They're saying silent about some type of pain They're staying silent about having to give something they don't want to give having to do something they don't want to do and It's gonna come a time where that ends Because that's terrible. That's the I mean It seems like a terrible feeling. I mean if the tower got to come out it seemed like it's a terrible feeling and The best thing that can happen to somebody seems to be the tower and the judgment and the world that seems to be somebody's freedom It seems to be like a person doesn't have to Cry no more. They don't have to go and be in pain alone no more They don't have to go through no emotions about this shit no more like the tower is just going shut it the fuck down Like some people don't know Some people do not understand Okay, and some people do it's that kind of shit where you throw a fucking party For your damn self Okay

them, I think it's going to be that they don't like the truth. So the illusion is going to have to come down Whoever this is that's going through this sadness and they don't want to do something no more. They're not going to do it no more because They're there. I feel like somebody's going to break somebody's going to snap somebody been trying to stay silent about something somebody's trying they tried to You know Keep the path and all that kind of stuff that shit is about to go out the window The tower judgment and the world card is going to close that shit out What is this energy? And then we have the four of wands Wow It just feels like this is going to go down. This is like where shit hits the fan That's what it looks like to me because I've knight of sword and the seven of wands is someone that's about to assert how they truly feel Like their energy will not be able to be contained and it has to do with giving here giving something the ace of pinnacles is here Ten of pinnacles and then the eight of sword that look like somebody being cut off From some type of resources some type of funds here It looked like somebody holding that back And it went straight from the eight of sword to the nine of sword and then it's the four of wands and that is the goal They are going to be filled. They're gonna. How can I say this? They're going to try to make it seem like whoever this is That wants this to stop is wrong They're going to try to guilt trip a person into believing that they are wrong Okay, because they want to go live their life or they want to go do what they want to do And they can't keep giving like this is something here with the ace of pinnacles and the ten of pinnacles like it's like damn Like that's a lot That's 11 damn pinnacles Like somebody got a speak somebody is going to speak up. It's not even about somebody got to speak up because it's going to happen If this is i'm telling you The the energy that i'm looking at is going to happen somebody's going to speak up. They're going to say what they got to say And it's the truth And they're going to have earned that because it's a rite of passage It's like stop playing

17

Seven of Cups

Seven of Cups: choices · illusion

It's literally stop playing with the seven of cups coming out first in this reading like stop playing You know So if somebody is in the fiber cups It's sad that they got to hide it. That's sad. If i'm sad, I want to be able to tell you like i'm not feeling good I am sad I you know, it's something there, but I don't feel like it can be something I feel like if someone person is going to blow up a person is going to have to blow up a person has to get tired And when they get tired I guess that's just going to be the end of whatever is that's going on What is this energy? Justice

Justice: truth · accountability

We have justice here is something about fairness Things have to be fair the scales have to be balanced And there's nothing wrong with that. That's what's right So if somebody's asking for a balance and fairness They are the ones that's right Not any other way So if somebody is not doing that they are the problem That's why it's a tower because the tower takes down anything that is false Which hints to the fact that there's something here ain't supposed to be there So look like somebody's unfair That's what it looked like look like somebody's feelings is really hurt

20

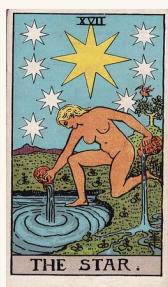

Six of Pentacles

Six of Pentacles: generosity · giving

And the six of pentacles about giving and receiving right giving and receiving I got to say the third time giving and receiving There's a part missing there. I think it's the receiving part Okay, and somebody's about to be real fucking tired of that if they're not already And I guess it is about to be what it is It's about to be exactly what it needs to be what it should be what it's supposed to be It's going to be balanced that shit going to snap back into balance when the tower hit it

21

The Star

That's the truth about this energy right here It ain't never going to be fair Whatever it is. They want to keep that a seven of clubs. They want somebody to stay hurt Stay silent stay giving period But that's not right That's not fair That's not the lovers energy. There is no ascension in that There is no balance in that That's what I need whoever this is to understand That's never going to work That's not how the universe work There got to be balance in some type of damn way And if it's not coming from whatever this is Then it's just not And the universe is going to provide what is going to give that balance This should need to stop Whatever this is this need to stop and that's the truth Because energy is real when people are fed up. I feel like this is somebody that is solid with some shit Like they are confident. You don't just get to the six of wands By winning one fight one battle No, no, no, you have had to do some shit to get to the six of wands where not only you have confidence in your abilities But other people got confidence in your shit So somebody's solid with some shit here Okay, I don't know what it is, but somebody know the truth They know the truth So when the tower come down, it's not going to be shocking It's going to be just when hey when it can't be held back no more When it needs to happen however, it's going to happen. It's going to happen It looked like it's a verbal thing, but you know communication happens many ways. Let's just say that too It's not always a verbal thing. It's not always through somebody's mouth Communication could happen in many ways, but there will be something communicated and it will be a tower. It will come out of nowhere And if that's how they're going if that's I mean I'm allowed to say if that's how they want it, but they really don't want that They want somebody to stay silent forever, but that's not how energy works That's where we're energetic If you piss me off, I'm gonna be pissed off Like we're energetic. I don't like that. That's going back into the illusion is two of cups and lovers. No That is the worst illusion ever. I will never want to see a two of cups next to a seven of cups because that tell me Um, those two people probably don't love each other or one is in love and the other one is not There's too many illusions there or this is a movie Like where everything is fake because this this is not what you want and the car before this was a chariot Nah And the last car was the lovers not We're gonna put that right back up in there Because I see they want they want to keep somebody under the illusion, but I'm sorry It's just not gonna go down like that It's just not gonna go down like that.
