

They Swear You Have A Secret Charm

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · **reading order**

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **223** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.
