We got the Fool and we have the Nine of Wands energy. The first thing I thought was somebody could have a hard head. Somebody has a hard head. And it could be the Queen of Wands. Okay, confirmation. I know y'all heard that. It could be the Queen of Wands that knows they gotta own up to something and they gotta they gotta start something over. They have to it's something that it just needs to be renewed because it's not a game like you can't just act like something didn't happen or can't act like okay what is this energy we have

Two of Cups

Two of Cups: partnership · union

the two of cups so I know that the Queen of Wands wants to make this better but they can't something they can't fake it may be something they're going through this Queen of Wands the Queen of Wands may be going through something they're not telling the empress but they're doing things for the empress or they're doing what they can or they're doing something here something is changing about this Queen of Wands it doesn't have to be a fire sign but the Queen of Wands is very passionate about going towards the Empress. They're very passionate about making something right. They're very passionate, but I don't think they're telling everything. But still, there's something crazy with a third party. Like it's a ten of wands. It's like, I don't know if somebody's fighting. I don't know what's going on. But the Queen of Wands is not in a good position and they're doing... it almost feels like a daughter and their mother. But the Queen of Wands is like older and the Empress is like older than that, you know, respectfully, but it's like I feel like it's someone going towards the Empress. I don't know if it's a boss, like respecting a boss before you lose your job, but it kind of looks like mother figure or father figure. The Empress could be a father, I don't know, but it's something like that and they know like something is going on with this Queen of Wands. They're not

saying that though and it's something with the third party that's going on and they know that they need forgiveness because they it may come a situation they need this Empress that's what it's looking like and they want to be in like a good standing yeah I think they better do

17

Nine of Swords

Nine of Swords: anxiety · worry

Like the Queen of Wands might not be saying what's going on, but the Queen of Wands is going through it on some real shit. That's all I see. And we have the

20

Four of Cups, Nine of Pentacles

Four of Cups: apathy · reflection

Nine of Pentacles: abundance · independence

nine of Pentacles here. What about this nine of Pentacles? We have the four of cups. I don't know, feeling like rejected from some type of rewards here. Rejected from some type of like positive, like when you're living your best life, but I don't think the Queen of Wands is doing that. I don't think so. And I don't know what sign the Queen of Wands is. It doesn't have to be a fire sign. I think they're coming out like a fire sign because they're passionate about rebuilding this with the Empress, but it doesn't have to be a fireside. But it's someone that, I don't know, it looks like they're gonna be cut off from some type of luxury, they're gonna be cut off from some type of, or it's happening. And then we have the chariot here. Yeah, it feels like they're gonna have to move forward. They're gonna have to go into the, into something scary or the scary part of something or they're gonna, yeah, it feels like it's a humbling experience. I kind of don't even want to dig, but because I see the

21

The Moon

The Moon: hidden influence · illusion

moon card here. It feels like a humbling experience and the queen of wands may have to do something they may not want to do but you know they're gonna have to weigh their options here. Okay and the better answer would be to be respectful to whoever this Empress is. I don't know that's what it looked like to me that's what it looked like to me that would be the better option here because whatever is going on with that third party I mean it's going to hit the fan and I mean like people say shit hit the fan all the time but like really imagine shit on the fan and turning that fan on and what that room is gonna look like it's gonna be a nasty fucking mess and that's what it's looking like for this Queen of Wands so it's just a better option to respect this Empress I

22

Judgement

24

The Emperor

The Emperor: authority · structure

made with the Emperor somebody got to make peace because maybe the Queen of Wands was wrong like damn everybody's human you can be wrong sometime the Queen of Wands was wrong it doesn't look like the Empress was wrong it looked like the Queen of Wands is wrong I'm just saying you know what is this energy

27

Page of Pentacles

Page of Pentacles: **ambition** · **study**

We have the Emperor and then we have even the page of Pentacles the same page of Pentacles that came out with this Queen of Wands So Queen of Wands can be a man Queen of Wands could be the Emperor right here The Emperor is right here and even the Emperor has that same card, which is the page of Pentacles that came out right after the Queen of Wands This emperor right here, it could be this emperor that's realizing they have to plant the seeds. They got to do what they got to do. They got to do what they got to do. Because whatever that

28

Three of Cups

Three of Cups: **friendship** · **celebration**

Three of Cups is, that's not it. I mean, I'm not trying to make it sound like it's some type of marriage where this person stepped out and, you know, maybe the empress is giving them another chance, but it's not an easy chance. And that's why I say somebody got to wait our options. Maybe it is an option with the emperors. Maybe the empress is like, you know, yeah, you know, everybody's different. Like I can't judge nobody's shit. If that's your emperor, that's your emperor, but he fucked up and he's getting fucked up and shit. Like if he trying to come back, I mean, damn. I mean, it's up

to you what you do. You know what I mean? Like, I'm sure it's not easy like pie. You know what I mean? Apple pie, you know what I mean? It's not like that, But it looked like somebody's realizing where home is, perhaps, maybe they're realizing that, but that does it like, yeah, it's good to realize, but you still gonna have to clean this shit up. I'm sorry, that's what it looked like. Like you can't, you know, you really, whoever this, you know, emperor or queen of wands, they messed up with this empress.

29

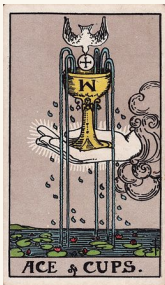

King of Wands

King of Wands: vision · leadership

Yeah, and we got the King of Wands here. They messed up with this Empress and they want to do the right thing.

30

Ace of Cups

Ace of Cups: new love · feeling

We got the Ace of Cups here. So they want to do the right thing and they want forgiveness here.

31

Temperance

Temperance: balance · patience

Temperance, they want the Nine of Pentacles. They want to gain this back. They want to gain it back. They don't want to lose whatever that Nine of Pentacles is.

32

Nine of Swords

Nine of Swords: anxiety · worry

And then we got the Nine of Sword here. They're really going through it because of this. It could even be what they feel like is their family, their wealth, their resources, because the emperor's gonna take half. I mean, if it's a marriage or something like that, but it really does look like whoever this is, they don't have, like they have to respect this emperor. It's like, how you gonna do the empress like that? Like there's just some people, like for real, there's just some people like don't do that. You gotta have at least one person, at least one, that is just like, no, don't do them like that. I'm just saying. So whatever this is, it really is a humbling experience because I mean, this Empress, it didn't really speak much about the Empress, but I think the Empress must be something good if the Emperor or the Queen of Wands is coming back and they feel like this is the right thing to do and they know what they gotta do. But still, that shit is crazy right there. Let me get an Angel message here. This phone is going off. What is this energy? We have learning experience. And this is manifestation. I guess they don't like what they manifested cause they really are coming back. They coming back to the empress. Don't play with the empress like that. Cause you're going to need the empress. Okay. Or if it's the other way around, I don't know. But okay. I'm going to leave this one right here. If you like putting our reels like share and subscribe.
