

THE SYSTEM WAS BUILT FOR U

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

15 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

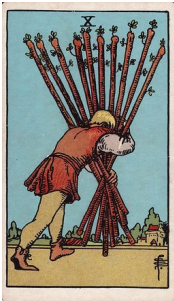

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **118** spoken beats. The same 15 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Ten of Wands

burden responsibility

We have the card Energy, we have Judgement, and we have the 4 of Cups Energy. Now that's odd to me to have so much energy like that, the card Judgement, and then the 4 of Cups look like somebody that don't get it or they're setting their ways or they're missing the point of what this is as being released.

02

Four of Cups

apathy reflection

And somebody is missing, I gotta get something with the card. What is the card doing here? Almost like somebody don't care, somebody don't get it, somebody's unaware of what is being released. I gotta get something with the card.

03

Judgement

reckoning awakening

And what is coming in because the card is also about, well it's either imprisonment or freedom, depending on if you've been doing what you're supposed to do. And the card is there to release somebody like, damn, there look like somebody was going through hell before they even get heaven.

04

The Devil

bondage attachment

It's almost like somebody is not even aware of the strings or they're not aware of what has been controlling them. They're not aware of what put them in all that fire and what put them in that man, somebody's got, I don't know. Let me get something with this 4 of Cups again because we got to the card here. What is this energy? It's almost like the card did fool somebody.

05

Three of Cups

friendship celebration

And then we got the full and then it's the card. It's something that it is being released but I don't think a person understands how serious. Like maybe there's a little bit of understanding but I don't think somebody understands like 100. What is being let go and why that's necessary. And we can't be doing that. We gotta know. We gotta know that this gotta go and there's a big reason behind it because it's exhausting. It's harmful. It's burdensome.

06

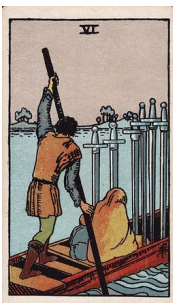

Five of Cups

grief loss

It's like putting all your energy into something for nothing, for nothing. You know, there are people that, and this can be done in different ways. They put their energy into things that you don't even need. You know, people that don't be minding their business sometimes. And I could be not minding my business right now too. But it's something where I just feel like this camp, you can't give this no more energy.

07

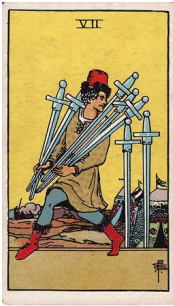

Six of Swords

transition moving on

transition and moving on. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

08

Seven of Swords

deception strategy

deception and **strategy**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

09

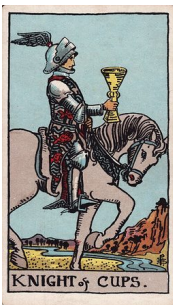

Seven of Wands

defense courage

And then we got the higher font. The higher font, some type of title, some type of official title, a trusted title. But it's almost like a person could be mourning the past. They're mourning the past. And they're moving forward in the way that they got to. Maybe it's unconventional. A something where they like they got to be strong. They got to be brave. And they got a face whatever they got a face. Like there's no running from it.

10

Knight of Cups

romance the offer

The card, the six of pinnacles and the full card. That's what I'm talking about.

11

The High Priestess

intuition the unseen

It's like, let's go. We didn't get no pinnacles in this reading. Not one. Not one until the six of pinnacles came out. That's what you're going to get. You're going to get what you deserve. Six of pinnacles. Whatever you put in is what you're going to get out.

12

Nine of Wands

resilience persistence

Okay. It toned it down a little bit. The card is not the 10. Okay. We have the Hangman energy. We have the seven of pinnacles energy. Now it could be something long term because in the same row, we have the six of pinnacles and the seven of pinnacles. It could be time invested. It could be something where maybe something needs to be realized or it isn't going to give you time to realize or this is going to be the tools that you needed to realize.

13

The Sun

clarity joy

See, this where we're supposed to be. That's the second time we see the card.

14

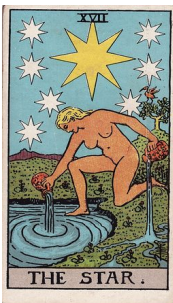

Justice

truth accountability

It's okay to put a rest, put the rest and we got the card. See, this is what somebody's supposed to do right here. I'm so sorry. It is something that is ending. You know, it was an idea. It was, you know, and it's okay. Some ideas is just not for us. It's okay. It is okay. We try and you just go to the next thing or you just keep trying, trying, trying. But sometimes it's just not the thing. It's okay. It is okay. That's the card right there.

15

The Star

hope renewal

Yeah, we got to go beyond it. I'm just saying I'm just being honest. We can do as much as we can, but sometimes being a part of the organized system is where you want to be. We have blessings and abundance. And it says earth and ground. I'm going to leave this one right here. If you liked what it every please like share and subscribe.
