01

Ten of Cups

Ten of Cups: **harmony** · **family**

We have the 10 of cups energy.

02

Page of Swords

Page of Swords: **curiosity** · **vigilance**

We have the page of swords. So page of sword is looking at some type of, they're looking at some type of happiness.

03

Nine of Wands

Nine of Wands: resilience · persistence

Okay, but then we have the nine of wands energy. I don't think they're happy about this. They're looking at the 10 of cups, which is usually just an open heart, open, like I don't know, like free flowing love and being connected with many people, or even spirits. The page of sword looks like the nine of wands is behind their back. The nine of wands is behind their back, like they're feeling heated. They're feeling like their boundaries are being tested, but that's weird because the 10 of cups is not aggressive at all. So it's weird for the page of sword to be looking at the 10 of cups like that's a problem. It's almost like wanting to go to, oh my God, it's like wanting to go to a festival, like a festival that is about food and good drinks and good music, right? Like what everybody enjoys, right? And then somebody feels some type of way about that. They don't like that. They don't like people drinking and eating and listening to good music and shit. That's what this look like because the 10 of cups is non-violent. The 10 of cups is non-violent, non-violent. That's about love. The page of sword is mad about that. Honestly, I don't know. I don't know why the page of sword feel like that. That's a little weird to me because I wouldn't wanna go into any 10 of cups energy and mess that energy up, like who wants to do that? You know, so it's kind of weird. We have the six of pinnacles energy.

04

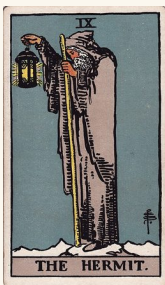

Four of Cups

Four of Cups: apathy · reflection

We have the four of cups. It could be somebody feeling rejected from something.

05

The Hermit

The Hermit: solitude · inner wisdom

We have the the Hermit Virgo energy,

06

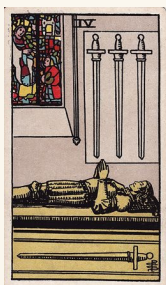

King of Swords

King of Swords: authority · truth

the four of pinnacles, and then the king of sword's energy. Air sign also is the same. That is so weird, this Hermit energy. Now usually I feel like the Hermit is a good thing, like always, but I don't know. This Hermit doesn't feel, it doesn't feel right. It could be a Virgo, but it doesn't have to be a Virgo. But it's someone that's looking in from the outside and it's like they feel like they're not getting what they deserve and they wanna go fuck up somebody else's energy or life. Somewhere at shit right there. What is this, what is this Hermit? Cause that's the only major Arcana here.

07

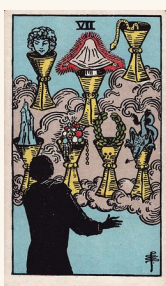

Four of Swords

Four of Swords: rest · recovery

We have the four of swords, they're being silent. They're not saying something, they're definitely sitting in the shadows being quiet and shit.

08

Seven of Cups

Seven of Cups: choices · illusion

Yeah, seven of cups. It's something I don't know was, you know, I'm trying not to say certain things, but I think there's a high level of delusion here. You know, and that's, I'm saying that cause of the seven of cups. Like I think somebody is like, I don't think somebody's okay. It could have something to do with rejection and it definitely has something to do with, they feel like other people or maybe you or someone else is getting what they feel like they should be getting. They feel like they should be getting what you're getting. And they're not getting that. And they're looking at you like you're the enemy or these people are the enemy. Because they're shitting going the way they want it to go. So they're gonna fuck up somebody else's energy or life or party or that's what it looked like. The first card was the 10 of cups. The second card is the page of sword. They're looking at the 10 of cups

with a sword up and behind that is the nine of wands, which is somebody with their guard up. And then this seven of cups is like, I'm just putting the pieces in there and it just makes me feel like, okay, let me get something, let me get this other line. What's this energy? What's going on here? Chiron intuition.

Now, sometimes if that's been work out, sometimes they don't. After the seven of Pentacles came out, the six of wands, which is success and confidence. So I know that whatever somebody started or they put all their energy into, that shit popped. It's something happened with that. Like this is when somebody is winning and they're getting the reward, they're winning. Even probably some acknowledgement, maybe even fame and some sort. But it's because of that seven of Pentacles. So it's weird how somebody can look at your life and be like, oh, I'm supposed to have that. Did you work for that? What is this energy here with this? So whoever this is down here, with the seven of Pentacles, the six of wands, the ace of wands, the knight of Pentacles, they worked. How about to say they're working and they worked because the knight of Pentacles is working. They're on the horse. What is this energy?

I mean, it's the devil. And then the 10 of wands is all the fire, all the flames. You know where they from. You know what I'm saying? I'm just saying it's something here where it's eating ass up. It's burning them up. That's somebody worked. That's crazy as hell. That's for real crazy. People be mad that you work. What's this energy here? That shit will never make sense to me. In no capacity. They be mad that you work. What's this energy? Just I can't.

Okay, if you did the work and this is the outcome, that's just what the outcome is. But a grace of God. Okay. What is this energy? And that's like when the resources are over pouring, when it's something, I don't know. I mean, people will usually say 10 of Pentacles is wealth. You know, but it's not just money. It's not just money, especially you already got the 10 of cups out here first. They just don't have to be mad because whoever this is, you know, they just don't have to be mad. You ain't gonna stop working. Who gonna stop working? The collective gonna stop working?

17

And don't let them stop you. Look, you go after it and don't let them stop you. And you win because it's your energy. This is what the Wands are. It's the fire within you, the fire. We are all the elements, but okay, if we're gonna talk about each one, the fire is what moves you forward. That's the shit that gets you up. That's the reason you alive. When we die, the body get cold. We warm right now. That's the fire, the flame, the soul, the spirit. We got the full card right here. What is this energy? Man, we got the Aida sword. What's going on with the Aida sword?

She's gonna be able to start something or he, I don't know. But it's a queen of cups though. It's a water energy. But it's like I feel like, I feel like this queen of cups just represents somebody that's in their water. Cause I see this King of Wands up here, but that was attached to these Pentacles. Wait, this queen of cups has also got a pinnacle. I don't know, they might be together. What is this energy?

23

King of Swords

King of Swords: authority · truth

We have the King of Sword. Oh Lord. What's going on with the King of Sword to a sword? King of Sword just does not understand. It even looked like, I don't know if the King of Wands body get married or the Queen of Cups body get married. It's just too, this that kind of happiness that make you sick. Is that kind of shit like, they just make me so sick? Very in love type of thing. Like it's just everything is just so right. This person needs to stay far away. Yeah, look, everything is just so right. I don't know, this is a little scary though. They need to stay far away. This shit makes them sick. It makes them feel some type of way. It makes them feel defensive. It makes them feel like it is just so weird, y'all. Like it's so sad. I'm not talking about everybody, but some of y'all have siblings that will fuck your husband, wife, lover, boyfriend, girlfriend, everything. They will just do that just because you're happy. I'm not talking about everybody, but I mean, this energy right here is disgusting to me. And that's why I'm saying this shit right here because what I'm saying is I'm disgusting shit. That's some disgusting shit to do. It really, really is. And I'm not just talking about sibling. It could be friend. I'm just getting that energy of somebody that just cannot stand your happiness. It's just so sad. It makes me so sad to even say this, because it's just all, it just all builds up to this. They just can't take it. It hurts them so bad. Yet they can't look away. You gotta keep this person far, far, far away from this shit. Whatever it is that you got going on, whatever happiness, whatever relationship, whatever party you got going on, whatever party you about to go to, whatever event, whatever festival, this person need to stay far to fuck away. This is so sad. It's just so sad. Don't know about it. I'm almost feeling like this person don't live. Nobody told them not to live. Go live. Go have a good time. Go find

whatever it is you need to find. This person, I'm telling you, I really do feel like it's something along the lines with that shit. They mad at somebody life because of the choices that they made or they're mad because somebody, they have to work in any kind of capacity. There's many ways to do the work. They are mad about that shit. Nobody stopping this person from doing the fucking work. That's what's crazy. That's how I feel like this person had lost a damn mind because they blaming somebody else's happiness. Like they're basically saying I'm angry because you're happy. Like my life is fucked up because your life is so great. What? I'm done with this fucking reading. I can't do it. I'm done with this person, these people that think like this and act like that. Go get your life. Nobody stopping you from getting your life. Look, motherfucker, God, connecting back to source out here. And it says, ease and grace, you ain't doing nothing.
