

You Both Are Spiritual Warriors, These Demons Cannot Dismantle You

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

26 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **265** spoken beats. The same 26 cards, taught one screen at a time, are gathered here so you can study them after the read.

We have the card We have the seven of pinnacles We have the five of swords. Six of Cups

nostalgia innocence

It's some, and then between those cards is the card. The card is in the middle between The Tower and the queen of wands. So it's like they are a match, a crazy match, but it looked like there's something surrounding building. It's a relationship, but it's a really deep connection here. The card, that's a really deep connection. And that's the only water energy so far. But that's a deep, deep, deep, deep connection right there.

07

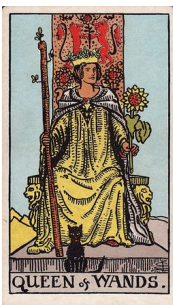

The Tower

sudden upheaval collapse

Maybe because of the card. It just, I don't know.

08

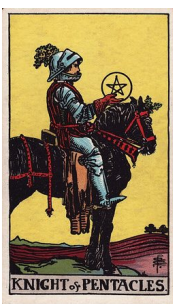

Queen of Wands

confidence warmth

They are the king and the card. They know how to handle that energy, that challenge. Okay, what is this energy? I don't even think this is surrounding them. I think this is on the outside of them. That's some crazy shit right there. And it's not learn how to deal with it. That's what it looked like. Because something here is being built and they not gonna stop. But it just seemed like all this challenging shit but it doesn't seem like it's between them.

Look, what a the card gotta get trampled on then, because this is too much energy. The card is gonna get it every time. Any, I feel like we're just gonna blame it on the card. The card is the reason why the first card was the Five of Wands. Okay. That's the one that's it's, and it's just, how can I say the card got many faces? It's not just one person.

15

Three of Cups

friendship celebration

It's something, it's positive energy that's being manifested and it almost feels like positive energy being sent out cause it's the card, which is positive water. Like that's usually, let's say Soul Tribe energy but it just feels like, I don't know how to say it, just feels like a good energy.

Nine of Pentacles

abundance independence

Sagittarius energy here and the card. I guess they have been trying to prevent the card, perhaps even the ten. Something here about not being able to move forward with something like they're really trying to block this, but it's like I said, it's still got to the card is still moving forward to a Pentacles is still progressing.

20

Temperance

balance patience

Like, and like I said, The Devil can have many faces, so it's like it's all around the king and queen of wands are understanding well they're aware of this but this is it's not everybody being attacked like this because i spotted that when the first three cards came out i was like damn like it's really surrounding what they're building and what they're building it still got there what did i just put these back yeah it's the card and the non-appendables.

Yeah, and then you got the card here. I even feel like people are trying to figure out secrets about these people. Because the card is like a detective out here. They trying to get information. This is crazy right here. That's crazy. I mean, there could be many reasons as to why this is happening.

25

Ten of Pentacles
