HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

Ten of Wands

Ten of Wands: **burden** · **responsibility**

Damn, we got the 10 of Wands, it just increased. 379? I don't know what that is, 379, but it's all fire. Like somebody, it looked like they're moving forward in defending themselves and they're taking it all the way. Someone has decided that this is what they're going to do, but it doesn't look like this is just someone starting a fight. It looks like somebody's ending a fight.

02

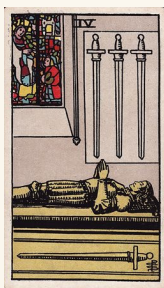

Seven of Wands

Seven of Wands: **defense** · **courage**

It looked like somebody, because the seven of the seven of Wands comes out when you are defending yourself, when there are energies coming for you and you have to do something. And then the next card after that was the 10 of Wands, somebody's about to end this. It don't matter if something happened yesterday, if it happened last week, if it happened last month, if it happened

last year. In this reading right here, somebody is deciding now is the time they're going to end this now. That's what I see. What is this energy?

03

Four of Swords

Four of Swords: rest · recovery

We have the four of Swords energy. We have the five of Cups energy. We have the six of Pinnacles, four, five, six, but all in different elements.

04

Eight of Swords

Eight of Swords: restriction · fear

We have the eight of Swords energy.

05

The World

The World: completion · cycle closing

And then we have the World card. Yeah, so I'm noticing these last two cards, the eight of Swords and then the World, is someone that's about to free themselves from a prison or they're about to free themselves mentally or they're about to free themselves. There's something about to be freed. Like doing this or fighting for whatever you're fighting for, that's going to free you. It's an energy of like no more acting like everything is okay. No more that. It's time to give what is deserved. That's what it looks like because the six of Pinnacles. Second line was four sort, five of Cups, six of Pinnacles, eight of Swords, and then the World card. The World card being the only major arcana in the reading so far. And it's closing out the cycle. This is what has to happen. This is what must happen. In order to go into a new cycle. It's something here, it can't be delayed anymore.

06

Ace of Wands

Ace of Wands: **spark** · **inspiration**

Ace of Wands, Ace of Wands is the ignition. That's the start right there.

07

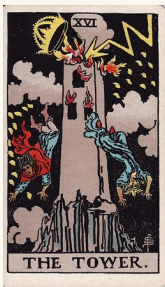

Three of Wands

Three of Wands: **expansion** · **foresight**

Ace of Wands is there, the first cards was the three of Wands, the seven of Wands and the ten of Wands.

08

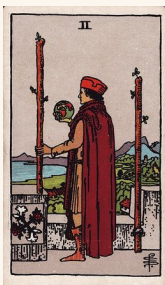

The Tower

The Tower: **sudden upheaval** · **collapse**

A lot of fire in this reading, we got the tower. Ace of Wands and the tower. Oh my goodness. What is this energy?

09

Two of Wands

Two of Wands: **planning** · **decisions**

We have the two of Wands. So it went from the Ace of Wands, the tower, and then the two of Wands. This is crazy what this is happening.

10

Nine of Swords

Nine of Swords: anxiety · worry

We have the nine of Swords. Almost like somebody is in fear, somebody knows. It's coming, somebody knows. It's something bad going on, man.

11

Temperance

Temperance: balance · patience

Okay, wait a minute, we got temperance energy. We have the will of fortune, so Sagittarius. And then we have the Ace of Cups. Now I don't think that this is a renewal, I think that it is a crumbling of something. Something's crumbling because you're fighting back. And then you're going to be set on your path into new love, into a new connection. I don't know who this is where it's something going back to them. It's something going back and it's fair, it's what they put out there. That's what it looked like. And it looked like this is the end right there. It's going to be over. What is going on?

12

Queen of Wands

Queen of Wands: confidence · warmth

We got the Queen of Wands here. And the two of Pinnacles. So Queen of Wands is working on something. I don't know who the Queen of Wands is. But they're working on something. It could be that Sagittarius energy I was talking about. They're working on something.

13

King of Swords

King of Swords: authority · truth

Queen of Wands and the King of Swords. It could be something with a fire sign and an air sign. There's something where they're trying to do something or they're trying to find balancing something. I don't know. Somebody ain't going to be in a good situation. I don't know who it's going to be. But somebody ain't going to be in a good situation. Because nobody's back and down now. What is this energy? We have the seven of Pinnacles.

14

Four of Wands

Four of Wands: celebration · home

We have the four of Wands. It could have been a long time coming to even make it to this achievement. But it is a right of passage for Wands. What is this energy? We have the full card. I really feel like this reading is for a person that was questioning. Should they fight back? Or should they let it just be honest? Are they just going to let it keep eating them up? That's what it's giving. Is giving is a person going to do what they got to do which is fight back? It might not be what you want to do. But it's what you got to do. Or it's just going to continue to eat, eat whoever it is up. If it's you, it's going to continue to eat you up. But the right thing is I mean, I don't want to tell. I don't want to say right or wrong or nothing like that. But if it's in you, then you do what you got to do. If somebody stole from you, take them to court. I'm not selling nobody to go do nothing crazy. But this doesn't look like friendly energy. It looks like somebody is about to burn it all the way up. Like they're about to take it all the way out. They're about to finish what was started maybe a long time ago with that seven of pincus. They're about to finish it. And it doesn't matter how long ago it doesn't matter. But it's about to be a tower moment so that a person's path can be corrected and set right, set straight. That's what it looked like. What's going on in this energy?

15

The Magician

The Magician: willpower · manifestation

We have the magician.

16

Seven of Cups

Seven of Cups: choices · illusion

We have the seven of cups energy. It looks like this magician is trying to create some type of smoke screen. They're trying to create something like some type of illusion, some type of cloak, some type of maybe protection or something like that. They're trying to be protected from what they put out there which is coming back to them. They're trying to protect themselves from their own energy which they sent out. Okay. We're going to see how that works. What's this energy here? We have the higher font. Yeah, I really do. They went to somebody for some type of protection.

17

The Empress

The Empress: nurturing · abundance

We have the Empress, higher font Empress and the magician surrounding the seven of cups.

18

King of Cups

King of Cups: emotional mastery · calm

We have the king of cups of water sign energy.

19

The Chariot

The Chariot: willpower · drive

And then we have the chariot. So something about movement forward. Is someone trying to escape what is on them or what they put, like I said, what they put out there. They're really trying to get away. They're trying to escape. I see that something is about to be unleashed. I really don't know who's going to unleash it. I don't know how it's going to be unleashed. But I see it in the first three cards.

20

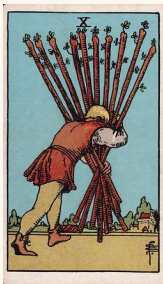

Three of Wands, Seven of Wands

Three of Wands: expansion · foresight

Seven of Wands: defense · courage

Three of wands, seven of wands,

21

Ten of Wands

Ten of Wands: burden · responsibility

10 of wands. It's going to be unleashed. It's fire. And it's going to consume. And there is nothing that can be done about that. No spell. No, like this is their own energy. If they sent something that was supposed to consume you, it's going to consume them. I don't see how that's evil. They put that shit out there. So if it's evil, it's evil that they did that shit. But I don't know if somebody doing a return of sender.

22

Justice

Justice: truth · accountability

I don't know if somebody doing some justice work. I don't know what's going on. But I know it's about to burn somebody that held up. Like, I don't, how can I say like, you might not even know what this person sent out until they hit their ass. And you going to be like, damn, that's what you was trying to do to me. Okay. What is this energy here? We have the eight of pinnacles. We have the night of wands. Look like somebody is there about to perfect something or about there about to take some type of action that I don't know how to say. It's the perfect action to take. It's the best action to take. What is this energy? And then we have the two of Cubs energy. Know it's about to be finished between these two. There is someone asserting their energy but they're doing it the right way with this eight of pinnacles. They're doing it the professional way or they're doing something professionally or they're going, they're just going about it not in, I'm going to say like a barbaric. They're not, it's not a barbaric thing to fight back, depending on how you're fighting or how you got to fight. I only want to say barbaric because you know what? Everybody got some different comments. So I don't know what's going on. Maybe somebody need to ask what I don't know. None of my business. But I'm just saying, whatever it is, it's going to be done properly. I really do feel like that. What is this energy?

23

Page of Wands

Page of Wands: discovery · eagerness

We have the page of wands. And then we have the six of Cubs. Page of wands, six of Cubs. Page of wands going back to the past. Going back to something familiar. What is this energy? And then it's the page of Cubs. Yes, something about a familiar person or something about two young people or when y'all was young. It's something like resonating and like something about the past or going back to the past, remembering the past, talking about the past. It's something here in the past. Maybe there's something that occurred in the past. I see something between two people that's about to finish and then these same two people came out and they have the two of Cubs between them. So it's something from a long time ago. I mean, I don't know what a long time ago is to everybody, but it is something from a long time ago. What is this energy here? That shit is coming back around.

24

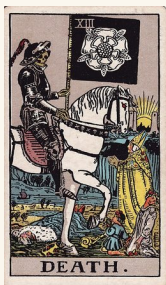

King of Swords

King of Swords: authority · truth

King of Sword, air sign energy.

25

Death

Death: endings · transformation

And then we got the death card here, man. Shit. Right after the King of Sword, I don't know what happened, Lord. I don't know what happened. But this shit got the death out here. What is this energy? It's about to be over. I don't know what happened in the past. Maybe two people were immature. What is this energy here? We have the three of Cups energy. We have the Ace of Cups. Look like the new Ace of Cups or that new connection is some type of family, some type of community. It's something right. Like, I want to say that somebody is being taken out of your life that is not either not supposed to be there or they don't deserve to be there because it's a new three of Cups that's entering. And I don't think it's going to be them. They're going to be gone. They're going to be consumed in whatever the hell they sent out to consume you. What is this energy? And just like, you're getting a new Ace of Cups. You're getting a new something here. See, we got that death card again. I'm telling you it's something about this death card. That shit is coming. Look at this. The first card out in this reading was the three of ones. And it's back again with death. It's like when you move forward with whatever you're going to do or I don't know who's going to do what like for real. I see the energy. I don't even want to put it on a person because it could be a person that does this. It could be an energy that does this. It could be anything you want to call it. But the first three cards showed me that when it starts, it's done. Once it's on, it's on. That's it. I don't care how long ago. I don't care. It's something from the past, y'all. I don't care how long. I don't know. What is this card underneath the nine of Sora? Yeah. It is being communicated. It is driving somebody crazy. What is being communicated? It is. Because they know it's not a game. Some look. I don't know how this is manifesting. Like it could be something swift. It could be something that's slow. But it is something that consumes. It is something that is going to consume like fire. And it don't matter. That shit is timeless. Pain is timeless. That shit is timeless. What is this energy here? Because of load. What is going on here? Clear cancel and release. And it says self-acceptance. Like it's almost scary. It almost sounds like you got to accept what you got to do. That's what you know. I mean, it could

sound like that to me. It might not sound like that to everybody. But it really do sound like that to me. At least to me, it sound like you got to do what you got to do. Because you just got to fucking do it. But I'm going to leave this one right here. If you liked what it already, please like, share, and subscribe. Thank you so much for your likes, shares, and subscribes. I truly appreciate it because it is how we get the messages out in order to elevate the collective.
