

Here to Shine, Change the World

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

26 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **485** spoken beats. The same 26 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

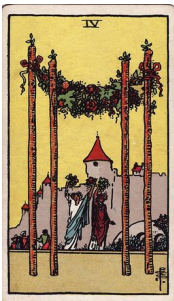

The Star

Aquarius. What is this energy? So, the card has absolutely achieved something. They've absolutely achieved it. They are in the balance of the universe pretty much. What they're giving, they're receiving back. Every time they give, they receive. They're in the balance of the universe. What is this energy? And then you got that the card. So, can't nobody come along with the card you know, the critic.

08

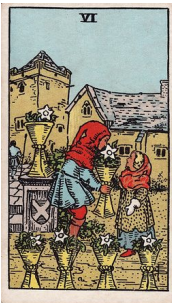

Knight of Wands

adventure drive

It looks like there's somebody fighting a problem. There's someone fighting like a conflict, like some maybe some type of disagreement, like people that think differently or it's just something simple. It's something simple-minded is what I mean. This little five of sword and the card. What is this energy here? And no, that's not See, the card got that five of sword.

09

Six of Cups

nostalgia innocence

The card is the deep emotional bonds, like Scorpio energy, the deep undercurrent of relationship. Like, you know, okay, how can I say? When I say deep undercurrent, imagine being in a room full of people, right? But, you know a person across the room. You know them very well. Okay? You know them very well. And they know you very well. But, don't nobody else in the room know. And there's no way that other people would know that unless you told them.

10

Eight of Swords

restriction fear

They were blocked off from six of cups and the card is like the block.

11

Justice

truth accountability

There were some deep connections here, but no, the card. Okay, let me get the rest of this line. Libra energy is there. So, the card is stepping into your power and completely connecting. And it I really do feel like it was a for a time period because the card is here. It was something that had to be balanced out until you could have that deep current, the undercurrent. You could not have that undercurrent until something was balanced. Okay?

harmony and family. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

13

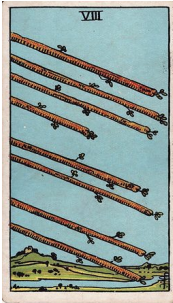

Wheel of Fortune

cycles turning point

What is this energy? Somebody was disconnected from someone.

14

Eight of Wands

speed movement

We have the card energy after Wheel of Fortune. So, it's something that is about to take off. Like that's like when somebody like when you pull the bow on the bow and arrow and let it go, that's Wheel of Fortune and the card. Something really is about to it's about to change and it's about to go very quickly. Like connections.

15

Three of Cups

friendship celebration

So, it's weird. It's like a group of people or it's like multiple people. This is weird. It's giving me like there's they did this or they cut somebody out of some type of undercurrent or they cut somebody out of a relationship or they cut. Maybe they cut you out.

16

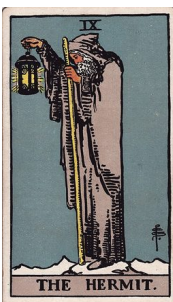

The Empress

nurturing abundance

What about the card? The Someone could be seen as an the card also, seen as a star, seen as an the card. So, whoever the card is, they can't be with like that. Okay?

17

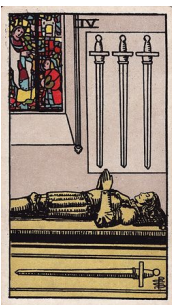

The Hermit

solitude inner wisdom

We have the card Virgo energy, Taurus Libra energy also with The Empress. The card is the one like getting the wisdom about something or finding the wisdom. Now, I don't know if that's people looking at you or you looking at yourself. What is this energy? What's going on here? Chiron Intuition. So, whatever the card is finding, they're at peace with it. They're at peace with what they're finding, but they got to find it.

18

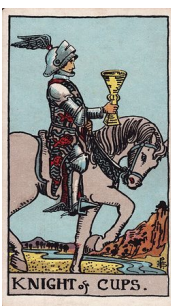

Four of Swords

rest recovery

But, The Empress The Hermit the card. Four is very solid. Four is like mental stability. Even though the card is over here next to this The Hermit, I feel like I said, The Hermit is at peace with what they know. They're at peace with what they see, what they understand. They're at peace with that.

The Devil

They always want to come out. What's this energy? Yes, you can cuz that's the card right there getting messed up. Something here that was toxic or just really bad for your energy or for anything you're trying to do, that's being shattered cuz that is false. It's not helping or even if it was somewhere how can I say? The card energy is like Capricorn. So, Capricorn is right before Aquarius, right?

21

The Tower

sudden upheaval collapse

Okay, you can come on out with the card. It's not underneath anything that I'm telling you and that's why The Devil came out with the card. It's like, no, you don't know. You know, it's about God's plan. It's really I mean that's my belief. I'm not going to push it on nobody, but that's my belief. It's about God's plan. So, you can have you know, you can want what you want. That's all good. But, at the end of the day it's about God's plan.

22

Four of Pentacles

control security

If it messes up that the card, they're not going to want it. That's money coming out their pocket. They're not going to want it even though it improves everybody's life, they're not going to want it because it's money coming out of their pocket. That's the ego. It's shining and it's glaring and it probably the card, this person that don't want to let go of something, probably that's clear, too.

23

Page of Wands

There's somebody that is holding on to something or they're keeping something here. And that's what I was just talking about. Like, you know, I mean you see all these buildings and stuff like that. Look at the this is Capricorn the card Capricorn. This is how people be trying to sit in their business. Okay? Especially it don't even matter if it's something that's going to better it or not. It don't even matter. That's why I'm saying and then we have the card here and I just said it's the ego. That's Leo's energy here. Also something about the fifth house. Also something about like this is something is shining.

25

The Chariot

willpower drive

We got the card cuz it's destiny. We have to move forward. We have to go towards the future. We can't stay right here. If we man, if really if the first person decided I don't want to better anything, imagine where we would be. If I'm telling you it's something here. It doesn't matter what they want. The star is going to shine. The card is here to get somebody to their future, to their destiny.

26

Strength

inner strength controlled force

And it says the card and guidance. And power and intention. You literally have the blessing of spirit to do what you got to do. It says the card and guidance and power and intention. Like do what you got to do.
