

They'll Try To Steal The Fruits Of Your Labor

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

24 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **315** spoken beats. The same 24 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Ace of Pentacles

opportunity prosperity

We have The Fool card and then we have the card. That the card, it started somewhere. And this is where it goes. Like you gotta do the work in order to perfect it. Like it really is time. It's not meant to be easy. It's not gonna be easy, but it's gotta be done. That's what I see. And it's always a damn trap. It's always a trap to make sure you're conscious of what's going on so you can enjoy the fruits. I'm just saying, cause they gonna always get you.

02

The Fool

new beginnings leap of faith

Okay. A new beginning there, but also don't be the card. But it's a new beginning there. A new story.

03

The High Priestess

intuition the unseen

So the card is clearly on a new journey and they're about to obtain something. They're about to be given something to make it grow or multiply.

04

Seven of Wands

defense courage

The High Priestess may even know that this is coming like this is The High Priestess opportunity now this is their time that's what it looks like it's new possibilities someone is start like at a The High Priestess knows what they got to do they know what they got to start we have the card energy I even want to say someone may have been avoiding this we have the nine of wands let me get something here with this we have the nine of cups the three of cups.

05

Nine of Wands

resilience persistence

resilience and **persistence**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

06

Three of Cups

friendship celebration

friendship and **celebration**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

07

King of Wands

vision leadership

Unless it's the card celebrating for The High Priestess, but I don't think so. I think that The High Priestess and the card are the same person. And let's just say the card knows the seed right now what they got to plant. The card can be a man or a woman. I don't care. But the card has to plant the seed and they have to fight and they have to know their power. They have to know, they have to, yeah.

08

Queen of Cups

compassion empathy

We have the card energy, the two of Pentacles, and it's definitely something that comes from within. So something about water and fire because the card already came out. So it definitely is something about water and fire, very significant about water and fire.

09

The Devil

bondage attachment

It just seems like as soon as somebody starts, because the Ace of Pentacles is a third card up there, and now I just got the two of Pentacles next to this Queen of Cups, but then the card popped out right after that. And the 501s is like you know, somebody, it looked like the card energy gonna try to have their way.

10

Two of Pentacles

balance juggling

balance and juggling. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

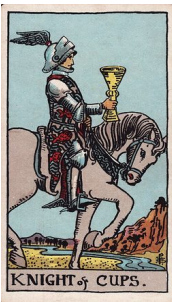

Seven of Pentacles

patience investment

Yeah, right in the middle, right in the middle between the two and the seven. And the two is when you're watering the plant and giving the plant sunlight. And the seven is when you work so damn hard to get this whatever kind of fruit. I don't care what kind of fruit tree. You gotta read between the lines. If you worked hard to get the fruit tree to bear fruit, and the fruit is just about to come out, and somebody comes along like, you know what?

12

Knight of Cups

romance the offer

It's the last damn plant on earth and here The Devil come talking about some, I'll give you this I'll give you some money for that what is this money gonna do it's not gonna buy you nothing I'm just saying don't let them take some shit don't let them take it we have the card energy here what is this and we have the Ten of Cups energy so whoever this The High Priestess or this king of wands don't be silly with whatever God is given you don't be silly with.

13

Ten of Cups

harmony family

harmony and family. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

14

The World

completion cycle closing

So they come and they take what you have, you know, and know the card has to get back used to doing their own thing because these The Devil energies, they got to learn their own shit. They got to stop with this, trying to be above somebody's head shit. They got to stop that. I'm just saying. Or trying to take somebody's shit and run with it. No. And that's what I feel like is we'll be like, that's the thing in this reading.

15

Five of Swords

conflict defeat

Don't let them do it, the card. Cause it's going to get run into the ground. What is this energy?

16

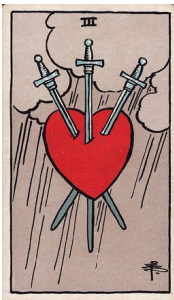

The Magician

willpower manifestation

Yeah, this is your manifestation.

17

Three of Swords

heartbreak sorrow

We got the card, or this is how somebody gonna be looking. And we don't want nobody looking like that. You know, we're gonna stop people from looking like that now. Okay, because if everybody do what they gotta do, then won't nobody be, you know, if everybody plant they own seed, don't nobody gotta come swipe your plant up. If they had planted they own seed, they better learn how to do some shit. It says do the work. Thank you, did you hear what I said?

18

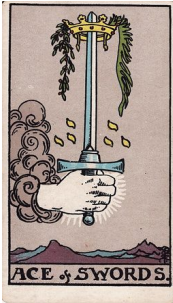

Temperance

balance patience

Somebody got to face the truth. This is the path. Like this is the path. This is what somebody is meant to do. That's what it looks like really serious in this reading. They basically in the reading, it's like, don't let nobody touch your shit. Don't let nobody, don't sell your shit, don't give it. Like they're saying it's your path, it's yours, you gotta accept that. This is what God has given you. This is a seed that God gave you to plant.

19

Ace of Swords

clarity truth

Cause it leads to the 10 of cups here, the will of fortune is here, the card. Like it really feels like follow the vision. To be honest, what is this energy? Chiron intuition.

20

Queen of Wands

confidence warmth

If somebody can get past that The Devil energy, We have the card coming out.

21

The Empress

nurturing abundance

Okay, so those two aspects of the card may be showing the water and the fire. So it's somebody that's passionate and it's something that they're using from within, like with this seed, because the seed needs all the elements, but it's still, that's still part of it, is what I'm saying. It's like the card is tapping into the fire and the water. What is this energy?

22

Page of Pentacles

ambition study

And the card is planting seeds. As you can see on their side of the fence, there is nothing, but on the other side of the fence, well, there's everything. They got a house back there, trees, probably got fruit on the tree, but the card over here is at the beginning of planting their stuff and getting their life together. I'm just saying, what is this energy? Gotta start somewhere. We got the Edelwands energy and focus.

23

Judgement

reckoning awakening

reckoning and **awakening**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

24

The Sun

clarity joy

clarity and **joy**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.
