

Physical Proof The Spiritual Contract Is Sealed

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

27 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **739** spoken beats. The same 27 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Three of Pentacles

teamwork skill

We have the card and then we have The World card. It looks like somebody's resource is going to the next level or something that a person finished something that how can I say now it's usable or it's people working together or it's like a collaboration it's a group if I feel like it's going to the next level. It doesn't have to be other people, but it's something that's going to the next level that you're doing. What is this energy?

02

The World

completion cycle closing

Whatever it is that was completed, it has a major purpose in somebody's life and it has a major purpose in the card. So, whatever that binding thing is, it can't hold it back. It can't hold it back any longer. It can't be withheld any longer. What is this energy? It says vulnerability and freedom.

03

King of Wands

vision leadership

vision and **leadership**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

04

The Chariot

willpower drive

So it is when that glass ceiling is broken, that contract is over because the hierophant completed something that could be monumental cuz it's kind of lined up with the card here.

05

Three of Wands

expansion foresight

expansion and **foresight**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

06

The Devil

bondage attachment

What is this energy? What is the card energy? I got to get something with the card cuz there is some type of contract and it is about money. I mean contracts are because of money a lot of times. I mean a lot of times. What's this energy? What's this energy? And it just really looks like it's going to actually graduate the card energy. That's when something is going to be up.

07

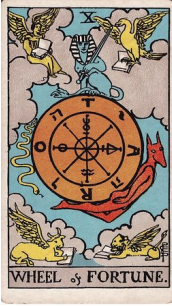

Page of Wands

discovery eagerness

I'm hoping that this is someone having the power and not giving their power away because it can work either way. It feels like this hierophant maybe may become part of something that's bigger than them. But like I said, I hope it's not them giving their power away. I'm hoping not. But the card takes a chance.

08

Wheel of Fortune

cycles turning point

I need to get something else. But the card is usually an opportunity or it's like blessings and good karma.

09

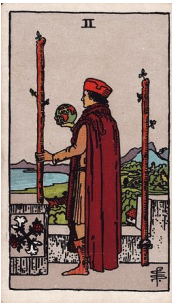

Five of Wands

conflict competition

But with The Devil and then it's the card is something about I feel protection like becoming part of something for the protection. That's kind of what it sounds like. It could be even legal protection, but it's some type of protection from like whatever it is you built, whatever it is, like let's say if I don't know, you created some type of product and teaming up with these people would help you.

10

Two of Wands

planning decisions

I mean, and then it's the card. It's shared power. So, it's okay. This reading is not for everybody, right? We're gonna start with that. But I feel like this is something that can be temporary. This is something like, how can I say, you know, contracts have expiration dates.

11

Judgement

reckoning awakening

Yeah. It really does feel like a level being completed and it's time to take whatever is completed. It could be a physical thing. I would even say it could be a spiritual thing. But it is something that's complete and it's time for it to go to the next level. And we got the card at the bottom of the deck and The World card like it's it is time for someone to answer their calling. Like this is very serious.

12

Two of Pentacles

balance juggling

Cuz at the card, the goal is not met. Dang. Two. Two. Two.

13

Nine of Cups

wishes contentment

I'm giving analogy so that people can see okay what is this energy we have the card right after the Judgement.

14

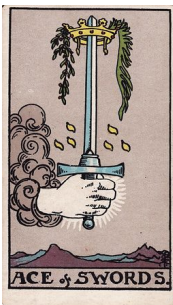

Two of Cups

partnership union

partnership and union. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

15

Ace of Swords

clarity truth

Like something will be balanced.

16

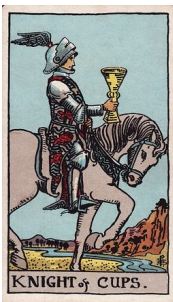

Ten of Pentacles

legacy wealth

And then it's the card and that's wealth. Okay. So, somebody has to finish. It just looks like somebody has to finish the contract. That's all it looks like. I had a reading like this maybe a few days ago. It's it feels like something about finishing the contract, but that's all like but being under the contract is providing some type of protection. But you will have the protection that you need after something is done.

17

Knight of Cups

romance the offer

And the card, they are open to love. They're open. They follow their heart.

18

Eight of Swords

restriction fear

And then the card because it's something about not being able to move on, not being able to invest in another connection. Yeah, cuz somebody's under the old contract. Okay. What is this energy?

19

Ace of Pentacles

opportunity prosperity

We have the card and The High Priestess. And it feels like some type of gift is going to come.

20

The High Priestess

intuition the unseen

The card is going to understand the deeper meaning of something, the deeper meaning of what is being attained. Like, you're going to know when the contract is up. Wow. I don't know what that was, but you're going to know when the contract is up. There's going to be some type of material evidence of when the contract is up. It's a spiritual contract. It could be physical, but I think it's spiritual.

21

Strength

inner strength controlled force

Leo energy. What is this energy here?

22

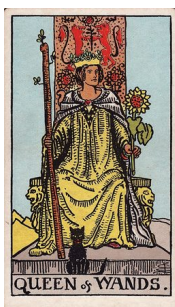

Seven of Pentacles

patience investment

patience and **investment**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

23

Queen of Wands

confidence warmth

confidence and **warmth**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

24

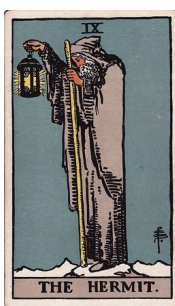

King of Cups

emotional mastery calm

A fire sign and a water sign. Something that has been going on a long time or it's an energy where it's been a lot of investing. Like it's about time is what it's giving me. It's about time for something to close out and somebody's been putting the work in and somebody has been patient and it's time.

25

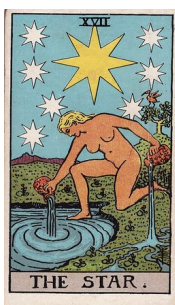

The Hermit

solitude inner wisdom

The card can see the truth. Also, the card is learning the lesson. The card is about learning a lesson. The hang man is about learning a lesson.

26

The Star

hope renewal

So, somebody may be seeing their purpose. They may be seeing some type of miracle. They're seeing something here happen that they ain't never seen before cuz it's the hang man. So, they're having a realization. They're realizing something they ain't never realized before. And it is about learning a lesson. So, Aquarius energy, but it could be something different. It's like they're graduating on a spiritual level. They're like graduating.

27

Five of Pentacles

hardship isolation

What is this energy and we have the card, the page of wands, and the knight of cups. I don't like that. That's somebody definitely in lack or maybe they was trying to keep somebody in lack so they didn't close the cycle. The card doesn't have much. I mean, whoever would be in the card, they are in lack. But like I said, somebody's still taking this risk and they're going to do what they got to do without this protection.
