

Something Happened To Let Them Know You're The One

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

31 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **786** spoken beats. The same 31 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Page of Cups

intuition messages

We have the card, The High Priestess, and the Eight of Wands. Damn, I feel like the card has a strong intuition or is telling them to do something or is telling them to act right now. Like they got to do something right now. I don't know if this is somebody younger or if this is like a new message or it's a spiritual message. What's going on with the card? Okay, so the card know they got to do that now.

02

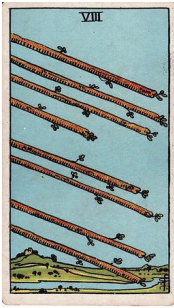

The High Priestess

intuition the unseen

Like somebody has a message that's coming in and it's the card energy. Like that's that the card energy where something telling a person they got to do it now. And it's that's a strong thing to do. It takes like Clearly this is not an easy move to make. Clearly it I don't know if it's going at this angle, but it kind of looks like somebody has to like suck up their pride. I don't know if it's exactly that angle.

03

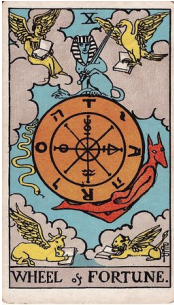

Eight of Wands

speed movement

So, it's something like knowing without knowing why you know, but you just know you got to do something cuz the card is action. That's you got you take action like now and it's a focus of energy. Like it's something very quickly. I don't know if it's somebody traveling, going somewhere. Like they know they got to do something now. That was the third card in the entire reading.

04

Wheel of Fortune

cycles turning point

Okay, so there it seems that to be that there's a time window. There's a window of time. And it's with the card. I'm just saying. What is this energy?

05

Ten of Pentacles

legacy wealth

And it's the card. It could have something to do with family. It could have something to do with wealth. Or an inheritance. What is this energy? And it's Wheel of Fortune and then the card. It's like it's so huge. And it is really about a relationship. It was. So it was some type of obstacles here to the card. And like I said, the card can be family, can also be wealth or something being inherited or, you know, business or something.

11

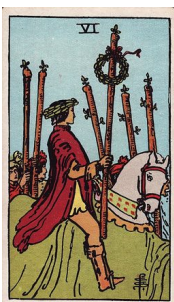

Ace of Cups

new love feeling

Come on now. So, this is definitely having a relationship with somebody. This is love right here. This is crazy. So, somebody knows it's time to focus on love. It's time to make. The card, the six of wands, the nine of pentacles, the ace of pentacles. That's 10 pentacles again.

Seven of Cups

choices illusion

Cuz it is some type of hidden truth and I just feel like you know, maybe it's not meant for somebody to know everything with that and then it's the card and the card is no better. And it is like choices and it could be imagination. So, it's something about seeing to the truth. This right here, I get this feeling that you know how like something can go through smoke and it clears the smoke?

20

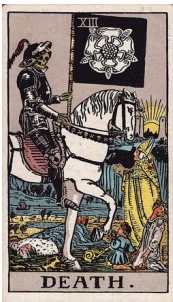

Ten of Wands

burden responsibility

It could be a lot of different things, but we have the card at the bottom here. Someone is understanding that this is a responsibility. Some people will know that nobody would ever call this a burden. If we're talking about a relationship and love and owning something and taking action because it's time to take action type of thing this is not a burden. This is somebody understanding this is heavy responsibility.

21

Death

endings transformation

So it is transformation. Somebody is doing something they may have never done. That's another thing. Iron intuition.

22

The Magician

willpower manifestation

Okay.

23

Temperance

balance patience

And we have the card, Virgo, Gemini, and Sagittarius. So it is someone's taking responsibility for their path. And they're saying what they want. They're saying this is what they want. And this is what they're going to manifest. And that's how it's supposed to be. It's not supposed to be it just happens to you. Cuz it's not just going to happen. It's something that a person needs to awaken to and want and go after it.

24

The World

completion cycle closing

So cycles closing out here. Cycles got to close.

25

Queen of Pentacles

The card and a Judgement card. Could be our earth sign waking up to the truth, waking up to their calling, waking up to the truth of the relationship or what somebody means to you or the fact that this is it. This is serious.
