

part2 THEY SEE THE LIGHT KARMA

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

28 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

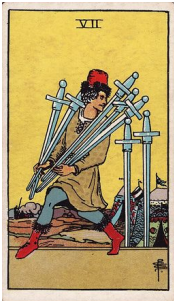

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **151** spoken beats. The same 28 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Seven of Swords

deception strategy

And now it's coming out as the card. I definitely have to clarify that the card. What is this energy? And we have the nine of pinnacles. That's what the card. The card represents like deception or trickery or like manipulation or you know when you're trying to outsmart the system type of shit. And I clarified and the nine of pinnacles comes out and that's usually like a lot of money. Like you know the fruits of your labor and stuff like that.

02

King of Wands

vision leadership

The card what they were doing for money. I could be the card. I'm talking about two. The card could be worried too. The card has been lying. First of all, let's just put that out there like number one. The seven of sword was the first card and the card came out. It looked like they've been doing something here because they're fighting for the card. This is just come on now. What is this energy here?

03

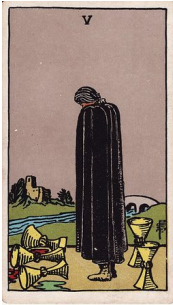

The Empress

nurturing abundance

I'm not like how this is starting and then we got the card. They were just in the other reading together. The card maybe doesn't. The card is at the bottom right here. Should I clarify the card? Let me just let me leave her alone. Since the card is at the bottom right now and the card already came out, I'm going to just leave it like that. What is this energy here? Yeah, right. I just define. Yeah, so yeah, that clarified the card.

04

Five of Cups

grief loss

The Empress and the card yet The Empress knows.

05

Seven of Cups

choices illusion

Yeah, The Empress, five of cups, the card, The Moon, The Empress is hiding the fact that they know. They know what they need to know. They may not know everything but they know enough. I'm so serious. This is right here. They know enough. I just clarified what The Empress is because right out of The Empress was the five of cups and that the card and that The Moon card.

They're worried about something with the card like the page of sword is trying to figure something out. I don't know who's who. It has something to do with the card and it's driving somebody crazy. They're getting it and they've been getting it behind this The Empress back and the card is over there with the seven of pinnacles. The High Priestess

intuition the unseen

The card could be questioning perhaps what they deserve. I mean it doesn't have to be that but that's the first thing that came up. Like it is something the six of pinnacles is about what a person deserves. Like what you put out there is what you get. 19

Two of Cups

partnership union

I didn't mean they just felt like it just fell out like that but okay we got the card here and we got the three of sword and the three of cups The Lovers like I don't know it's like I'm trying not to say certain things but that I don't know if this reading is connected to the first one I just did but I hope not because in that reading that The Empress was fighting for that King of Wands like that The Empress was fighting for that King of Wands and that.
