

They're Getting Removed Before It's Too Late

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

26 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **738** spoken beats. The same 26 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

King of Cups

emotional mastery calm

What's going on with the card? Also, Aquarius energy. So, the card is speaking something. They're defending themselves. And the card is like, "No the hell you're not." That's how the card is looking. And I see the card grabbing somebody's ankles like, "No, you're not." I don't know who's who, but that's the energy that's out here. What is this energy? So, whoever this is, they are fake and the card can see that.

02

Seven of Wands

defense courage

defense and **courage**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

03

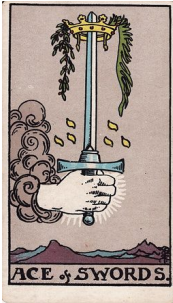

The Star

hope renewal

So, is this the King of Cups defending the card? Or they're defending. Okay. I don't want to say against the card cuz I don't think you ever have to defend yourself against the card. I don't think it's against the card. I almost feel like the King of Cups is defending the card. Cuz I can see that, but I can't see you defending yourself against the card. I can't see that.

04

Ace of Swords

clarity truth

Cuz you know, they're a hater, or maybe they are under the King of Cups is the one that has the card. I clarified that. The King of Cups has the card.

05

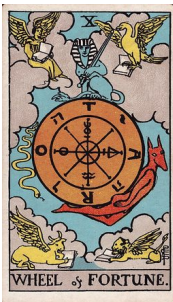

Seven of Cups

choices illusion

My goodness. What is. Okay, I got to get some more of this cuz now I'm starting to feel like this ain't really a star. This ain't really a star cuz the card can be confusion. It can be the delusions and things like that. They're doing something with the card. It's some type of illusion here. The only reason I'm saying this is because of that the card. That the card is someone that's like an energy of like not being what you seem to be.

06

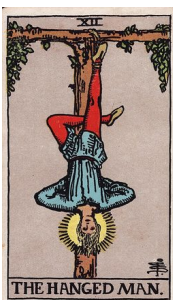

Wheel of Fortune

cycles turning point

It's some type of illusion. They're trying to get blessings off of an illusion. They're trying to prosper off of something fake. Like they're not really a star. And then the card, they're trying to get something. So, I don't know what that the card has to do with the King of Cups, but the King of Cups is saying something. Now, I feel like they're trying to move this star out the way or they're trying to expose this star.

07

The Hanged Man

12

The Lovers

union a choice

You know, and I said something about siblings, cuz right beneath the King of Cups is the card. What is this energy? I just needed one more card in this line down here.

13

Judgement

reckoning awakening

So fire sign, we got the card here. That was fast.

14

King of Wands

vision leadership

The King of Cups Look, all I see is the card and then Judgement. So that could be the King of Cups energy turning into the card, but I see that something is not going down the way that this, you know, quote-unquote star with the Seven of Cups is not going down like that. They are holding men in disguise. I'm telling you they're going to be trapped. They just came out. They're going to be in prison.

15

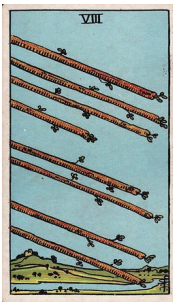

Five of Cups

18

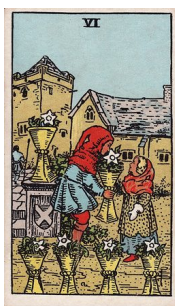

Death

endings transformation

The card three cards.

19

Six of Cups

nostalgia innocence

The Death, Scorpio energy, the card, and then the four of wands. That is so crazy. I feel like it's a deep relationship that ended. And like, I don't know if they're trying to get back to somebody, or they're trying to do something here.

20

Four of Wands

celebration home

mastery diligence

So it goes King of Wands, Judgement, the card, Five of Cups. Like somebody's job is done or somebody's job is over. Somebody lost their job. And it's right next to the card. I was just trying to make sure. It's something that is not theirs. It's going to be locked up. They trying to have access to something that is not theirs. I don't know. This could. Okay. Now I might be reaching. I might be reaching with this one with this example.
