The King of Wands has maybe a lot of people with them or a lot of people that are on their side. There's a person that doesn't like that. What is this Four of Swords then? Is that somebody giving up? Because Four of Swords is when things become peaceful.

They're accepting that, let's say, because I see this Empress, let's say the King of Wands looks better, or something like that. It's a little shallow, but just as an example, that may bother them. That this King of Wands is confident because of how they look. It may bother them that they can't get to this King of Wands. It may bother them, but they're accepting this truth. They're accepting it. Okay, what's going on here with this? Like if this is somebody, let's say if somebody that's dating the King of Wands, they don't like the attention that the King of Wands gets. King of Wands

King of Wands: vision · leadership

It's almost like somebody trying to tell, I don't know if it's the King of Wands or the Queen of Wands because they don't even matter at this point. But it's almost like one of them are trying to tell the other one to cover up or something like that. Like cover up your beauty, cover up your sex appeal, cover up. And it's like no, there is no covering that. Like okay. What is matter of fact, no? What is this

Ace of Pinnacles? It looks like it's some type of offer here. But somebody is a little weary about this offer. It's the Ten of Pinnacles here. It's the Ten of Pinnacles. I don't know what kind of, it was out of job. It is that somebody's being offered the Ten of Pinnacles just like that. I said the Ace of Pinnacles is offer and I clarified it and the Ten of Pinnacles came out. Like maybe somebody does not believe this or they don't believe that somebody could make money off of perhaps their looks or their sex appeal or something like that. I mean, it ain't none of my business. That's what it looked like to me though. Like somebody knows their power, they know their strength. It's not going to be covered up. That's what I'm sorry to say. If it's a king and a queen of wands, you can't have freedom and imprisonment. Like if you want freedom, you got to let the other one have freedom too. I don't know. I don't know what kind of freedom we're talking about here. But there is a king of wands and a queen of wands. Those are usually counterparts. And we're talking about somebody, you know, it looked like they had a problem with it but they chose to just deal with it. They choose to just deal with it. Like if somebody's light, they're shine. Okay, how can I say this? You know, some people might get so much attention. It puts the other person in a situation. Everybody's relationship is not like that. Everybody's situation is like that. But I'm just saying that exists. They're like sometimes a person gets so much attention that it can almost bring an issue. We can bring drama sometimes. I'm not trying to blame nobody or nothing like that but I'm just saying like it kind of looks like what I'm looking at though. What is this energy? But it's like it comes with the ten of pinnacles. So I don't know. Maybe somebody wants to step into their energy or not be feeling some type of way about this king of wands. I mean, let me mind my business. What's this energy? What is this energy here? We have the queen of pinnacles.

13

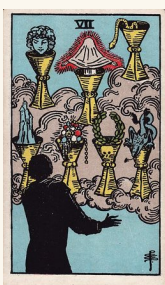

The Devil

The Devil: **bondage** · **attachment**

We have the devil. No, the first thing that came to mind was conservative. Like they want somebody to like cover their whole face or something like that. Like I'm not trying to look. I'm just saying the whole is. Yeah, queen of pinnacles. And then the devil is giving like trying to cover somebody up trying to like control somebody trying to have power over somebody.

14

Seven of Cups

Seven of Cups: **choices** · **illusion**

We have the seven of cups energy. But it's like fake. It's like a cover up. Somebody needs to stop me and fake. I don't know. It's almost like if it's the queen of wands that needs to get over it's the queen of wands that just needs to show their beauty or show their truth. And then somebody else's truth wouldn't bother. Two of Swords

Two of Swords: stalemate · indecision

We have the two of swords. Some type of confusion or some. Okay, give me something else with this because the seven of cups and into a sword can sometimes represent confusion or not seeing the truth clearly. So what is this energy?

19

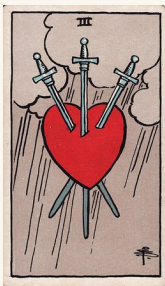

The World

The World: completion · cycle closing

We have the world card here. Like not being sure somebody's not sure if they want to close a cycle. It's almost like another person. It's almost like they can't handle it. I mean, if that's you know what, that's okay. That is okay. If a person can't handle it, they can't handle it. It's okay. I know I just did a reading where I said somebody doesn't care what it takes. This is not it. This is literally the opposite. Unless this is, you know, unless it goes a positive direction. But it's starting to look like somebody might just want to close it out because they can't handle it.

20

Three of Swords

Yeah, we have the three of sword energy.

Nine of Cups: wishes · contentment

The Devil: bondage · attachment

Yeah, we got the three of wands in the devil and the nine of cups like, man, somebody gets a lot of attention here. It's, I don't know. It could be, you know, it could be a lot for somebody. It really could. And it's like they got their understanding what they're signing up for. And that's the part where it's like damn, they get this type of attention or it's like that. Or this is how this person like the dress or this is how this is something where it's like

23

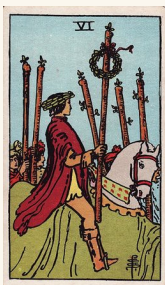

King of Wands, Queen of Wands

King of Wands: vision · leadership

Queen of Wands: confidence · warmth

a person going to want to change this king of wands or they're going to want to change the queen of wands. And it's not going to, it's not going to go that way. Like let people be who they are or just find somebody else. That's what it looked like to me. I don't know. That's what it's looking like to me. Like they're going to have a problem with the king of wands. I clarified the king of wands.

24

Six of Wands

Six of Wands: victory · recognition

Six of wands came out like, maybe they have a reputation. Maybe they are confident, you know, for whatever reason. And yeah, maybe somebody doesn't want to feel like they're in competition.

25

Three of Cups

Three of Cups: friendship · celebration

We have the three of cups energy. Could be something about partying, celebrating.

26

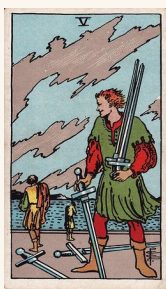

Ten of Cups

Ten of Cups: harmony · family

Yeah, we have the ten of cups. Really, it feels like the king of wands either has so many options or people just throw themselves at the king of wands. Like, I don't know. I think it's uncomfortable for someone. It just, it looks like that.

27

Five of Swords

Five of Swords: conflict · defeat

Even the ten of cups came out when I clarified the five of sword. The five of sword is usually somebody that got a conflict. They don't agree with something.

28

Five of Wands

Five of Wands: conflict · competition

So ten of cups come out and then the five of wands like they don't like they got to compete with all of these people. Or they feel like, and that's what I'm saying. If this is a relationship, they're not competing. It looks like they got, I mean, well, you know what? I don't know if somebody wants to be

God. I don't know if somebody wants to be held down. I don't know. I don't know what direction I, it could either be that someone feels like they have to compete, which they most likely don't. And that's in their head. Or this king of wands seriously puts people in situations where they have to compete and that's uncomfortable. And there's a difference. Some king of wands do that shit on purpose. Some queen of wands is more queen of wands than do that shit on purpose being a wands. But I'm just saying like a percentage of me, I would say 60% of me right now is saying that a person is accepting this about a king of wands. They're accepting this truth about the king of wands. That's what they're accepting. What is this energy here? We have the king of pinnacles energy.

29

Five of Cups

Five of Cups: **grief** · **loss**

So earth sign, we have the five of cups energy here.

30

Judgement

Judgement: **reckoning** · **awakening**

And then we have judgment like somebody got to wake up to the truth. It could be an earth sign they got to wake up to the truth. Could be. I mean, I was getting two fire signs, but you know, so far I see the king and the queen of wands and I see the king and the queen of pinnacles. So earth and fire. And some kind of way.

31

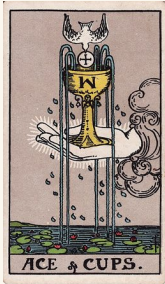

The Star

The Star: **hope** · **renewal**

When somebody's got to wake up to the truth here and then we got the star. So I mean, what we're going to do? We're going to stop the star from shining like what we're going to do? We can't do that. That's not going to lead to anything. What is this energy here? Somebody got to free themselves.

We got the high-refront energy towards inside the terriers. And we got the eight of pinnacles. So it could also be somebody's job. Like that's just their job. And they have to do what they have to do on their job. But even then it's like. It's just something uncomfortable with this. And then we got the six of wands here.

32

Ace of Cups

Ace of Cups: new love · feeling

Oh, six of wands, ace of cups and queen of wands.

33

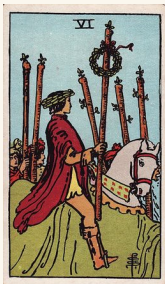

King of Wands

King of Wands: vision · leadership

So the king of wands does want the queen of wands. They do the king of wands wants the queen of wands and vice versa. But I think somebody might have, you know, it's okay to have insecurities and stuff like that. Like, you know, fillings are real.

34

Six of Wands

Six of Wands: victory · recognition

But I think that because of the six of wands and the ace of cups and then the queen of wands, I think that there is a true connection with the king of wands between the king of wands and queen of wands. Or if it's the king of pinnacles, queen of pinnacles, I think there is a true connection. But it doesn't change the attention that somebody gets. It just doesn't change it. I don't know what to tell somebody that looks like. You know, you got to accept people. What is this energy? We got the queen of pinnacles coming out again.

35

Eight of Cups

Eight of Cups: walking away · seeking

We have the eight of cups. It could be a matter of emotional growth and then we have the nine of pinnacles. It could be a matter of emotional growth. Just sometimes it's not that we should bend any rules or we should bend anything. Sometimes it's us that has to increase or grow or change or something. Sometimes it is us. Or usually you start losing stuff, you start losing people. If you don't realize, you know, sometimes it's us. But I see somebody figuring it out but that shit is not easy. That is really not easy. It's not comfortable. It's not easy. We still got the ace of cups though. So I'm just saying, like it looks like there's love between these two people. Because they came out as counterparts twice. They came out as counterparts twice but you can't help. If somebody look good, you can't help. If somebody gets that attention, you can't help. I mean, you just can't help that. It says raise your vibration. That's what it says. Raise your vibration. I noticed reading a for everybody because this kind of shit right here, everybody can't handle this kind of stuff for real for real. Because that really could work on somebody's mentors, their emotions, all types of shit. But like I think that these two are strong enough. Clearly, it says mother, father, god, connect them back to source and trust the universe. It says honesty and communication. Like somebody got to just be real. I won't leave this one right here. If you liked it already, please like, share, and subscribe. Thank you so much for your like, share, and subscribe.
