

Spotted The Demon, Changed The Outcome

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

34 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

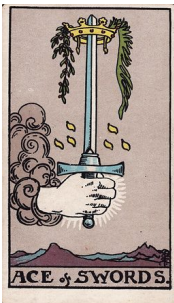

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **296** spoken beats. The same 34 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Ace of Swords

clarity truth

Like, the card clears that out. Like you can't, you can't step to the card with a lie and think you're going to come out alive. It's not going to happen. That lie is going to die. As soon as the card appears, the lie is going to die. They changed the outcome because people be having plans and shit but nope you can't do that with the card. If you're not, if your shit ain't real it's not going to exist around the card it just can't. What is this energy?

The card and the Will of Fortune. Okay the card can change things with their words. That's what it looks like happened. That's what looks like happened. Seven of Cups

We have the card, which is usually delusion.

04

The Devil

bondage attachment

We have the card Energy right after the Seven of Cups. Yeah, because they shut it down with the card. The card that came into disguise, because they always come into disguise. So I don't know what the card energy tried to do. I don't know what they thought they was going to do when they appeared with a mask.

I mean, if you come around talking about fire is not hot, I'm going to say, okay, put your hand in it.

08

The Hierophant

tradition guidance

We got the card because there's a system, there's a tradition. There's something here with the card. The card doesn't break the rules. The card keeps the rules because they know it's some real shit. They know how to ascend. They lead people the right way. That's the card's job. They're supposed to do the right thing. Okay, they're supposed to be somebody with some integrity. It might be transformation or it might just be an ending where you just can't go back and the doors is closed and they just gonna stay closed. Last time the Three of Wands came out, the card came out. So it looked like they're being escorted out or people are watching them leave.

24

The Moon

hidden influence illusion

Yeah, we got the card energy. I guess it was something they wanted to stay hidden, of course, but that shit is out there. Like they gonna have to take that shit somewhere else. Whatever this was, they was trying to offer it. They gonna have to go to another place. They gotta go to another location with that. I am dead serious. They gotta go to the city with that shit.
