

AN OFFER COMING IN

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

18 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **277** spoken beats. The same 18 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Eight of Swords

restriction fear

First card is the card. There's like a reason why someone is in the card. What is this energy? We have the tenor sword, wow. Okay, let me get something here. We have the two of pinnacles. Like it seems to be like very serious that the first card was the card, that could really be something that a person is going through or it happens to a person, it's something like a person cannot escape.

02

The World

completion cycle closing

We have the card, thank goodness. And then we have the six of pinnacles. There's some type of mindset that's going to close out like somebody's been through it or somebody's been healing through a mindset or a perspective or something that happened or something a person thinks is real or they're stuck in a loop of some sort that's going to close.

03

Three of Wands

expansion foresight

We have the card, the night of cups and the night of pinnacles. Earth's on, water's on, look like they're moving forward together. It looks like they're balancing through something, through some type of ending, through some type of, I would even say some type of shutdown. Like balancing, it could be trauma, balancing through something traumatic. What is this energy?

04

Seven of Wands

defense courage

We have the emperors, torus lever.

05

Nine of Wands

resilience persistence

It's this energy of like protecting, like I don't, I really, okay, if it's the emperors, I feel like something like must have happened and it left an impression on them and maybe they treat as people to certain kind of way or they always have their boundaries up or what is this energy?

06

Three of Swords

heartbreak sorrow

Like this emperors has protection all around them.

07

Two of Cups

partnership union

I mean, all I see is the card here.

08

The Devil

bondage attachment

Anything that is toxic, anything that is destructive in any type of relationship within this reading, that is, that's being worked on and that's being, I don't know, it's, it's being, like, what's the word exercise, like an exorcism? Or if they don't do something, because this has to close out so that someone can receive. There's like a blockage there. But I just feel like the card energy has something to do with that.

09

Six of Wands

victory recognition

It's like someone successfully overcoming some type of demon. Like I don't know if it's within the relationship or something, it's hatched to a person that is not trying to let them go. Like that's what that shit looked like. Like it's like a, I don't know if it's mental, but it is an imprisonment. It is a block. What it was, it closed, yeah, I was about to say we got the center cups at the bottom. So it was a block, but my god.

10

The Empress

nurturing abundance

The card is still protected though. Like, I just got to point that out. Even though there are some type of blockage, the card is still protected. Like, I guess it's them facing the truth about something or sometimes, how can I say? Sometimes we could do too much. It could be a situation where the card think everybody's the same or and maybe that would be an unhealed perspective in some cases.

11

Page of Cups

intuition messages

We have the King of Pentecostals. We have the page of Pentecostals. These are new seeds that's being planted. Looks like by this King of Pentecost, something they wanted or something that are offered by the card energy.

12

Ace of Cups

new love feeling

Like, this is going to take somebody out of, yeah, we got the card here. I don't know if it's a financial offer. It's going to take somebody out of the A to sword. It's going to take somebody out of feeling like some type of pass is haunting them. Like, I don't know what the hell. It's almost like getting a job at like a happy place or something, because every other job has been hell. I mean, that's just an example.

13

Ace of Swords

clarity truth

clarity and truth. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

14

The High Priestess

intuition the unseen

They will know what it means. They will know that it's going to take them out of being stuck or being trapped in some type of level or some type of mental state. Like, if it was a drug, that's a lot easier to explain. Because that's something physical. There could have been an energy where someone was stuck in something emotional and they had to use a, you know, a drug or whatever, whatever. But that has to close out. There is such thing as healing.

15

Temperance

balance patience

And I see the card, Sagittarius energy. What's going on here?

16

The Emperor

authority structure

We have the four pinnacles. Yeah, it will be an the card. The card will be steady. The card will be stable. The card will have what they need. It's something about this mindset that's like blocking everything. Or whatever happened in the past or whatever, it seems to be like a person can't get beyond it. Whatever that is, that really is holding somebody back from their stability. But the offer is going to take somebody out of that energy.

17

King of Wands

vision leadership

Once again, fireside. We have the eight pinnacles. Like, somebody's going to do some work here. Somebody's going to do some hell of a work. I don't know, but it's about profession. Like, I really do feel like a person has been, I mean, if it's not profession, because I do see this to a cups, if it is a relationship, it's like a person has been held back from being the best they can be in a relationship. They've been held back in some kind of way.

18

Ten of Cups

harmony family

I do feel like someone is going to take the high road here. It's like, I don't know what kind of offer that this is, but it's going to change somebody's life. It's going to change somebody's relationship. It's going to change somebody on the inside like themselves. This is like crazy that an offer can do that. And I don't, I don't think it's a love offer. I mean, I could be wrong. But it's, I mean, because love can do that too.
