Eight of Wands

Eight of Wands: speed · movement

and the Eight of Wands. Damn, I feel like this Page of Cups has a strong intuition or is telling them to do something or is telling them to act right now. Like they got to do something right now. I don't know if this is somebody younger or if this is like a new message or it's a spiritual message. Like somebody has a message that's coming in and it's High Priestess energy. So, it's something like knowing without knowing why you know, but you just know you got to do something cuz the Eight of Wands is action. That's you got you take action like now and it's a focus of energy. Like it's something very quickly. I don't know if it's somebody traveling, going somewhere. Like they know they got to do something now. What is this? What's going on with this Page of Cups?

do that [h__h] now. And we got the Fool card. So, this is about a new beginning. It's about the Page of Cups going a new direction or starting something new and they know they got to do it now. Like you got a spiritual message that it's time to do something. Or there's there's some type of message. I It's It's got I mean, I don't know how it's going to look. It don't got to be a dream. It might be something on the outside of you that you see that it's it's time to do something. It's time to do something now or it's time to go somewhere now. And it's 10 of Pentacles. It could have something to do with family. It could have something to do with wealth. Or an inheritance. What is this energy? And it's with the Wheel of Fortune. I'm just saying. Ace of Cups

Ace of Cups: new love · feeling

now. And the Ace of Cups. Come on now. So, this is definitely having a relationship with somebody. This is love right here. This [h__h] is crazy. So, somebody knows it's time to focus on love. It's time to make It's time to take some type of action. It's time to do something. It's time to pop the question. It's time to do something. And it's very important. And it is something in the name of love. And it's Wheel of Fortune and then 10 of Pentacles. It's like it's so huge. And it is really about a relationship. I didn't see all that before this. It was But until the Two of Cups and the Lovers came out and the King of Cups is all about love. And then the Ace of Cups. Like somebody wants this relationship and they know that they got to go right now before it's too late. They got to do so or they got to do something right now before it's too late to change the outcome. I swear to goodness, that's what I'm seeing right now. But I do feel like as long as it's whoever I'm doing this reading for, as long as this person makes this decision or they understand this energy and why they're being pushed into it. Cuz spiritually I'm telling you this is somebody's destiny, but you can withhold yourself from your own destiny. And I wouldn't want somebody to do that cuz it looks like it's it's your new life. It's everything. What is this energy?

over here. The star, the six of wands, the nine of pentacles, the ace of pentacles. That's 10 pentacles again. The nine of pentacles and the ace of pentacles out here together. The nine of wands. But it's the tower and the moon. Like something is going to shock a person that like is something the person is not going to expect. I can't There's no way I could know that in this reading. Whatever it is. It's How can I say this? Many people would know what I'm saying. Sometimes you really do have a moment. You really do have a moment where you realize if you don't make this decision right now or figure this out right now that it's going to it's going to fall out of your hand like sand. Everybody may not have been through it before. But that's a serious That's some serious [h__h] right there. And I feel like it may even be hard to do this. It may be hard to acknowledge this or claim this. It may be hard. But if somebody he it's going to take somebody into a future you can't even imagine. You can't even imagine. You can't even write it right now because it's not written. But it's available. But it could be a you know about to say it could be you know pride sometimes stops a person from you know, doing what they got to do. Or whatever for whatever reason. And I wouldn't want nobody to go through that because whatever you got on the other side is unwritten. But it's ready for you to live it. Like you have to live it. It's there though. What is this energy? Like they're going to ex- It's something about being exposed to more of the mystery, more of the path, more of It's like light is slowly shining within the darkness or something like that cuz the moon energy, let me clarify the moon. Let me clarify the moon. Cuz it is some type of hidden truth and I just feel like you know, maybe it's not meant for somebody to know everything with that

19

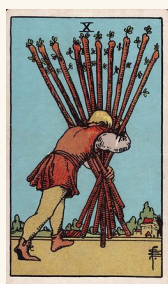

Seven of Cups

and then it's the seven of cups and the seven of cups is no better. The seven of cups is illusion. And it is like choices and it could be imagination. It could be a lot of different things, but we have the ten of

20

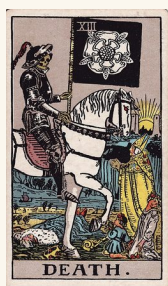

Ten of Wands

Ten of Wands: burden · responsibility

wands at the bottom here. Someone is understanding that this is a responsibility. Some people will know that nobody would ever call this a burden. If we're talking about a relationship and love and owning something and taking action because it's time to take action type of thing this is not a burden. This is somebody understanding this is heavy responsibility. This is not this is not easy, but a person is realizing this is what they want to do. They know on a deep level no matter what's going on, they know on a deep level that this is what they want to do. This is the relationship. This is where they want to be. They know on a deep level. And I don't want this energy to be confused with anything karmic or anything abusive or anything like that. This is like healing love. This is ascension love. This is like you know, I'm just saying. What is this

21

Death

Death: endings · transformation

saying? Then we got the death at the bottom. So it is transformation. Somebody is doing something they may have never done. That's another thing. What is this energy here with this? >> Iron intuition.

22

The Magician

The Magician: willpower · manifestation

>> We have the magician. Okay.

23

Temperance

Temperance: balance · patience

And we have Temperance, Virgo, Gemini, and Sagittarius. So it is someone's taking responsibility for their path. And they're saying what they want. They're saying this is what they want. And this is what they're going to manifest. And that's how it's supposed to be. It's not supposed to be it just happens to you. Or whoever I'm doing this reading for. Cuz it's not just going to happen. It's something that a person needs to awaken to and want and go after it. Cuz if not, it's not going to be theirs. It's not just going to come to a person. You know. Not in this energy. What is this right here?

24

The World

The World: completion · cycle closing

And we have the world card. So cycles closing out here. Cycles got to

Could be our earth sign waking up to the truth, waking up to their calling, waking up to the truth of the relationship or what somebody means to you or the fact that this is it. This is serious. You know, but it started with a page of cups. It is, you know, people with their heart out here. Page of cups is here,

knight of cups, king of cups. Like it's a lot of cups, a lot of water. You know, including the two of cups,

27

Ace of Cups, The Lovers

Ace of Cups: new love · feeling

The Lovers: union · a choice

even the lovers, even the ace of cups. It's a lot of water. But it really may be time for someone to understand like this is the real love or this is real healing or this is where it's at. Like don't play with that energy. Don't wait until something is too late. I don't know who that's for, but it really does feel like something is not going to be forever. It's not going to be forever. We have temperance energy, Sagittarius again.

28

Five of Wands

Five of Wands: conflict · competition

We have the five of wands energy. What is this?

29

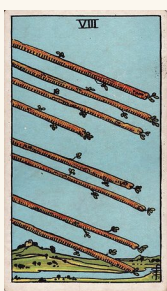

Ten of Pentacles

Ten of Pentacles: legacy · wealth

And then we have the ten of pentacles. So it was some type of obstacles here to this ten of pentacles. And like I said, the ten of pentacles can be family, can also be wealth or something being inherited or, you know, business or something. But this reading is about a relationship. This reading is about somebody realizing they got to take action now. But I wonder what this was causing conflict or who was causing some type of conflict or who made it hard or why something is hard. But it is, but it leads to this. So it's better to get through this struggle right here. Somebody's choosing to get through something. They're choosing to get past something, beyond something. This ten of pentacles is important. And And if you want that ten of pentacles, you got to act now. That's what I see. No matter what's going on with this, this [h__h] going to go to the side. This [h__h] ain't even going to matter. There's something that a person is going to act on regardless of this. That's what I feel. Because it really does seem to be very important that somebody make this shift. It's not a game. It's not a game. Same ace of Pentacles. What is this energy?

30

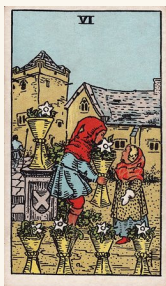

Eight of Wands

Eight of Wands: speed · movement

What is this? We have the Eight of Wands again. That was the third card in the entire reading. What is this Eight of Wands? And we have the Seven of Cups. So, it's something about seeing to the truth. This right here, I get this feeling that you know how like something can go through smoke and it clears the smoke? It's like there's something here that somebody needs to clear the air. Okay? That's how I got to that conclusion. Somebody needs to clear the air of whatever this is that's just floating around or whatever uncertainties or whatever feelings that may be right, wrong, I don't care what it is, but it's very foggy there. That needs to be cleared out. I'm telling you. I don't know who this is, but this [h__h] right here needs to be cleared out. There needs to be no confusion here. What is going on?

31

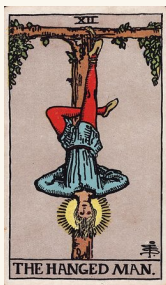

Six of Cups

Six of Cups: **nostalgia** · **innocence**

We have the Six of Cups. See, that's a very close relationship. That's a deep relationship.

32

The Hanged Man

The Hanged Man: **surrender** · **new perspective**

And we have the Hanged Man. So, somebody has to realize they got to come to some type of realization quickly. I'm telling you because it's not it's something that's not forever. And I hate to say that cuz I don't know what it is, but it's something that's not forever. There's a time frame. There's a time window there. What is this energy?

33

Three of Wands

Three of Wands: **expansion** · **foresight**

We have the Three of Wands energy. Okay. Three of Wands. And then the same Ace of Pentacles. So, it's it could be another chance at something. It could be a new beginning to build something. Okay? But a person is choosing. There is a difference. A person is choosing. It says courage and bravery. And then it says listen deeply. Like

34

The High Priestess

The High Priestess: **intuition** · **the unseen**

that's that high priestess energy where something telling a person they got to do it now. And it's that's a strong thing to do. It takes like Clearly this is not an easy move to make. Clearly it I don't know if it's going at this angle, but it kind of looks like somebody has to like suck up their pride. I don't know if it's it's exactly that angle. But if I'm looking at somebody that they have a time window to do something yet it's not easy to do it. It's something a person they have to make that sacrifice or they got to make a compromise or they got to do something because it it looks like it could be beautiful if a person does what they got to do. That's what I see. And it looks like there's going to be like more Something's going to open up. Like doorways going to open up choices, life, something's going to open up. As long as a person understands you got a window of opportunity there. I'm going to leave this one right here. >> Chiron intuition >> If you like the way that I read, please like, share, and subscribe. Thank you so much for your likes, shares, and subscribes.
