

Spirit Said Hell Naw, They Can't Have A 2nd Chance

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

25 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **315** spoken beats. The same 25 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

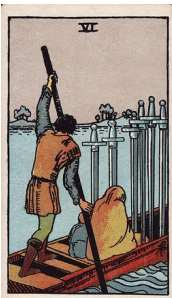

Knight of Swords

action haste

We have the card, the six of swords, and the ace of cups. The card spoke their thoughts. They spoke their mind. But the card still is telling the truth and the truth can hurt sometimes. I don't know if it did or if it does, but it looks like they made the right decision here to go towards healing and to say something that is more going towards healing. What is this energy here? It could even be about a new chance of some sort.

02

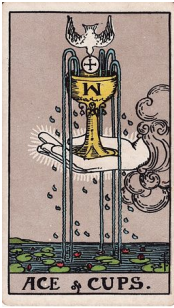

Six of Swords

transition moving on

It looks like they did what they were supposed to do because it's the card. Yeah, I see what they want, of course. Ain't that the second time the card came out? First time the card came out, that was a second card. Yeah, will the fortune the card. They wanna move something forward. So basically I feel like this is somebody that is hoping that you will forgive them for whatever they did and therefore everything can move forward in their life.

03

Ace of Cups

new love feeling

That's the proper way to use your sword in whatever they said, however they said it, it was the proper way and it's the card. So if something here it is in love, it is out of love and it was for healing purposes. Maybe because the third card was the card. Maybe it's more about the relationship, the love, the healing, you know?

04

King of Cups

emotional mastery calm

We have the card energy, water sign energy. No, it really does seem like somebody's choosing the love. They're choosing, I'm gonna say they're choosing to do the right thing. They're choosing to go from turbulent water to calm waters. Like I wanna say that somebody is declaring this or they are communicating it in some kind of way. What is this energy?

05

Ace of Pentacles

opportunity prosperity

So we got the Ace of Cups and the card. The card is something new, it's a new opportunity for them. I think it has to do with the connection and it has to do with, it could be building a relationship, it could be.

06

King of Swords

authority truth

The card, two of Pentacles, and then the page of wands energy. So it's like building something together, choosing to build something together. The king of cups and the card.

07

Two of Pentacles

balance juggling

Because it went from the ace of pentacles to the card.

08

Page of Wands

discovery eagerness

And we have the card that somebody that's taking a risk, they're going a new direction, trying something new. What is this energy?

09

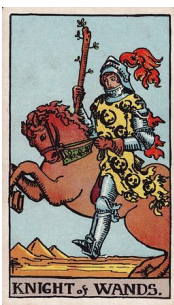

The Moon

hidden influence illusion

What is going on here? Yeah, I gotta get the rest of this line because I'm wondering about the card. What is this energy?

10

Knight of Wands

adventure drive

adventure and **drive**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

Nine of Swords

anxiety worry

I'm worried from The Moon up until the card. Let me look at this energy real quick.

12

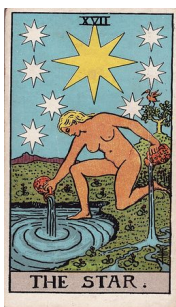

Page of Pentacles

ambition study

ambition and **study**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

13

The Star

hope renewal

They see you as the card, I know that. Cause the card is out here twice also. They definitely see you as the card. They did do something to the card. They did, they planted seeds. They really did try to cancel the card. I see it, they really did. Something is fucked up and they see you as the card. Stars out here twice. It's a few cards out here twice.

14

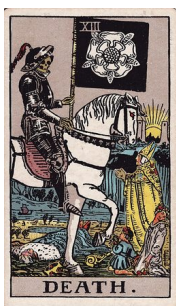

King of Wands

vision leadership

Some fire sign. What's underneath the card?

15

Death

endings transformation

So Scorpio energy. Is giving me that it's a new cup, a new pentacle, a new opportunity, you know, but it may be something from the past because I see this King of Wands, they have the card, they have some type of transformation, like they shed some type of skin, like something is very different or it looks like something had to shed in order for this opportunity to come or in order for a person to, this is not a sword, they're giving me like somebody's.

16

Five of Pentacles

hardship isolation

Some type of big transformation something is very different about whoever this king of wands is it doesn't matter if they're a fire sign but something about their passion something about the flame the fire okay so king of wands is there what about this The Moon energy what is this The Moon energy somebody has fears we have the card here now it could be something about resources i hope it's not about health but it's something about resources like it's.

17

The Lovers

union a choice

They are, it's the Gemini too, the Iniquarius. They are really worried that like, maybe they think it's too late. Maybe they think that they don't have the resources to help. They want to reach out. They want to heal something. They want to change something. They want a new opportunity. They want to grow something. That's what they want. But that's not always necessarily what somebody's going to get. Like I'm just being honest.

18

Ten of Cups

harmony family

They're very worried We have the card, but then the ten of sword damn that shit feel terrible To see the card and then the ten of sword is like all the love is gone like it went from the card to nothing That's what it makes me feel like the card and then the ten of sword It just kills that energy I don't know, this is a little bit scary. I think this is from the past. And then we got the aid of sword here, mental imprisonment, some type of imprisonment.

19

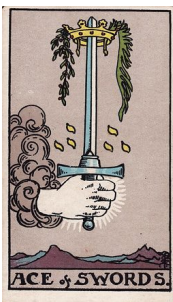

Ten of Swords

ending release

And the last time the tenor sword came out, it came out with the tenor cups. I really, really feel like it's too late. I didn't want to say that, but because I'm seeing it like this, and I just saw this tenor sword with the tenor cups, it makes me feel like the love is gone. Something is over. Okay. It just, it makes me feel like that. It doesn't mean they can't try because they can try. It doesn't mean you can't accept and give another chance.

20

Ace of Swords

clarity truth

We have the card here, but then we have the Seven of Cups and then the Death Card. From that, I'm getting that they want to dispel any illusions, perhaps. I mean, it's a possibility, But everybody has a choice, everybody has a choice. That's the biggest thing here. Because like I said, I see what they want, but I also see them, like they really worry this shit ain't possible, but I see why.

21

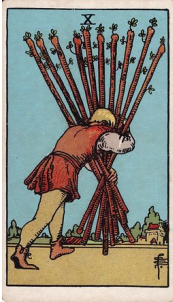

Seven of Cups

choices illusion

I don't know what they were doing that was so the card or it brought confusion or it brought some type of delusion or it brought something here that was maybe unnecessary. And I really think they want to change that. I'm not saying that everybody gonna say yes, I'm not saying everybody gonna say no, but I'm just saying what the energy is showing me. Like there is something that a person may have been dishonest about, and they wanna end that.

22

Ten of Wands

burden responsibility

And then we have the card, a powerful star here. We got confirmation. A powerful star at that. Okay, what is this energy here? They may have even tried to, they may have tried to put 10 swords in the stars back. They may have tried to do that.

23

Queen of Swords

independence clarity

So somebody's trying to make a smart, I don't know if that's a business move where they're trying to plant seeds. And right after the card came out seven of cups and that's the illusions and delusions. That's the lies. That's the things that they may want to take back. They may want to bring clarity to such things. I don't know about that. I don't fuck with people that do shit like that, but maybe other people do.

24

Page of Cups

intuition messages

The card could be apology.

25

Three of Cups

friendship celebration

And then we got the card, like as if somebody is going to have a good time with them. Okay, I mean, just look at, that's how it looked at me. Like somebody wants to just have a good time or somebody wants to just bring the positive energy. They want to just be nice. They just want all these cups and all this water, right?
