

# AN OFFER COMING IN

The whole reading, written out. Each card appears in the order it was pulled, with the reader's own words spoken over it. Read it top to bottom and you have watched the video.

22 card moments · up to 10 on screen at once · in reading order

---

## HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

### Eight of Swords

Eight of Swords: **restriction** · **fear**

First card is the eight of sword.

02

### The World

The World: **completion** · **cycle closing**

We have the world, thank goodness. And then we have the six of pinnacles. There's some type of mindset that's going to close out like somebody's been through it or somebody's been healing through a mindset or a perspective or something that happened or something a person thinks is real or they're stuck in a loop of some sort that's going to close. The world card is going to close the cycle and it's going to end the journey, an old journey where you can learn the lesson and move on and then we have the six of pinnacles. There's like a reason why someone is in the eight of sword. What is this energy? We have the tenor sword, wow. Okay, let me get something here. We have the two of

pinnacles.

---

03

## Three of Wands

Three of Wands: **expansion** · **foresight**

We have the three of wands, the night of cups and the night of pinnacles. Earth's on, water's on, look like they're moving forward together. It looks like they're balancing through something, through some type of ending, through some type of, hmm, I would even say some type of shutdown. Like balancing, it could be trauma, balancing through something traumatic. What is this energy? Like it seems to be like very serious that the first card was the eight of sword, that could really be something that a person is going through or it happens to a person, it's something like a person cannot escape. I don't know exactly what that is, but I know it is like holding someone back on a mental level and an emotional level, but it's going to be worked on. And it looks like it could be a water sign and an earth sign, it could be. What is this energy?

---

04

## Seven of Wands

Seven of Wands: **defense** · **courage**

We have the seven of wands energy. We have the emperors, torus lever.

---

05

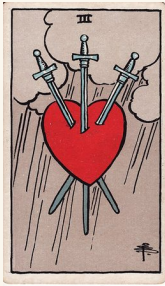

## Nine of Wands

Nine of Wands: **resilience** · **persistence**

We have the nine of wands energy. It's this energy of like protecting, like I don't, I really, okay, if it's the emperors, I feel like something like must have happened and it left an impression on them and maybe they treat as people to certain kind of way or they always have their boundaries up or what is this energy? They don't let nobody in.

---

06

## Three of Swords

Three of Swords: **heartbreak** · **sorrow**

We have the three of swords energy. Like this emperor has protection all around them.

---

07

## Two of Cups

Two of Cups: **partnership** · **union**

We have the two of cups.

---

08

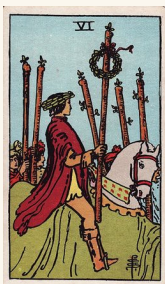

## The Devil

The Devil: **bondage** · **attachment**

We have the devil.

---

09

## Six of Wands

Six of Wands: **victory** · **recognition**

And then we have the six of wands energy. It's like someone successfully overcoming some type of demon. Like I don't know if it's within the relationship or something, it's hatched to a person that is not trying to let them go. Like that's what that shit looked like. Like it's like a, I don't know if it's mental, but it is an imprisonment. It is a block. What it was, it closed, yeah, I was about to say we got the center cups at the bottom. So it was a block, but oh my god. It looks like things are protecting this emperor from like toxic relationships or a toxic, something that was toxic. I see a person moved on

and they succeeded. They are getting some type of reward because they overcame whatever this, uh, it's like a glass ceiling of some sort. Like the emperors has to stand in their power. They have to defend themselves. They have to do what they want to do or be who they are or something like that. But I still do see two people moving forward together, though. I do see that I don't think it's something new. I think it's something where maybe two people have worked on this. Or whoever is involved there. I mean, all I see is the two of cups here.

---

10

## The Empress

The Empress: nurturing · abundance

I see this Empress. The devil is here. Anything that is toxic, anything that is destructive in any type of relationship within this reading, that is, that's being worked on and that's being, I don't know, it's, it's being, uh, like, what's the word exercise, like an exorcism? I don't know what that is, but it will keep somebody stuck if they don't realize what it is. Or if they don't do something, because this has to close out so that someone can receive. There's like a blockage there. What is this?

---

11

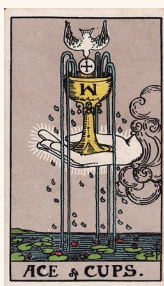

## Page of Cups

Page of Cups: intuition · messages

We have the page of cups. We have the King of Pentecostals. We have the page of Pentecostals. These are new seeds that's being planted. Looks like by this King of Pentecost, something they wanted or something that are offered by this page of cups energy.

---

12

## Ace of Cups

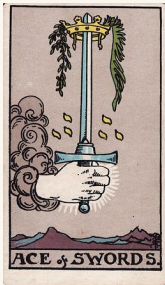

Ace of Cups: new love · feeling

Like, this is going to take somebody out of, yeah, we got the ace of cups here. I don't know if it's a financial offer. It's going to take somebody out of the A to sword. It's going to take somebody out of

feeling like some type of pass is haunting them. Like, I don't know what the hell. It's almost like getting a job at like a happy place or something, because every other job has been hell. I mean, that's just an example. But it is a closing of a cycle like where somebody thought every place is going to be like this, or every relationship is going to be like this. There is a closing of a cycle that's going to show you that maybe you can leave a old mindset behind or maybe not thinking you're good enough for whatever the case may be. Because it really does seem like a person's energy is protected. I don't think this is necessarily a punishment. I think somebody had to go through this to understand what it felt like to maybe have an unhealed perspective and to heal it. I mean, I'm pretty sure it's deeper than that. But I just feel like this devil energy has something to do with that. But it was just until, it was just for a time period. What is this energy?

---

13

### Ace of Swords

Ace of Swords: clarity · truth

We have the Ace of Swords.

---

14

### The High Priestess

The High Priestess: intuition · the unseen

And then we have the high priestess. So the king of pinnacles will know what this communication is when it comes in. They will know what it means. They will know that it's going to take them out of being stuck or being trapped in some type of level or some type of mental state. I don't know what that is. Like, if it was a drug, that's a lot easier to explain. Because that's something physical. There could have been an energy where someone was stuck in something emotional and they had to use a, you know, a drug or whatever, whatever. But that has to close out. There is such thing as healing. Because that's not going, whatever that is, I don't know, a drug, whatever, whatever it is, it's not leading somebody up. And when something comes along to take you out of that, I think whoever I'm talking about will know that it's time to go up. Or it's time to make a better choice. What is this energy?

---

15

## Temperance

Temperance: balance · patience

And I see temperance, Sagittarius energy. What's going on here?

---

16

## The Emperor

The Emperor: authority · structure

We have the emperor, areas. We have the four pinnacles. Yeah, it will be an emperor. Emperor will be steady. Emperor will be stable. Emperor will have what they need. It's something about this mindset that's like blocking everything. Or whatever happened in the past or whatever, it seems to be like a person can't get beyond it. Whatever that is, that really is holding somebody back from their stability. But the offer is going to take somebody out of that energy. Or maybe the offer is coming at a time where someone is realizing

---

17

## The Devil

The Devil: bondage · attachment

or someone is finally, how can I say healing from whatever that devil energy is? Whatever that toxicity or binding or abuse or you know, maybe somebody having power over you in some type of way. Like, what does this energy?

---

18

## King of Wands

King of Wands: vision · leadership

We have the king of wands energy. Once again, fireside. We have the eight pinnacles. Like, somebody's going to do some work here. Somebody's going to do some hell of a work. I don't know, but it's about profession. Like, I really do feel like a person has been, I mean, if it's not profession, because I do see this to a cups, if it is a relationship, it's like a person has been held back from being the best they can be in a relationship. They've been held back in some kind of way. I don't know, like I said, what happened in the past? Or why? I mean, like, what kind of mental state is a person stuck in that holds back from being the best they can be? But this is like perfecting something when it's the eight pinnacles. This is perfecting something. What is this energy? We have the Hierophon. I would say Sagittarius again, but Taurus energy. I want to say even becoming a teacher, becoming a master or taking some type of oath, taking it seriously because it has been something that is, I feel like it will be perfected. I just feel like it's just, it's some type of blockage, man. It's some type of blockage here that was the reason or that is the reason. And instead of devil energy, we have the two of pinnacles energy.

---

19

## Ten of Cups

Ten of Cups: harmony · family

And then we have the Ten of Cups. I do feel like someone is going to take the high road here. It's like, I don't know what kind of offer that this is, but it's going to change somebody's life. It's going to change somebody's relationship. It's going to change somebody on the inside like themselves. This is like crazy that an offer can do that. And I don't, I don't think it's a love offer. I mean, I could be wrong. But it's, I mean, because love can do that too. Love can definitely take you out of a dark place. But it's something. Because I definitely see it needs the only way that someone will get six of pinnacles, which is what you deserve, because deserving is what you put in is what you get out. The only way person will get that is if they break that mental cycle, that mental loop. And I don't know exactly what that is, but the devil is attached to it.

---

20

## The Empress

The Empress: nurturing · abundance

The Empress is still protected though. Like, I just got to point that out. Even though there are some type of blockage, this Empress is still protected. Like, I guess it's them facing the truth about

something or sometimes, how can I say? Sometimes we could do too much. Like sometimes it could be where a situation where this Empress is not letting anybody in. It could be a situation where this Empress think everybody's the same or and maybe that would be an unhealed perspective in some cases. I'm just saying there's something where like the Empress is still protected, but they're not going to close that cycle. They're not going to get their blessings. They're not going to get what they're supposed to get. Even though they're protecting themselves, maybe it's, uh, I hate to say the word. Maybe it's too much. Because you know, there could never be too much protection, right? But I mean to the point where it's blocking you, I don't know. I don't really think that's the problem. But I'm just saying like that could be an element there.

---

21

## Seven of Wands, Nine of Wands

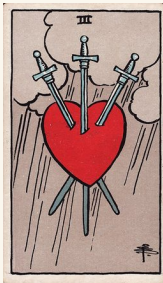

Seven of Wands: defense · courage

Nine of Wands: resilience · persistence

But there it's surrounding the Empress as a seven of wands and then the other side is a nine of wands.

---

22

## Three of Swords, Two of Cups

Three of Swords: heartbreak · sorrow

Two of Cups: partnership · union

And then a three of sword and then this two of cups is attached to the devil energy. And it's like maybe it's this Empress thinking that everybody got, you know, everybody's the same. Everybody's going to be the same. Everybody's going to be this devil energy. Everybody's going to show that side. I don't know. But the Empress can't think like that if they want this opportunity or if they want to grow if they want to unite or connect. Because after the horrified comes the two appendices and the tenacups, like it's something that's built completely and like in its emotional fulfillment, its emotional, emotional, emotional everything, just healing. What is this energy? Like someone is going to heal from this. Someone is going to move on and heal from this and move towards relationships. Not a way. What is this energy? But the right relationships is not just moving towards anybody. It's the right relationships. The ones that help you grow. The tenacups is out here twice. That's like full blown unity. Like with yourself. God, you know, everything around you, nature. What is this energy? And we got the full card. It's somebody's new beginning. It really is. It's just the first part is just a little bit scary with that aid of sword. But it closes out pretty quick with that world card. Like it's definitely coming.

Like it's just the end of a journey where you close out the cycles, you reap your rewards and the rewards come in to show you it's a different life. You're a different person. You're going to have a different story. It's like we control what we can control. We do what we can do. We prepare where we can prepare. But ultimately, things shift when it's time. Like there is really a divine time for everything. And I don't think this was ever a punishment for whoever this is. You know, I don't think everybody's the same. And I think whatever this demon, this binding, this controlling toxic, whatever that is, I think that is what needed to be addressed. I think that was the time to look at that. Like because I don't see that going into the future right there. I don't see that. That's like a glass ceiling. That's like chains and binding and all that. I don't see that. I don't see it. Let me get an angel message. It says take a step back. And it says blessings and abundance with some of the blessings and abundance. It says earth and ground. And it says yes. Like getting the resources, getting everything and realizing that it says take a step back. Spirit is going to show you when everything is meant to be released to you because it will be coming to you. The offers, the whatever it is. I'm going to leave this one right here. If you liked what it is, like share and subscribe. Thank you so much for your likes, share and subscribe. I truly appreciate it because it is how we get the messages out in order to elevate the collective. I love you guys and I'll be back with another reading. Later.
