But I don't think they're going to because that's like look and it's the tower It's something here that it is being destroyed some type of connection is being destroyed because of the world card and it closes out cycles So okay, so the part I focused on in this reading was the fact that it's something that you're getting because Of the cycle being closed, but I didn't think about the things that are being closed out Or the people that may be closed out as a result of something I'm just saying and maybe that could be a common issue, but I mean shit What is it? I mean, I'm sorry. I'm not trying to be insensitive, but that is not going to be the problem of whoever this is that has Elevated in this energy or have come into this energy or have come into this inheritance Okay It's not going to be their problem.
