01

Ace of Pentacles, The Fool, The High Priestess

Ace of Pentacles: **opportunity** · **prosperity**

The Fool: **new beginnings** · **leap of faith**

The High Priestess: **intuition** · **the unseen**

We have the High Priestess. We have the Fool card and then we have the Ace of Pentacles. So the High Priestess is clearly on a new journey and they're about to obtain something. They're about to be given something to make it grow or multiply. The High Priestess may even know that this is coming like this is the high priestess opportunity now this is their time that's what it looks like it's new possibilities someone is start like at a high priestess knows what they got to do they know what they got to

02

Seven of Wands

04

Three of Cups

Three of Cups: friendship · celebration

let me get something here with this we have the nine of cups the three of cups

05

King of Wands

King of Wands: vision · leadership

and then the king of wands energy it looks like it's someone fighting or someone has to someone has to battle through this in order to get their title like I see this king of wands as like a title like they're being celebrated like it's something that I think the high priestess and the king of wands are kind of the same person. Unless it's this King of Wands celebrating for the high priestess, but I don't think so. I think that the high priestess and the King of Wands are the same person. And let's just say the King of Wands knows the seed right now what they got to plant. The King of Wands can be a man or a woman. I don't care. But the King of Wands has to plant the seed and they have to fight and they have to know their power. They have to know, they have to, yeah. I see that it's very important for this King of Wands to plant this seed. I see that they know how important it is that they're starting this or they have this opportunity to start this. They're about to step off the ledge into a new story, into something they've never done, never been in, never ever done. Like it's a big deal to this King of Wands. And when this King of Wands accomplishes this, they are going to be celebrated by many people. That's what I see here so far. What is this? But the King of Wands knows what time it is. They know what time it is. Like when they're given this blessing, seriously, it's time to do what you gotta do and stop playing, really. Because I remember saying it looks like something

06

Queen of Cups

Queen of Cups: compassion · empathy

person has been avoiding. We have the Queen of Cups energy, the two of Pentacles, and it's definitely something that comes from within. We have this

07

The Devil

The Devil: bondage · attachment

Devil energy. Oh my goodness, what is going on? We have the Five of Wands. It just seems like as soon as somebody starts, because the Ace of Pentacles is

08

Two of Pentacles

Two of Pentacles: balance · juggling

a third card up there, and now I just got the two of Pentacles next to this Queen of Cups, but then the devil popped out right after that. I'm like damn as soon as somebody start, as soon as the ball gets rolling, here the devil is. And the 501s is like you know, somebody, it looked like this devil energy gonna try to have their way. I don't know if this is some type of company, okay, some type of, you know, some, let's say, you know, planting a seed means, I don't know if you're like writing something. This devil energy could be the thing that steps in right when you're in the middle of it. And it's like, no, I don't like that. What is this energy?

09

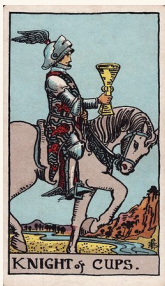

Seven of Pentacles

Seven of Pentacles: **patience** · **investment**

We have the seven of pentacles. Yeah, right in the middle, right in the middle between the two and the seven. And the two is when you're watering the plant and giving the plant sunlight. And the seven is when you work so damn hard to get this whatever kind of fruit. I don't care what kind of fruit tree. You gotta read between the lines. If you worked hard to get the fruit tree to bear fruit, and the fruit is just about to come out, and somebody comes along like, you know what? I will pay you for that, or you know, something, something, something, something. Is it worth it? You're hungry, right? So what is that money gonna do? Maybe it'll buy you some food, I guess, right? But I'm saying, whatever you really were, whatever ain't no damn food, okay? Take that out the story, okay? What if ain't no food and you did all this work? You did all this work and realistically you would have to replant and redo all the work again because this devil energy came and gave you money which is worthless because ain't going to be no food around. Okay, I'm just saying. Let's say it was the last plant on earth. That's even better. It's the last damn plant on earth and here the devil come talking about some, I'll give you this I'll give you some money for that what is this money gonna do it's not gonna buy you nothing I'm just saying don't let them take some shit don't let

Ten of Cups: **harmony** · **family**

because the hand is coming

12

Ace of Pentacles

Ace of Pentacles: opportunity · prosperity

from the clouds and the Ace of Pentacles the hand is coming from God because really where did where did all the seeds and everything come from the seeds to the food and the vegetables and the fruit and you know everything we eat and drink and like I'm just saying so this opportunity is coming from somewhere and it can't be given to whatever this devil energy is because they're gonna try right in the middle of what you're doing. Don't let them do that. That's all I can say, don't let them do that. Cause it's all a trap. Whatever this is, it's yours. This world has to get, how can I say, I think this world has to get used to owning their own, whatever. I think, like I'm just saying, you got to read between the lines though, but I'm just saying it's something where I feel like a person is going to see, like this opportunity was given to you by God. Like if it was meant for you to do something, you're going to do it. You know what I mean? And it's like, they don't have that. They don't have what it is that you have. So they come and they take what you have,

13

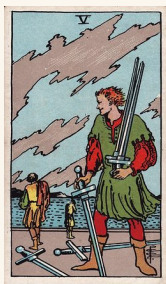

The World

The World: completion · cycle closing

you know, and know the world has to get back used to doing their own thing because these devil energies, they got to learn their own shit. They got to stop with this, trying to be above somebody's head shit. They got to stop that. I'm just saying. Or trying to take somebody's shit and run with it. No. And that's what I feel like is we'll be like, that's the thing in this reading. I feel like that's the thing for somebody. The most important thing is understand that that sure is don't give that to nobody. Don't give that to nobody that's going to rob you. That's what I'm saying. That's what it looked like. Rob you of your stuff. They even do that shit with brands. They'll buy your brand and then change the whole damn formula because you built your brand up and they trust your brand now. Anything that they do is behind your shit. They do that too. It's like, don't let nobody come and do that for whoever this is. Don't let nobody come run your shit. They're gonna have, they'll run, they better run some money, but they just, don't let them run your shit. I don't know about that. I think that's what this is.

17

Temperance

Temperance: **balance** · **patience**

Damn, and temperance. Somebody got to face the truth. This is the path. Like this is the path. This is what somebody is meant to do. That's what it looks like really serious in this reading. They basically in the reading, it's like, don't let nobody touch your shit. Don't let nobody, don't sell your shit, don't give it. Like they're saying it's your path, it's yours, you gotta accept that. This is what God has given you. This is a seed that God gave you to plant. Not to give to somebody else in the middle of what you trying to do. In the vision that God gave you, no. Follow the vision. Follow the vision, I swear to

goodness. follow the vision. Cause it leads to the 10 of cups here,

18

Ace of Swords

Ace of Swords: clarity · truth

the will of fortune is here, the ace of sword. Like it really feels like follow the vision. To be honest, what is this energy? What is going on? Chiron intuition.

19

The Fool

The Fool: new beginnings · leap of faith

We have the fool card. Okay. A new beginning there, but also don't be the fool. But it's a new beginning there. A new story. If somebody can get past that devil energy,

20

Queen of Wands

Queen of Wands: confidence · warmth

We have the Queen of Wands coming out. I think the King of, yeah, the King of Wands already came out, okay. So it's something about fire energy, perhaps, or just somebody that needs to be like really on it, really passionate, but you know, don't let somebody burn you. We have the Queen of Cups here. So something about water and fire because the Queen of Cups already came out. So it definitely is something about water and fire, very significant about water and fire. What is this?

21

The Empress

The Empress: nurturing · abundance

We have the empress. Okay, so those two aspects of the empress may be showing the water and the fire. So it's somebody that's passionate and it's something that they're using from within, like with this seed, because the seed needs all the elements, but it's still, that's still part of it, is what I'm saying. It's like this empress is tapping into the fire and the water. What is this energy?

22

Page of Pentacles

Page of Pentacles: ambition · study

We have the page of Pentacles. And the page of Pentacles is planting seeds. As you can see on their side of the fence, there is nothing, but on the other side of the fence, well, there's everything. They got a house back there, trees, probably got fruit on the tree, but this page of Pentacles over here is at the beginning of planting their stuff and getting their life together. I'm just saying, what is this energy? Gotta start somewhere. We got the Edelwands energy and focus. It's a focus, like somebody knows where this is going or what to do, don't let nobody tell you. Like for real, it's something where it's already, it's already written pretty much. All somebody gotta do is do the work or they gotta step into it, they gotta plant the seed, they gotta water the seed, they gotta do the work. Anything you know that this page of Pentacles gotta do and they're really only at the beginning, they're only, they don't even got a house. They're only at the beginning of this and it is okay. But this is the vision that God gave you, so you gotta do what you gotta do. That's what it looked like. And the vision didn't include no damn demons coming around trying to take your shit. Trying to take your land.

23

Judgement

Judgement: reckoning · awakening

We got judgment here, we got this eight of pentacles here. And this is somebody's true light here. This is somebody's truth. Somebody's gotta wake up to the fact that this is a profession. This is what you're meant to do.

24

Ace of Pentacles

Ace of Pentacles: opportunity · prosperity

That ace of pentacles, it started somewhere. And this is where it goes. Like you gotta do the work in order to perfect it. Like it really is time. It's not meant to be easy. It's not gonna be easy, but it's gotta be done. That's what I see. And it's always a damn trap. It's always a trap to make sure you're conscious of what's going on so you can enjoy the fruits. I'm just saying, cause they gonna always get you. And if they can get you, oh, you got got. So don't get got. I'm telling you, it didn't happen a million damn times. The difference of today is shit, we got warnings now. We got tarot readers. Shit, but really it still happens. It's like, don't get got with that. Learn how to be conscious so you can enjoy.

25

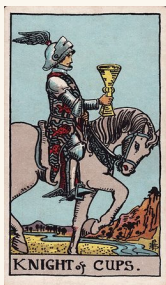

The Sun

The Sun: clarity · joy

Yeah, we got the sun card here, the star, the chariot. Like, come on, come on.

26

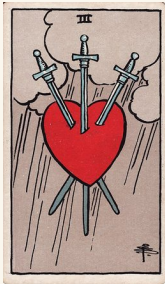

Knight of Cups

Knight of Cups: romance · the offer

Like, and the Knight of Cups is already out here. The Knight of Cups already came out facing the 10 of Cups and here tonight the cup says again. It's like, this is what somebody's supposed to be doing. This is where somebody's supposed to be going. This is what you meant for. It's all the energy is here. It's somebody's destiny. You just gotta go on the ride and don't let these people play with you.

That's part of it. There's two sides to it. There's a light and a dark. The dark is don't let these motherfuckers play cause they're gonna play. Learn the game so you ain't even gotta play. Be conscious, that's what it is. What is this energy here? I can't believe a double card came in the middle of somebody building, like I can clearly see that. What is this energy here? Cause they don't want a damn plant of seed. They don't want to tend to it. They don't want to do all that work that you did to get the plant where it had to get. Don't let them do it. What is this?

27

Three of Swords

Three of Swords: heartbreak · sorrow

We got the three of sword, or this is how somebody gonna be looking. And we don't want nobody looking like that. You don't want nobody looking like that. You know, we're gonna stop people from looking like that now. Okay, because if everybody do what they gotta do, then won't nobody be, you know, if everybody plant they own seed, don't nobody gotta come swipe your plant up. If they had planted they own seed, they better learn how to do some shit. It says do the work. Thank you, did you hear what I said? I said it before the card even came out, I didn't even know. Okay, it says do the work. And it says divine timing. I'm just saying, please don't play. Please don't play with spirit. Please don't play. But I'm gonna leave it right here. If you liked what I read, please like, share, and subscribe. Thank you so much. If you like, share, and subscribe.
