

PPLS ATTRACTION SCARES PARTNER

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

28 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **268** spoken beats. The same 28 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

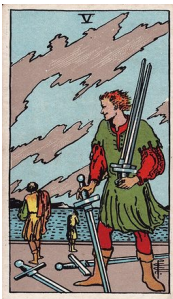

King of Wands

vision leadership

We have the card Energy, we have the Five of Swords, and then the Four of Swords. It seems like, okay, let me get something with the card. What's going on with the card? It seems like somebody has a problem with the card confidence, perhaps. Somebody's blocked because they're okay, there's like some type of competition with the card. Someone feels like they can't get to the card because they are so confident.

02

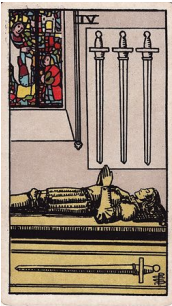

Five of Swords

conflict defeat

Okay, so what does the card? I mean, whatever it is, it seems like it gets neutralized because it goes to the Four. What does the card? The card is usually somebody that got a conflict. They don't agree with something.

03

Four of Swords

rest recovery

Is that somebody giving up? Because the card is when things become peaceful.

04

Ten of Cups

harmony family

When I clarify the Five of Swords, the card come out. I don't want that to be family. You know, the card can sometimes be that, but that don't sound right. If they got an issue, like there's something blocking. Okay, what is this energy here? Even the card came out when I clarified the five of sword.

05

Six of Wands

victory recognition

We have the card, so the King of Wands looks like they are confident. They look like they're winning something. The card came out like, maybe they have a reputation. Maybe they are confident, you know, for whatever reason. And yeah, maybe somebody doesn't want to feel like they're in competition.

06

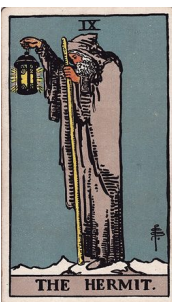

Five of Wands

conflict competition

Yes, like some type of competition. So ten of cups come out and then the card like they don't like they got to compete with all of these people. Or they feel like, and that's what I'm saying. If this is a relationship, they're not competing. It looks like they got, I mean, well, you know what? I don't know if somebody wants to be God. I don't know if somebody wants to be held down. I don't know.

07

The Hermit

solitude inner wisdom

We have the card, Virgo energy, or like somebody's falling back. It's like they know the truth. What is this energy here?

08

The Empress

nurturing abundance

It's almost like somebody's accepting defeat. They're accepting that, let's say, because I see the card, let's say the King of Wands looks better, or something like that. It's a little shallow, but just as an example, that may bother them. Or maybe it's the card feeling like they're trapped. They're stuck.

09

The Sun

clarity joy

We have the card, Leo energy.

10

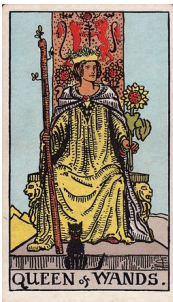

Seven of Wands

defense courage

defense and **courage**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

Queen of Wands

confidence warmth

We have the Ace of Pinnacles. Let me get one more. It looks like somebody standing there ground like somebody's going to be them. Somebody's going to be who they want to be. They're going to beat themselves. It's almost like somebody trying to tell, I don't know if it's the King of Wands or the card because they don't even matter at this point. But it's almost like one of them are trying to tell the other one to cover up or something like that.

12

Nine of Wands

resilience persistence

resilience and **persistence**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

13

The Devil

bondage attachment

No, the first thing that came to mind was conservative. Like they want somebody to like cover their whole face or something like that. Like I'm not trying to look. Yeah, queen of pinnacles. And then the card is giving like trying to cover somebody up trying to like control somebody trying to have power over somebody.

14

Seven of Cups

choices illusion

But it's like fake. It's like a cover up. Somebody needs to stop me and fake. I don't know. What is the card energy? Okay, give me something else with this because the card and into a sword can sometimes represent confusion or not seeing the truth clearly. So what is this energy?

15

The Lovers

union a choice

What is this energy here?

16

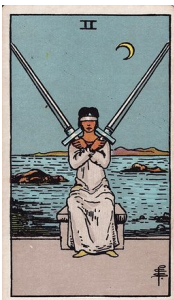

Eight of Swords

restriction fear

restriction and **fear**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

Two of Swords

stalemate indecision

stalemate and **indecision**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

18

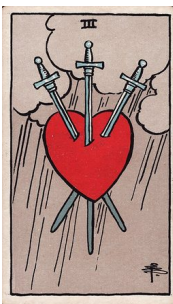

The World

completion cycle closing

Like not being sure somebody's not sure if they want to close a cycle. It's almost like another person. It's almost like they can't handle it. I mean, if that's you know what, that's okay. That is okay. If a person can't handle it, they can't handle it. It's okay. I just did a reading where I said somebody doesn't care what it takes. This is not it. This is literally the opposite. Unless this is, you know, unless it goes a positive direction.

19

Three of Swords

heartbreak sorrow

Yeah, we have the card energy.

20

The Chariot

willpower drive

Somebody really might leave this because they can't take all that energy.

21

Three of Wands

expansion foresight

Yeah, we got the card in The Devil and the nine of cups like, man, somebody gets a lot of attention here. It's, I don't know. It could be, you know, it could be a lot for somebody. It really could. And that's the part where it's like damn, they get this type of attention or it's like that.

22

Nine of Cups

wishes contentment

wishes and **contentment**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

23

Three of Cups

friendship celebration

Could be something about partying, celebrating.

24

Five of Cups

grief loss

So earth sign, we have the card energy here.

25

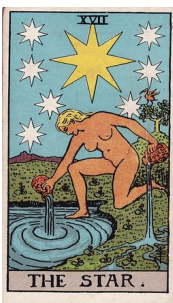

Judgement

reckoning awakening

And then we have the card like somebody got to wake up to the truth. It could be an earth sign they got to wake up to the truth. Could be.

26

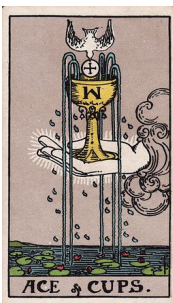

The Star

hope renewal

When somebody's got to wake up to the truth here and then we got the card. So I mean, what we're going to do? We're going to stop the card from shining like what we're going to do? We can't do that. That's not going to lead to anything. What is this energy here? Somebody got to free themselves. We got the high-refront energy towards inside the terriers. And we got the eight of pinnacles. So it could also be somebody's job. Like that's just their job.

27

Ace of Cups

new love feeling

Six of wands, the card and queen of wands. But I think that because of the six of wands and the card and then the queen of wands, I think that there is a true connection with the king of wands between the king of wands and queen of wands. Or if it's the king of pinnacles, queen of pinnacles, I think there is a true connection. But it doesn't change the attention that somebody gets. It just doesn't change it.

28

Eight of Cups

walking away seeking

It could be a matter of emotional growth and then we have the nine of pinnacles. It could be a matter of emotional growth. Just sometimes it's not that we should bend any rules or we should bend anything. Sometimes it's us that has to increase or grow or change or something. Sometimes it is us. Or usually you start losing stuff, you start losing people. If you don't realize, you know, sometimes it's us.
