have already told this queen of cups what they needed to know and maybe the queen of cups didn't see it until they until it was time for them to see it. And what they deserve and it's the ten of wands and it's this eight of sword. It's like they're stuck in some type of how can when say responsibility. Sometimes when it's uncomfortable, it's so that you can listen. So that you can hear a little better. You know, cuz that's how it works spiritually. That tension is not there for nothing. Okay? Whatever it is, whoever this is, they want to fix this. Okay? They want That's what they want to do because they trapped in whatever this damn burden. It's a lot on their shoulders out here. That's the thing. That's the part right there. That part. It doesn't mean like like just because your burden and and now you understand that that burden is going to come off. No. That's everybody. You know what I mean? Like you got to balance all of that. You got to like I don't know how to say it. Almost like this person thinks reconnecting with you I hope this is not what they think. But if they think reconnecting with you is going to take some of the burden off of them, mhm. That's not going to do it. The burden is still going to be there. And that's when they're going to have to

realize, damn is it worth it? Cuz if I connect with this person and then the burden is not off me, what's the point? Exactly. So that's all I'm saying. So we got the devil out here now. Yeah, and I didn't even realize like I swear to goodness my eyes didn't even look at the card. My eyes didn't even look. I just felt the energy of like wow, this person is going to realize there's no point of coming in. They are not going to pass no burden off to you. Hell to the no. Okay, you got your own burden. You had your own burden when they didn't even understand. And now they understand, now they want to put the burden back on you. They better think three, four, five, six times. They better think a lot before they do some like this. What is this energy here? That's funny how it's the tower and the three of swords, like they are really understanding that that's the Whatever they got to do is what they got to do. Like if they just look, I'm not talking about nobody. This is just an example. But somebody decides one day that, you know, they have their their child, their one child, and they're like, "Oh, no, I can't do this. I just can't. I just can't." No. You better figure that out. Or you better surrender. I don't know. I'm going to mind my business. But whatever this energy is, cuz that's just an example for the energy. But that doesn't have to be the case. But it's something where you cannot Don't think that reconnecting with somebody means that you're backing out of your responsibilities, cuz no. That would be some funny but no. No, that's not going to happen. Not in this reading. I'm not going to speak it. I see it. And I see what they're trying to do, but that ain't going to work. People are too keen. Yeah, that's their plan, too. No. People are too keen with that. What is this energy here with this? What is this? What is this

energy? Yeah, so they definitely got a reason here. We got the lovers card. Gemini energy again. They really want this to be a, you know, a item. They really want this to work. No, they need to work. It's not going to be two people. It's not going to be the Lovers in there. It's just not. Not in this reading. I don't see it. I see the Devil energy. I don't see this Lovers That's That's right there. Just so that somebody does not have to do whatever they got to do. Cuz now they understand and it's like, oh my god, it's too much. Let it be too much. That's only the beginning. It's too much now. It'll get better with time. That's all I can tell somebody. It'll get better with time, but don't think that your burden becomes my burden, cuz I got my own. What is this energy here? And I'm talking about like a whole burden. Like somebody trying to drop the whole bomb right Like, no, keep that with you. That's yours, okay? I got mine. You can get yours. What's this energy? I swear to goodness. This person want to reconnect for the wrong reason.
