HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

Knight of Swords, Six of Swords, Ace of Cups

Knight of Swords: action · haste

Six of Swords: transition · moving on

Ace of Cups: new love · feeling

We have this the knight of swords, the six of swords, and the ace of cups. This knight of swords spoke their thoughts. They spoke their mind. It looks like they did what they were supposed to do because it's the six of sword. That's the proper way to use your sword in whatever whatever they said, however they said it, it was the proper way and it's the ace of cups. So if something here it is in love, it is out of love and it was for healing purposes. But the knight of swords still is telling the truth and the truth can hurt sometimes. I don't know if it did or if it does, but it looks like they made the right decision here to go towards healing and to say something that is more going towards healing. What is this energy here? It could even be about a new chance of some sort. What is this?

02

King of Cups

King of Cups: emotional mastery · calm

We have the king of cups energy, water sign energy. No, it really does seem like somebody's choosing the love. They're choosing, I'm gonna say they're choosing to do the right thing. they're choosing to go from turbulent water to calm waters. Like in their actions as far as, I mean, I wanna say they're saying this. Like I wanna say that somebody is declaring this or they are communicating it in some kind of way. What is this energy?

03

Ace of Pentacles

Ace of Pentacles: opportunity · prosperity

We have the Ace of Pentacles. So we got the Ace of Cups and the Ace of Pentacles.

04

King of Swords, Two of Pentacles

King of Swords: authority · truth

Two of Pentacles: balance · juggling

King of Sword, two of Pentacles,

05

Page of Wands

Page of Wands: discovery · eagerness

and then the page of wands energy. So it's like building something together, choosing to build something together. The king of cups and the king of sword. This ace of pentacles is something new,

it's a new opportunity for them. I think it has to do with the connection and it has to do with, it could be building a relationship, it could be. Because it went from the ace of pentacles to the two of pentacles. And we have this page of wands that somebody that's taking a risk, they're going a new direction,

06

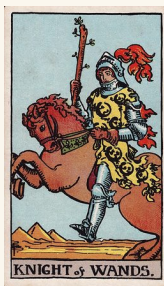

The Moon

The Moon: hidden influence · illusion

trying something new. What is this energy? We have the moon card. What is going on here?

07

Knight of Wands

Knight of Wands: adventure · drive

We have the four of wands. We have the knight of wands. Yeah, I gotta get the rest of this line

08

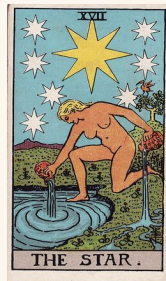

Nine of Swords

Nine of Swords: anxiety · worry

because I'm wondering about this moon card. What is this energy? We have the nine of swords.

09

Page of Pentacles, The Star

Page of Pentacles: ambition · study

The Star: hope · renewal

We have the page of Pentacles. We have the star. And then we have the Eight of Wands. So it is some type of wish fulfillment here, but I mean damn. I'm worried from the moon up until the Nine of Swords.

10

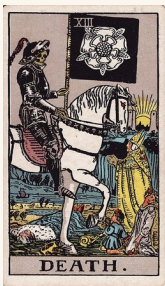

King of Wands

King of Wands: vision · leadership

Let me look at this energy real quick. And then the King of Wands is at the bottom.

11

Death

Death: endings · transformation

Some fire sign. What's underneath the King of Wands? Death. So Scorpio energy. some type of big transformation something is very different about whoever this king of wands is it doesn't matter if they're a fire sign but something about their passion something about the flame the fire okay so king of wands is there what about this moon energy what is this moon energy

12

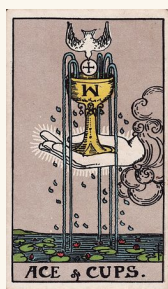

Five of Pentacles

Five of Pentacles: hardship · isolation

somebody has fears we have the five of pentacles here now it could be something about resources i hope it's not about health but it's something about resources like it's somebody that maybe has hidden fears when it comes to their resources or their capabilities, but it's like, it's okay. I mean, they're still working together. That's what it looks like. So it's kind of like giving somebody a chance. That's what it looks like. It looks like a person giving another person a chance, even though they're in a five of Pentacles. Maybe it's not about that.

13

Ace of Cups

Ace of Cups: new love · feeling

Maybe because the third card was the Ace of Cups. Maybe it's more about the relationship, the love, the healing, you know? It's okay, like if somebody's in the Five of Pentacles, that's what I'm getting. Like it's okay if a person is in the Five of Pentacles because the whole purpose of this is healing. Like it's gonna heal on all aspects. What is this energy? We have the full card. So it's a new beginning. It's some type of new beginning. Like it literally has given me, I mean, I don't know if there was a prior relationship, but it is giving me that this is new energy. is giving me that it's a new cup, a new pentacle, a new opportunity, you know, but it may be something from the past because I see this King of Wands, they have the death card, they have some type of transformation, like they shed some type of skin, like something is very different or it looks like something had to shed in order for this opportunity to come or in order for a person to, this is not a sword, they're giving me like somebody's reaching out to heal something, reaching out for peace. They're reaching out like because they they won an opportunity. Like I really don't know what happened in the past. I don't see anything like terribly negative other than this moon energy with this five of pentacles on top of it. But the full card is a new beginning. It's like somebody is worried that because maybe they don't have the resources that maybe, you know, it's not going to work, but I don't think that's going to be the problem. I mean, I don't know. They are worried about this though.

14

Nine of Swords

Nine of Swords: anxiety · worry

What is this nine of sword?

15

The Lovers

The Lovers: union · a choice

We have the lovers. They are, it's the Gemini too, the Iniquarius. They are really worried that like, maybe they think it's too late. Maybe they think that they don't have the resources to help. Like I am getting the energy of somebody that wants to do this. They want to reach out. They want to heal something. They want to change something. They want a new opportunity. They want to grow something. That's what they want. But that's not always necessarily what somebody's going to get. Like I'm just being honest. So I see that this is what they want, but I also see that they're very worried that it's not gonna happen. They're very worried

16

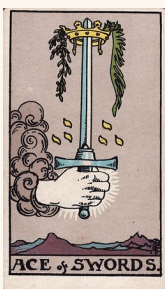

Ten of Cups, Ten of Swords

Ten of Cups: **harmony · family**

Ten of Swords: **ending · release**

We have the ten of cups, but then the ten of sword damn that shit feel terrible To see the ten of cups and then the ten of sword is like all the love is gone like it went from ten of cups to nothing That's what it makes me feel like Ten of cups and then the ten of sword It just kills it it just kills that energy I don't know, this is a little bit scary. I think this is from the past. And then we got the aid of sword here, mental imprisonment, some type of imprisonment. Like they cannot escape something. Yeah, I don't know about this. So that death card could be a lot deeper than I know. What is this energy? Let me just get one more. And it's the will of fortune. Yeah, they wanna change this. They wanna come out of this. It was the lovers and the will of fortune. they want to come out of it and they think coming towards you. Yeah, I don't like the energy at all, but you know, to, you know, to each their own, I don't know what happened in the past, but it does look like it's something that has them in their head. I don't know. You know, all I see is that they want to come towards you to heal it. I don't see them looking at you a certain kind of way. I don't see, you know, I don't see the negative necessarily, but I do see that it is about changing an outcome. It's about changing what was or what happened. They wanna change something.

17

Ace of Swords

Ace of Swords: **clarity · truth**

We have the Ace of Sword here,

18

Seven of Cups

Seven of Cups: choices · illusion

but then we have the Seven of Cups and then the Death Card. From that, I'm getting that they want to dispel any illusions, perhaps. I mean, it's a possibility, But everybody has a choice, everybody has a choice. That's the biggest thing here. Because like I said, I see what they want, but I also see them, like they really worry this shit ain't possible, but I see why. I don't know what they were doing that was so seven of cups or it brought confusion or it brought some type of delusion or it brought something here that was maybe unnecessary. And I really think they want to change that. I'm not saying that everybody gonna say yes, I'm not saying everybody gonna say no, but I'm just saying what the energy is showing me. Like there is something that a person may have been dishonest about, and they wanna end that. Or they, like I said, they may have brought some type of confusion, they want to end that. What is this energy? What do we need to know about this?

19

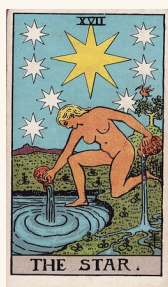

King of Cups

King of Cups: emotional mastery · calm

We have the King of Cups again. So I don't, I, I'm, it doesn't have to be a water sign, but it's coming out like somebody that wants to be in the water energy. They want to be in the, in the caring and the nurturing and the loving and the, you know, emotional energy. They, that's what they want to do. Or maybe they see you like that. I don't know. But King of Cups is out here twice. And we have the Ten of Swords, see? And the last time the tenor sword came out, it came out with the tenor cups. I really, really feel like it's too late. I didn't want to say that, but because I'm seeing it like this, and I just saw this tenor sword with the tenor cups, it makes me feel like the love is gone. Something is over. Okay. It just, it makes me feel like that. It doesn't mean they can't try because they can try. It doesn't mean you can't accept and give another chance. It doesn't mean that, but something died. Something did, something did. It really is all over this reading.

20

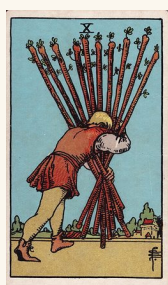

The Star

The Star: hope · renewal

We got the star though. They see you as the star, I know that. Cause the star is out here twice also. They definitely see you as the star.

21

Ten of Wands

Ten of Wands: burden · responsibility

And then we have the 10 of Wands, a powerful star here. We got confirmation. A powerful star at that. Okay, what is this energy here? They may have even tried to, they may have tried to put 10 swords in the stars back. They may have tried to do that. They may have.

22

Page of Pentacles

Page of Pentacles: ambition · study

We have the page of Pentacles. Let me get something with this.

23

Queen of Swords

Queen of Swords: independence · clarity

And then we have the queen of sword. So somebody's trying to make a smart, I don't know if that's a business move where they're trying to plant seeds. What is this? And we got the seven of cups. I am so sorry. No, no. They did do something to the star. They did, they planted seeds. And right after the

queen of sword came out seven of cups and that's the illusions and delusions. That's the lies. That's the things that they may want to take back. They may want to bring clarity to such things. I don't know about that. Like I said, to each their own, everybody's going to have a different decision about this. I don't fuck with people that do shit like that, but maybe other people do. So I'm not going to talk y'all out of whatever y'all trying to do, but I don't fuck with that. Okay. We just being real about it. I don't fuck with that. But okay, let me get some energy here with this. What's going on here with this?

24

Page of Cups

Page of Cups: intuition · messages

And then we have the page of cups energy. Let me get something here with this. Page of cups could be apology.

25

Three of Cups

Three of Cups: friendship · celebration

And then we got three of cups, like as if somebody is going to have a good time with them. Okay, I mean, just look at, that's how it looked at me. Like somebody wants to just have a good time or somebody wants to just bring the positive energy. They want to just be nice. They just want all these cups and cups and cups and all this water, right? I just don't see it after the seven of cups is out here twice. Like they're going to come to you and tell you that they lied to you. Like, I don't know. It hasn't happened to everybody, but like if somebody come to you and tell you that they did this, that, and the third, okay, whoever this is, they, they cheated or they lied to people or they did whatever. What's going to happen to the relationship at some point? Like that shit is over. Even though they were honest, That's like, wow, I appreciate your honesty, but like, what we gonna do with this? Like, that's some crazy shit right there. I don't know what they did, but they really did plant seeds. They really did, they really did bring confusion. They really did try to cancel the star. I see it, they really did. And the same person wants to come in, they wanna heal something because they're in the Five of Pentacles. Because they're in the Five of Pentacles, because either their money is fucked up or their body, health. Something is fucked up and they see you as the star. Stars out here twice. It's a few cards out here twice. Seven of Cups, Confusions, Delusions, and Lies. King of Cups is

26

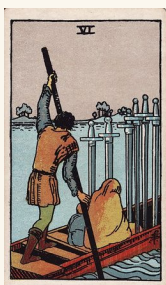

Ten of Swords

Ten of Swords: ending · release

out here twice. Stars are here twice. I think the Ten of Swords, I saw that twice also. What is this energy? We have the Will of Fortune. That's the second time I believe I'm seeing the

27

Six of Swords

Six of Swords: transition · moving on

Will of Fortune. Wait, what is this energy here? And then we have the Six of Swords. Yeah, I see what they want, of course. Ain't that the second time the Six of Swords came out? First time the Six of Swords came out, that was a second card. Yeah, will the fortune Six of Swords. They wanna move something forward. So basically I feel like this is somebody that is hoping that you will forgive them for whatever they did and therefore everything can move forward in their life. And you know, what is this energy here? It says, hell no. That's what it say. I should cut the camera off right now. It say hell to the gnaw. Okay, let me stop. Cause the second card at the bottom says compassion. It says trust the universe. Okay, so you ain't gotta say hell gnaw but it is still no. And it says listen deeply. And I promise you if you listen deeply the universe will not tell you let this person back in. The universe will not tell you that shit. Okay, depending on how severe, cause if this shit is severe, I mean severe. Not if somebody tells you, you know, I'm sorry, I stole one of your Oreos, like fuck that. I'm talking about something that's like severe. Okay, that shit is a no, it's a no, it's a hell no, it's a no, I'ma leave it right here. If you like the way that I read, please like, share, and subscribe. Thank you so much for your likes, shares, and subscribes.
