

SOMEONE IS FIGHTING FOR YOU

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

19 cards · up to 10 on screen at once · **reading order**

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **324** spoken beats. The same 19 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

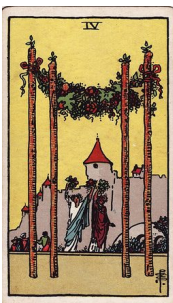

The High Priestess

intuition the unseen

The card is the only major icon in here. So the card could be one person that knows where they're going and what they're doing. The card was the first card. The card is the guide through this portal. The card can see the truth. And without the card energy, it would not happen. The card knows the way. And the card is bringing somebody through. As a sword. And I didn't know that As a sword was here the whole time. As a sword is facts. It's the truth.

02

Four of Wands

celebration home

We have the card energy and then the queen of cups energy. The card and then the queen of cups. The card came out again.

03

Queen of Cups

compassion empathy

Okay, let's clarify the card so far it's a solid energy. Okay, wow, we got the four Wands again. So The High Priestess came out four Wands, the card. I clarify, the card, four Wands came out again. So the four Wands is out here twice. So is this someone like looking at a mirror? Is this someone looking at themselves? Like they've already seen something.

04

Six of Cups

nostalgia innocence

It could be somebody looking at their own past. I don't know. This is an interesting energy. But the queen of cups being here with the same four Wands and then the card at the bottom it like really shows there's some type of connection there. Almost like it's like a spiritual parent. A spiritual something here.

05

King of Wands

vision leadership

Like they earn something here with the card energy.

06

Two of Cups

partnership union

And it's the card. It's some type of relationship there.

07

The Sun

clarity joy

clarity and **joy**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

08

The Empress

nurturing abundance

It looks like a beautiful relationship between two people. Where it makes the card feel good. I don't know who the card is could be the queen of cups. It even looks like in a crazy way, this The High Priestess is petitioning for this queen of cups or the card. They're defending. Because it's not just this is not something small. I can see it right now because you don't just get to the Ten of Pinnacles like that.

09

Justice

truth accountability

We have the card and the harming is seeing the truth here. The harming sees my goodness. Also Virgo Libra, we have the six of pinnacles. They see it's fair. They see they're being given what they deserve.

10

Nine of Swords

anxiety worry

anxiety and **worry**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

The World

completion cycle closing

So somebody was worried about this and then we have the card but the cycle is closing. Maybe somebody was worried they weren't going to make it. We got the four of pinnacles. So that's solid financially and then we have the two of pinnacles. Something that just keeps going or it keeps producing results or it finds balance. It keeps its balance. You know, there has been going on in the card. None of that.

12

The Emperor

authority structure

It's some type of reflection there could be an the card. And like it's seen.

13

Queen of Swords

independence clarity

Yes, the card knows the rules too. They know the laws. So the card is doing what they got to do to make sure that whatever these possibilities are, they happen.

14

Seven of Wands

defense courage

And then we have the full card. The card came out before. And then we have the page of pinnacles fighting to plant these new seeds. Fighting the odds. Like I think there's things against this queen of pinnacle.

15

The Magician

willpower manifestation

And I just say somebody is going through the highest initiation. Somebody is being given some type of power also. It's not just any portal you're just walking through. It's not just any initiation. You're being given the tools.

16

Five of Wands

conflict competition

conflict and **competition**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

Ace of Wands

spark inspiration

So it is how can I say it is a little turbulence? It is a little how can I say challenging? But it's something here where it must in order to light the flame, it must happen. What is this energy? And then we have the six pinnacles here.

18

Temperance

balance patience

And then that's the blessing right there in the card. That's the path of balance. Somebody is going to be on the way to their star energy on the way. Like that's a pathway in itself. But the card is a pathway in itself too. And it's a balance and someone is, I believe, being initiated to that path through someone else.

19

Five of Swords

conflict defeat

And we have the higher font. So it's something about, okay, let me get something with the card. I want to go back to the card. And it's the five of pinnacles. Really, I really feel like somebody wants to come out of this poverty. Or they want to come out of sickness. They want to come out of some type of issues where it could be depletion. Black is just not good. And the higher font has the answers. They know the laws. They know the rules.
