy.

06

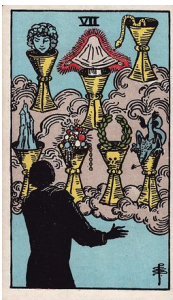

The High Priestess

intuition the unseen

I noticed this is not in reverse. This tennis sword is in reverse. That's a good thing though. Something could be brought back or regenerated or something that was lost is coming back.

07

Seven of Cups

choices illusion

And it came out to clarify the card which represents something that is not easily seen. It's something where it's hard to uncover or it's hard to see. And now it's like something is able to be reversed. Something is coming back.

08

Nine of Wands

resilience persistence

Now somebody could have their, their energy could be standing up because of many options or it could be because something is not seen clearly.

09

Five of Swords

conflict defeat

So perhaps somebody might have a problem with it.

10

Three of Cups

friendship celebration

So it affects some other party. Some third party it affects them. But who cares. What is this energy here? They really are, well, they're going to be informed because it was five of sort, the card and then the ace of sort, they're going to be informed. They're going to know the truth because of the ace of sort. So it's okay to have a problem. But if you know the truth, then you know, how can you argue with it? What is this energy here?

11

The Devil

bondage attachment

They knew ace of sort into the card. They knew what somebody had did.

12

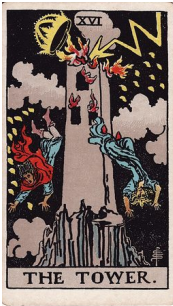

The World

completion cycle closing

They didn't tell everybody we got the card. Well, clearly, that's over because you know, the card car closes it out. Something is seriously being reversed.

13

The Tower

sudden upheaval collapse

And when I tell you the card tore down that lie like a damn tornado tears down a house. What is this energy here? They thought that shit was not going to get reversed. What's this energy? We have the nine of pinnacles.

14

Ten of Cups

harmony family

So I mean case closed pretty much like this is going to be a new beginning for this queen of cups and the card. The card underneath the full card. Like really you're not going to get all that every time. The card ultimate happiness.

15

Three of Wands

expansion foresight

We have the card like three of pinnacles the card and then The Sun is right in the middle. It's like just a brand new day. It just feels like a beautiful day a brand new day.

16

The Sun

clarity joy

We have the card success. What is this energy and happiness?

17

The Chariot

willpower drive

A day where you can finally build or you can finally make the plans or you can finally make something just and we got the card. Water sign energy right here with the card which is like cancer. I cannot cancer astrological sign cancer. We have the five of pinnacles. Not the five of pinnacles. We got the five of sore.

18

The Empress

nurturing abundance

What is this energy? Some the card is going to be like really sad. I've said they're going to be broken. They're going to be going through it. They got all the fives.

19

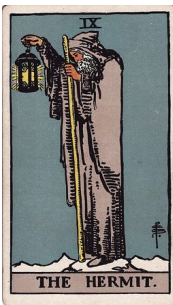

Five of Cups

grief loss

Five of pinnacle, five of sore, the card. Only thing that's not here is the five of ones. I don't even think they need that. This is just sad because it's not even a fight. It's not a competition. That's why it's not here.

20

The Hermit

solitude inner wisdom

Yep, somebody went looking and digging and looked. They found that tennis sword. The one that came out like this, they found this and they realized this was wrong. I'm telling you, the card checked. You see that flash they uncovered a truth. They do. They find it. Whether it's in the inside or the outside, they find it and they knew that was wrong. You see and hear the five of ones is you see so they started this shit.

21

Page of Cups

intuition messages

Now I got to get something with the card because I'm like, why is the card in The Moon energy like they're hiding something or they're shadowing something?

22

The Moon

hidden influence illusion

We just won.

23

Judgement

reckoning awakening

Damn, it is somebody younger feeling like this is on them or this is like why is this falling on them? Like it does feel like that. Yeah, three of sort to a sword energy here. It's like somebody's being punished for another person, whatever they did. I really do feel like that. I don't know how that's an element in this reading. But I do feel like it's coming back to bite somebody in the ass. It is.
