

It's Clear, Chiron Intuition Tarot

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **476** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

The Moon

hidden influence illusion

We have the card coming out first. The card being the first card? That's a very hidden energy with the card energy. So the card represents a hidden. There's a hidden aspect. A cycle just closed. It's not one that everybody's going to know that it closed. Only you are going to know. You have overcome it. You are stronger than it. It doesn't have any control over you.

02

The Devil

bondage attachment

What is this energy? And you never want The Moon and the card. It's some type of binding that's over. Some type of control that's over. There's something here about just making it to another level beyond the card energy. Like that don't got no control over you. It don't have no control. I don't know what somebody did, but they broke the curse with that.

03

The Hierophant

tradition guidance

I haven't even let the energies like come in yet and I'm already like, no. But then it's the card. Wow. All of these are major arcana. The world, The Devil, the card. Okay, now the card looks like something is stable with the card. So there's no more control over the card. There's nothing controlling the card. The card has stable money, stable foundation, stable life, stable energy, stable health. Stable something, stable employment.

04

The World

completion cycle closing

So, some type of cycle closed out, some type of hidden cycle. It's something that you would have to know spiritually. It seems like cuz the card is Capricorn energy and well, the card is like Saturn energy and The Devil card you can say is like Capricorn. The card closed out the cycle. And as a matter of fact, even that is a graduation.

05

Strength

inner strength controlled force

And then it's the card. The Moon, The Devil, The Hierophant, then The World, and then the card. All of that is major arcana. When you got that energy coming out, the only thing that's going to break your ass free from that is the card. That's the only thing. And the card is at the bottom. So, I need somebody to gather it and understand that is important.

So, just having The World card and then the card over here at the bottom, that right there, that's a graduation. That's like you get the crown, you get the degree. Whatever you did or whatever happened, you know that it happened because something changed. Something shifted. Okay?

Ace of Cups

new love feeling

So, that would have been The Magician and the card. That's so beautiful. It's like manifesting love. I mean, you can't like just have love when you want, but you can manifest it by aligning with yourself and being true to yourself and being real with yourself. You can have real love. You know?

14

Page of Wands

discovery eagerness

That's freedom in itself right there. What is this energy? They can see the card is free. The card going another direction. If I'm looking at it, all I got was that Knight of Cups, I got that the card. I didn't get any King or Queen.

15

Six of Wands

They trying to put a curse on you just going to sit there? You can't do that. Whatever somebody did, whatever somebody had to do, it was proper. It's already written. It's okay. And I didn't get that many court cards. Like King or Queen. Matter of fact, I didn't well, I didn't get any King or Queen, actually. The card is the first King to come out. What is this energy? The card get on people nerves when it come to following their heart. They're not going to listen to nobody. They know how they feel about some and you can't tell them how they feel about some cuz they are the master of feelings.

21

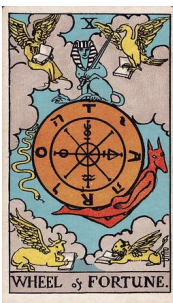

Judgement

reckoning awakening

Cuz when you follow your heart, everybody's not going to be happy. When you follow your heart, people going to be mad because especially people that were trying to control you or trying to have some type of power over you, trying to you know, whatever they be trying to do. The King of Cups and it's the card. That's why the card is right there cuz it's time to wake up. It's time to wake up and get up out of there.

It's something here that I want to say it has been mastered. Somebody could be going towards some type of profession. They could be going towards some type of mastery. They could be the boss of something. They could be the leader of something one day. It's just something where like I promise you a person that does not.
