You have to I mean like sometimes you got to do something. Okay? You can't just let somebody do what the hell they trying to do. They trying to put a curse on you just going to sit there? You can't do that. Whatever somebody did, whatever somebody had to do, it was proper. It's already written. It's okay. Like if it's written that somebody How can I say this? I don't even want to say it. You got to do what you got to do sometime. Okay? Whatever this is, this had to be done or somebody was going to go down because the devil does not let nobody go freely. You have to get your freedom. They will never The devil does not let nobody go. That card or that energy, I should say, not the card. The energy of what the card represents. That energy does not want to let nobody go. Like when somebody got you in a How can I say, a loan situation and then them interest fees and they love that. They love to put you under some where your ass is going to be stuck. Okay? That energy will never let nobody go. When you got that energy coming out, the only thing that's going to break your ass free from that is the strength. That's the only thing. And thank God it came out on top of the devil. That's the only thing that's going to help. But if you just sit there and just be like, "Okay, well, I'm just going to see when it's going to be over." You're going to be waiting your whole life. I just And the strength card is at the bottom. So, I need somebody to gather it and understand that is important. You can't just be sitting waiting for some You can't just be sitting thinking your freedom going to come. You got to get your Okay? You got to get your and do what you got to do. And if you did that, this reading is for you. If you didn't do that, you might need to do that if you under this kind of situation right here. It look like it's over. It look like any type of control, any cycle, somebody learned a lesson, somebody ain't got to deal with the lesson they already learned. 22

Knight of Cups

Knight of Cups: romance · the offer

Knight of Cups, I got that Page of Wands. I didn't get any King or Queen. The King of Cups is the first King to come out. What is this energy?

23

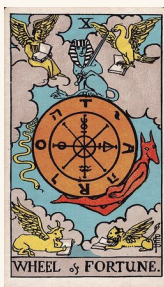

Judgement

Judgement: reckoning · awakening

And then we got judgement. So, King of Cups it's time for the King of Cups to really follow their heart and stop. How can I say this? Cuz when you follow your heart, everybody's not going to be happy. When you follow your heart, people going to be mad because especially people that were trying to control you or trying to have some type of power over you, trying to you know, whatever they be trying to do. King of Cups get on people nerves when it come to following their heart. They're not going to listen to nobody. They know how they feel about some and you can't tell them how they feel about some cuz they are the master of feelings. So, you can't tell them how they feel. They're going to tell you how how they feel. And if they're not feeling it, it's hey, this is getting closed out. That's what it look like. The King of Cups and it's judgement. So, the King of Cups done rose about the grave. King of Cups ain't playing. King of Cups does not play like I don't know how to say like, okay. People take words very seriously. They take words very seriously. If you tell somebody you want to do something and you don't do it, they're going to be mad. If you lie to somebody and they find out you lied, they're going to be mad. So, people take words very seriously. How come people don't take their emotions seriously? How come people don't do what they feel they got to do? How come people can have a feeling and they're like, oh, I wish I could do this. Oh my god. And they don't. People don't take the water seriously. But if you ain't have no damn water, let's see how long we going to live. People don't take love seriously. People don't take connection. Anything that's under the water element is like a joke to people. But when it comes to the sword, everybody take that seriously. When it comes to the fire, everybody take that seriously cuz the fire burn your ass. But don't nobody know the power of water until you ain't got none. So, I'm just saying this King of Cups, they understand their emotion, their peace, their healing, their connection to themselves, the divine, others is more important than whatever the is going on with this devil cuz I don't know what's going on but you graduated this. You graduated that Like for real. So, like I said that going to get on

people's nerves because this King of Cups is going to follow what they follow. They're not going to follow what the somebody else want them to follow. That's not going to happen. Not with the King of Cups. That's not going to happen. What's this energy here? King of Cups, one thing they want to do they're going to express themselves. Now, if it's a King of Cups, most King of Cups are not even going to indulge in telling you how they really feel. They're just going to feel what they feel and they're going to do what they got to do cuz they don't have to explain nothing to nobody. So, King of Cups is not the one that's all in tears and King of Cups will wait until later, okay, for all that. I'm just saying. King of Cups is the master of their emotion. Their emotion is very powerful. They know how they feel. How they feel, everybody might not feel like that. So, they know they know how to work with they with their energy. Let's just say it like that. What's this energy here? Real King of Cups, they know how to work with their energy. They know the power of You ever like talk to somebody and everything is going good and then they say something, King of Cups know how to keep the smile on. King of Cups but they know in their mind I will never speak to you again. But they'll never change their face, never change their energy. It'll be a whole illusion. You won't even know that that person is never going to speak to you again. Okay, because the connection was not there. Something was off. Something happened. But they're not going to alarm you to that. I'm just saying. They're not going to alarm you cuz why would they need to? They know how they feel and it doesn't matter how somebody else feel. It's You don't need permission to have peace. You don't need permission to have connection or love or healing or fulfill. You don't need permission. So, why would with King of Cups explain themselves? That's why judgment is right there cuz it's time to wake up. It's time to wake up and get up out of there. Whatever this is, somebody letting them control, you letting this devil I'm not saying you letting them control. But, it's something here where that got to be broken. And if it's not broken, then people are just willingly, you know, you got to go with your emotion. Your emotion is leading you out of it. Spirit is leading you out of this So, you got to go with spirit. And that's another thing about the King of Cups. They got spirits and Confirmation. They got spirits and They listen to their spirits. Okay? Whether they realize it or not, they Mhm. What's this energy here with this? And the spirits listen back, too.

24

Wheel of Fortune

Wheel of Fortune: cycles · turning point

We have the Wheel of Fortune. See, it's things changing for this King of Cups. None of this would be possible if that cycle didn't close. That's how you going to know the cycle closed. That's how you going to know that you're doing the right thing when other people are going to tell you. Cuz that's the thing about King of Cups. I'm telling you, King of Cups is not listening to how Like, they'll hear you out, but it's not going to change how they feel and what they're going to do and what they know they need to do. King of Cups is going to do what they got to do. Okay? What is this energy here?

25

Eight of Pentacles

Eight of Pentacles: mastery · diligence

We have the Eight of Pentacles here. It's something here that I want to say it has been mastered. Somebody could be going towards some type of profession. They could be going towards some type of mastery. They could be the boss of something. They could be the leader of something one day. It's just something where like I promise you a person that does not Okay, how can I say this? A person that has a good moral compass a person that knows how they feel a person that does not need permission and they don't need to explain, that's a dangerous person right there. Because they are very aligned to something that is beyond this place. And that is why it gets on the devil's nerve cuz the devil wants control of this place of this place. But you can't control if somebody has a connection outside of this place. So somebody that knows who they are okay, the connection is there. I'm telling you this devil, this demon, whatever the this is going to be pissed. It's going to be pissed. I am literally done with this reading. The card on the bottom was the nine of pentacles. So it just looked like increase, increase, increase. Just increase. Went from the eight of pentacles to the nine. And it says divine timing. Okay? Hello. And it says intuition and downloads. I'm telling you you're going to know. You're going to know that you graduated. But I'm going to leave this one right here. If you like the way that I read, please like, share, and subscribe.
