

Keep Them Far Away From Your Happiness

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

22 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **332** spoken beats. The same 22 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Ten of Cups

harmony family

They're looking at the card, which is usually just an open heart, open, like I don't know, like free flowing love and being connected with many people, or even spirits. They're feeling like their boundaries are being tested, but that's weird because the card is not aggressive at all. That's what this look like because the card is non-violent. The card is non-violent, non-violent. That's about love.

02

Page of Swords

curiosity vigilance

So the card is looking at some type of, they're looking at some type of happiness. So it's weird for the card to be looking at the 10 of cups like that's a problem. It's almost like wanting to go to, my God, it's like wanting to go to a festival, like a festival that is about food and good drinks and good music, right? Like what everybody enjoys, right? And then somebody feels some type of way about that.

03

Nine of Wands

resilience persistence

The page of sword looks like the card is behind their back. The card is behind their back, like they're feeling heated. They're looking at the 10 of cups with a sword up and behind that is the card, which is somebody with their guard up.

04

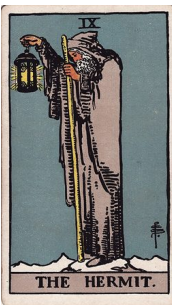

Four of Cups

apathy reflection

It could be somebody feeling rejected from something.

05

The Hermit

solitude inner wisdom

That is so weird, the card energy. Now usually I feel like the card is a good thing, like always, but I don't know. The card doesn't feel, it doesn't feel right. It could be a Virgo, but it doesn't have to be a Virgo. But it's someone that's looking in from the outside and it's like they feel like they're not getting what they deserve and they wanna go fuck up somebody else's energy or life. Somewhere at shit right there. What is this, what is the card?

06

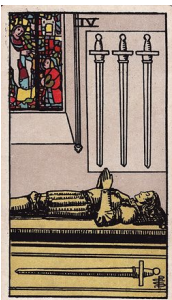

King of Swords

authority truth

We have The Hermit Virgo energy, the four of pinnacles, and then the card's energy. Air sign also is the same. Lord. What's going on with the card to a sword? The card just does not understand.

07

Four of Swords

rest recovery

We have the card, they're being silent. They're not saying something, they're definitely sitting in the shadows being quiet and shit.

08

Seven of Cups

choices illusion

It's something I don't know was, you know, I'm trying not to say certain things, but I think there's a high level of delusion here. You know, and that's, I'm saying that cause of the card. Like I think somebody is like, I don't think somebody's okay. It could have something to do with rejection and it definitely has something to do with, they feel like other people or maybe you or someone else is getting what they feel like they should be getting.

09

Seven of Pentacles

patience investment

It looked like something has paid off, like something a person invested in because the card is investment. Now, sometimes if that's been work out, sometimes they don't. But it's because of that the card. So it's weird how somebody can look at your life and be like, I'm supposed to have that. Did you work for that?

10

Six of Wands

victory recognition

After the seven of Pentacles came out, the card, which is success and confidence. So I know that whatever somebody started or they put all their energy into, that shit popped. It's something happened with that. Like this is when somebody is winning and they're getting the reward, they're winning. Even probably some acknowledgement, maybe even fame and some sort.

11

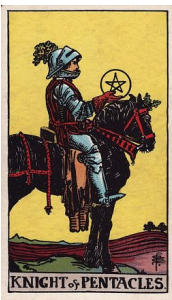

Ace of Wands

spark inspiration

spark and inspiration. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

12

Knight of Pentacles

diligence routine

So whoever this is down here, with the seven of Pentacles, the six of wands, the ace of wands, the card, they worked. How about to say they're working and they worked because the card is working. They're on the horse. What is this energy?

13

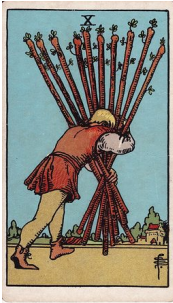

Judgement

reckoning awakening

I mean, the card can only be good after those cards came out. That shows that somebody did the work. There's a high level of confidence here. Somebody use their energy properly. Okay, they did. So the card is going to be positive. What is this energy?

14

Ten of Wands

burden responsibility

And then the card is all the fire, all the flames. You know what I'm saying? I'm just saying it's something here where it's eating ass up. It's burning them up. That's somebody worked. That's crazy as hell. That's for real crazy. People be mad that you work. What's this energy here? That shit will never make sense to me. In no capacity. They be mad that you work. What's this energy? Just I can't.

15

The Devil

bondage attachment

I mean, it's the card.

16

Ten of Pentacles

legacy wealth

Like what, what's somebody supposed to do? But a grace of God. Okay. What is this energy? And that's like when the resources are over pouring, when it's something, I don't know. I mean, people will usually say the card is wealth. You know, but it's not just money.

17

The World

completion cycle closing

The card gonna stop turning? They just gonna be happy to be mad about the shit.

18

King of Wands

vision leadership

We got the card energy here with the 10 of Pentacles. Like come on now, we got fire energy, fire sign. If it's not a fire sign, shit, you're somebody that you do what you go after it. And don't let them stop you. Look, you go after it and don't let them stop you. And you win because it's your energy. It's the fire within you, the fire. We are all the elements, but okay, if we're gonna talk about each one, the fire is what moves you forward.

19

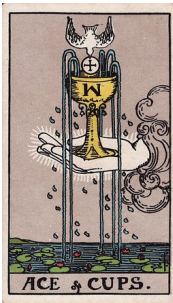

Temperance

balance patience

Somebody feel like they are kept off for their path or something like that. They feel like their path is closed. Look at this shit. They feel like their path is closed. And you out here celebrate. You out here in divine love and connection and feeling everything, feeling everything.

20

Ace of Cups

new love feeling

I am screaming right now. This is divine love right here. While this person is feeling blocked off of their path.

21

Queen of Cups

compassion empathy

Okay, we have the card energy, a water sign energy, and we have an Ace of Pentacles. What is this energy? She's gonna be able to start something or he, I don't know. But it's the card though. It's a water energy. But it's like I feel like, I feel like the card just represents somebody that's in their water. Wait, the card has also got a pinnacle. I don't know, they might be together. What is this energy?

22

Ace of Pentacles

opportunity prosperity

opportunity and **prosperity**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.
