I almost feel like the King of Cups is defending the Star. Cuz I can see that, but I can't see you defending yourself against the Star. I can't see that. Like they're they're not really a star. They're doing something with the Seven of Cups. It's some type of illusion here. And then the Wheel of Fortune, they're trying to get something. So, I don't know what that Wheel of Fortune has to do with the King of Cups, but the King of Cups is saying something. Now, I feel like they're they're trying to move this star out the way or they're trying to expose this star. This star may even be a I hate to say cuz it's though that's not usual. The only reason I'm saying this is because of that Seven of Cups. That Seven of Cups is someone that that's like an energy of like not being what you seem to be. Like Seven of Cups, like when you think somebody love you and they don't. Like that's an illusion. Or movies, that's an illusion. I mean, a lot of things are an illusion, but I'm saying for this star and that's to come out Seven of Cups, they are not who they seem to be. They have some type of They got something going on. I don't know what it is, but they're trying to use that to change the outcome of something. And the King of Cups is like, "No the hell you're not." That's how the King of Cups is looking. The King of Cups can see through the star. They can see through whoever this is and it's not really what it seems to be. They are not truly chosen for something or they're not truly They're just not truly who they seem to be. They don't have that real quality of And I'm sorry to say cuz like you know, that's not nice to say, but I'm just saying like you can't be deceiving people like that. So, whoever this is, they are fake and the King of Cups can see that. And the King of Cups is doing what they got to do so this does not happen cuz it's not something's wrong, man. I don't know what it is, but it's somebody that is like I'll say like a wannabe star cuz every you know, I'll say everybody want to be a star, right? But this is

like a wannabe star, but they're doing something that's false or they're doing something that it's it could either it could even be bringing confusion. It could even bring confusion. That's what I'm trying to say. But the King of Cups can see And I also think if it's not that, it's something where it's like a mask like somebody's wearing a mask until they get the blessing. And the King of Cups can see this now. They see that [h__h] right now. What is this energy?

But it's kind of giving me that like they're related cuz they have a close partnership in some type of way or relationship.
